Greetings Financial Aid Administrators,

We have had several questions regarding satisfactory academic progress for Summer term and beyond. You will need to follow the guidance provided in the 2020-21 WCG/CBS Program Manual for summer term and forward. The prior COVID-19 related guidance was only applicable through Spring, 2020.

Due to the significant changes in the repayment guidance in Chapter 5 of the manual, you may also use the new guidance and apply that to Summer 2 terms for 2019-20. If you have elected to submit an alternative repayment policy to our office for review, please be aware that if approved, that is the policy you will need to follow.

As always, you have professional judgement authority when reviewing SAP for students and it is expected that you will continue that practice. If for some reason you have a unique situation that you are unsure of and want to discuss with our office, please do not hesitate to reach out to us.

Thank you,
