\*Bridge Grants are available to WCG only (not CBS eligible) students who enroll in at least 3 credits, meet the 60% MFI and do not qualify for the College Bound Scholarship. Amount is a flat rate, lump sum payment for the year, limited to need, issued in the first term and is not prorated by enrollment level.

## Apprenticeship Award Chart for 2022-2023

2022 – 2023 WCG-A and WA Bridge Grant Amounts						
Number of Payments per Year*	Median Family Income					
	0% - 60% WA Bridge Grant**	0% - 60% (Full Award)	61% - 65% (60% of full award)	66% - 70% (50% of full award)	71% - 75% (24.5% of full award)	76% - 100% (10% of full award)
3	\$500	\$4,466	\$2,680	\$2,233	\$1,094	\$447
2	\$500	\$2,977	\$1,786	\$1,489	\$729	\$298
1	\$500	\$1,489	\$893	\$745	\$365	\$149

\*If expenses are incurred all at once and at the beginning of the program, the maximum award and per year payment is \$4466 (plus \$500 if they qualify for the Washington Bridge Grant).

If the expenses occur periodically over the course of the year, the award is disbursed in increments.

For example, if an apprentice incurs costs every three months, the apprentice’s award would be disbursed in three payments—one every three months up to the maximum of \$4966. The apprentice must complete the required hours in addition to any related supplemental instruction before subsequent payments can be made.

If the apprentice has disproportionate costs, the Sponsor may document the disproportionate costs and award/disburse disproportionately.

For example, if the costs are \$2,976 to begin, and additional costs are incurred 6 months later, the award would be disbursed \$2,976 at the beginning of the program and then \$1490 six months later provided the apprentice is continuing to make progress.

\*WA Bridge Grants are available to WCG-A recipients only (not CBS eligible) apprentices who enroll in at least 3 credits, meet the 60% MFI and do not qualify for the College Bound Scholarship. The Bridge Grant amount can be a flat rate, lump sum payment for the year or awarded proportionally across terms, whichever is in the best interest of the apprentice. The award is limited to need and is not prorated by enrollment level.
