

Financial Aid Advising Day Lesson Plans

Financial Aid
Advising Day

Topic

Using the Washington Financial Aid Calculator

Date

During FAAD
September 1st - December 1st

Task Summary

This activity takes 10 minutes.

This activity will help your students understand what funding could be available to them from Washington State.

Reminder, this is just an estimate of aid. Students will need to file a financial aid application to be considered for funding.

Materials

- Financial Aid Calculator
- Student will need to know their annual family income, the number of people in their household.
- WA State Eligible Institution List

Homework

Before the activity, have students ask family their income. If students do not have access to income information, have students share the calculator with their parents or guardian.

Best Practices

Have students complete this activity before your schools financial aid completion event.
