*Washington Student Achievement Council analysis of 2021 American Community Survey data as published by the federal Low-Income Home Energy Assistance Program. All figures have been rounded to the nearest \$500 income range.*

Note: A CBS Scholar could be eligible for College Bound Scholarship funding for some years, and not eligible for others, if the family's MFI level exceeded 65 percent in one or more years.

\* WA Bridge Grants are available to WCG recipients (not CBS eligible) who enroll in at least 3 credits, meet the 65% MFI, and do not qualify for the College Bound Scholarship. Amount can be a flat rate, lump sum payment for the year, or awarded proportionally across terms, whichever is in the best interest of the student. WA Bridge Grants are limited to need and are not prorated by enrollment level.
