Good morning residency officers and financial aid directors,

Attached is the updated guidance for the implementation of Senate Bill 5194. It will also be posted on <https://wsac.wa.gov/FAA-resources>.

Please note, in the attached guidance obtaining an affidavit via the WASFA is covered on page 4. WSAC is currently working with our WASFA contractor, Regent, to make the appropriate changes to the affidavit within the WASFA. We will let you know once that is complete. In the meantime, for those students who need to apply for residency under this new law, you will need to obtain the affidavit through the PDF process.

Thank you for your continued partnership.
