

2017-18

Health Professional Loan Repayment Program

HPLR SITE REFERENCE GUIDE

Web site: <http://www.wsac.wa.gov/health-professionals>

Email: health@wsac.wa.gov **Phone:** (360) 753-7794

The purpose of the Health Professional Loan Repayment Program Site Reference Guide is to provide information about site eligibility requirements, qualification factors, compliance, roles and responsibilities, as well as other key factors on becoming an eligible site.

It is the responsibility of the site administrator and staff supervising the provider to review this document **prior** to completing the site application. Please feel free to print a copy of this guide to use as a reference throughout the contract period.

Sites must apply annually to be approved if they wish to be an eligible site for providers to apply and compete for a loan repayment award. The site approval is not automatically renewed year to year.

The Washington State Health Professional Loan Repayment and Scholarship (HPLRP) program was established in 1989, to address health care workforce issues in rural and underserved urban communities.

The program is administered by the Washington Student Achievement Council (WSAC) in collaboration with the Department of Health (DOH), as authorized by RCW 28B.115. A planning committee provides expertise related to their professional field. The loan repayment program has helped to recruit and retain over 1,000 providers throughout the state.

Loan Repayment helps to repay educational loans of health care providers. In exchange for financial assistance, providers work at an eligible site for a minimum of three years, with the possibility of extensions.

The Washington State Health Loan Repayment Program (HPLRP) funding was restored with an annual amount of \$3,825,000 for the HPLRP program state contracts.

Information on the Federal-State Loan Repayment Program (FSLRP) can be found in the FSLRP Site Reference Guide.

SECTION ONE: PROGRAM OVERVIEW

PROGRAM OVERVIEW

HPLRP - 100% State Funds	
Site Eligibility	<ul style="list-style-type: none"> • Must apply annually
Provider Eligibility	<ul style="list-style-type: none"> • Minimum three-year service obligation • May work less than full time but a minimum of 24 hours per week (service obligation period is prorated to meet the equivalency of three years full time service) • Applicants are not guaranteed an award – it is a competitive process, based on score • Additional Eligibility Criteria outlined in Provider Reference Guide (Available in January 2017)
Funding	<ul style="list-style-type: none"> • Current HPLRP funding is \$4,685,000 per year (includes a portion of the fund balance and the appropriation)
Provider Award	<ul style="list-style-type: none"> • \$75,000 for minimum three-year contract, <i>not to exceed provider's individual loan debt</i> • Possible extension based on funds available and provider's remaining eligible debt
Eligible Professions	<ul style="list-style-type: none"> • Physician (MD/DO) (Family Medicine, Women's Health, General Internal Medicine, Geriatrics, General Pediatrics, and General Psychiatry) • Naturopathic Physician • Physician Assistant (Adult, Family, Pediatric, Geriatrics, and Women's Health) • Psychiatric Advance Practice Clinician (Physician Assistant or Nurse Practitioner) • Nurse Practitioner (Adult, Family, Pediatric, Geriatrics, and Women's Health) • Psychiatric/Mental Health Nurse • Registered Nurse • Licensed Practical Nurse • Certified Nurse Midwife • Licensed Midwife • Pharmacist: Must work as a general staff pharmacist, filling and dispensing prescriptions, and working as part of a managed care team. Time spent on educational classes, working with specialty patients (such as warfarin, diabetes) would be subject to the same 8 hour rule limitation as the other professions. • Dentist (DDS, DMD) • Dental Hygienist <p>New Providers this year: <i>Must be licensed and required to have a minimum of a Master or Doctoral Degree and be working in an integrated setting/system of care:</i></p> <ul style="list-style-type: none"> • Clinical Psychologist • Licensed Independent Clinical Social Worker • Marriage & Family Therapist • Mental Health Counselor

- Definition of integrated setting/system of care: the care that results from a practice team of primary care and behavioral health clinicians working with patients and families, using a systematic and cost-effective approach to provide patient-centered care for a defined population.

- Full-time service is defined as a minimum of 40 hours per week. The provider must spend a minimum of 32 hours in scheduled appointment patient contact hours providing primary care. The provider is allowed 8 hours of the 40 hour week for administrative or other work. **See page ten for full definition of full time and part time.**
- Less than full time is permitted, but provider must work a minimum of 24 hours per week. Provider must spend a minimum of 20 of those hours in scheduled appointment patient contact hours. The-provider is allowed 4 hours of the 24 hour week for administrative or other work as directed by the site.
- No more than 8 weeks or a maximum of 40 days per year can be spent away from the approved site for any reason including holidays, vacation, sick leave, continuing education, leave without pay or for any other leave.
- Registered Nurses working at hospitals and Pharmacists must work the minimum hours described above with the understanding they do not have scheduled appointment hours.

PROGRAM CALENDAR 2017-18 Application Cycle

**There is one application cycle for the site and one application cycle for the provider.
It will include applications for both the HPLRP and the FSLRP.**

Applications Time Line	
October 21, 2016	Site Application Opens – One Application for Both Programs
November 30, 2016	Site Application Closes
December, 2016	Site receives notification of application request status
January, 2017	Provider Application Cycle for both Programs Opens
April 14, 2017	Provider Application Cycle for both Programs Closes
June 2017	Applicants receive notification of application status
July 1, 2017	New contract for both program awards begin

**Information on the Federal-State Loan Repayment Program (FSLRP) can be found in the FSLRP Site Reference Guide*

ELIGIBLE SITE TYPES:

Sites approved by the program are health care facilities that provide comprehensive outpatient, ambulatory, primary health care services. (See example list below.) To become approved, the site must submit an online application **each year** during the open site application cycle. (Dates are posted annually on our website: www.wsac.wa.gov/health-professionals.) The site application cycle for 2017-18 opened in October and closes on November 30, 2016.

Comprehensive Primary Care (CPC) Definition:

CPC is defined as the delivery of preventive, acute and chronic primary health services. Approved primary care specialties are adult, family, internal medicine, general pediatric, geriatrics, general psychiatry, mental health, and women's health. CPC is a continuum of care not focused or limited to gender, age, organ system, a particular illness, or categorical population (e. g. developmentally disabled or those with cancer). CPC should provide care for the whole person on an ongoing basis. If sites do not offer all primary health services, they must offer an appropriate set of primary health services necessary for the community and/or populations they serve. For example, a site serving a senior population would need to provide geriatric primary care services.

Dentists are required to offer comprehensive primary dental care that is defined as the delivery of preventive, acute and chronic care. For example, an orthodontic practice would not meet the definition of comprehensive primary care dental, as it is a specialty.

A mental health facility must offer comprehensive mental and behavioral health services. For example, a mental health center that sees only developmentally disabled clients would be ineligible because they limit care to a specific population.

- Pharmacists must be a general staff pharmacist working in the pharmacy filling and dispensing prescriptions working as part of a managed care team and with the general public. Time spent on educational classes, working with specialty patients (such as warfarin, diabetes) would be subject to the same 8 hour rule limitation as the other professions. *(Comprehensive Primary Care is a continuum of care not focused or limited to gender, age, organ system, a particular illness, or categorical population.)*

Nurses (RN and LPN) are included in the CPC definition and should provide these services in collaborative teams in which the ultimate responsibility for patient resides with the primary care physician.

The following list includes examples of eligible sites - but is not all inclusive:

1. Federally Qualified Health Centers (FQHCs)
 - Community Health Centers (CHCs)
 - Migrant Health Centers
2. FQHC Look-A-Likes
3. Rural Health Clinics (RHCs)
4. Other Health Facilities
 - Community Outpatient Facilities
 - Community Mental Health Facilities (outpatient only)
 - State and County Health Department Primary Care Clinics
 - Free Clinics
 - Mobile Units

- Critical Access Hospitals (CAH)
 - Rural Hospitals
 - Long-term Care Facilities
 - State Residential Facilities
 - Sites located more than 30 miles from another primary care facility
5. Indian Health Service Facilities:
- Federal Indian Health Service (IHS) Clinical Practice Sites
 - Tribal/638 Health Clinics
 - Urban Indian Health Program
6. Correctional or Detention Facilities
- State Prisons
7. Private Practices (Solo or Group)
8. Walk-in clinic **if** attached to an approved eligible medical site and used to see patients who cannot be scheduled for appointments or for after-hours and weekends. Site cannot be a stand-alone urgent-care or walk-in clinic that is not attached to a medical clinic.

The following list includes examples of non-eligible sites - but is not all inclusive:

- Urban Hospitals
- Specialty Clinics
- Placement/Staffing Agencies
- School K-12 based clinics
- College/university clinics that are not open to the general public
- Clinics that see members only
- Non-State operated Inpatient Facilities
- Sites that serve less than 40% Medicare/Medicaid, Uninsured, Charity and Sliding Fee Schedule (*Exception to this is Naturopathic Physicians are allowed to serve a minimum of 35 %.*)
- Stand-alone Urgent Care or Walk-In Clinics (must be attached to an approved medical clinic to be eligible)
- Hospital Emergency Departments

HPLRP SITE ELIGIBILITY CRITERIA:

1. Site must charge for professional services at the usual and customary prevailing rates.
2. For hospitals, Registered Nurses and Pharmacists are the only provider types eligible for loan repayment. Nurses must be providing direct patient services and not working in an administrative role.
3. Site understands and agrees that no aspect of the provider’s employer-provided wage and/or benefit(s) will be reduced in any way as a result of the provider’s receipt of the Health Professional Loan Repayment Program award.
4. Site application must be completed by an authorized HR staff or other site personnel. The provider is not allowed to complete the site application. This is a conflict of interest. If during the provider application it is found that the provider completed both – the provider will be disqualified. The exception to this requirement is a solo provider owned business, they may submit these forms on their own behalf. However, a site visit may be conducted prior to site approval or provider awarding.

5. Site must not have a pay-back clause of any kind in the employment agreement/contract (such as a sign-on bonus or moving expense allowance that has a pay-back clause if the provider leaves before a specified time). This will make the provider ineligible for the program, unless that obligation has been fulfilled prior to the provider applying for the loan repayment program or the contract has a null and void statement in which the provider does not have to pay back the obligation if they are awarded loan repayment.
6. Site must have been in business and have patient data for a minimum of **one** year prior to submitting the site application.
7. Site must not promise loan repayment to an employee or when recruiting for an employee. The provider application process is competitive and there are no guarantees that a provider will be awarded even if the site has been approved.
8. Site will receive only one provider award for recruitment and one provider award for retention per profession - per year.
 - **Retention** status means that the site submitted the site application for someone who began working on or before June 30, 2016.
 - **Recruitment** status means the provider was hired or will be hired on or after July 1, 2016.
The exception to this rule is Eastern and Western State Hospital's request for Psychiatrists and mental health Nurse Practitioners. These providers have legislative priority in receiving awards.
9. If the site has more than one clinic, the site must submit a separate application for each physical_location/clinic and for each clinic type, (dental, medical, mental health and pharmacy).
10. Site must not discriminate in the provision of services to an individual because: a) the individual is unable to pay; b) because payment would be made under Medicare, Medicaid, or the Children's Health Insurance Plan (CHIP); or c) based upon the individual's race, color, sex, national origin, disability, religion, age, or sexual orientation.
11. Site must accept assignment for Medicaid/Medicare beneficiaries and has entered into an appropriate agreement with the applicable State agency for Medicaid and CHIP beneficiaries;
12. Site must use a provider credentialing process including reference review, licensure verification, and a query of the National Practitioner Data Bank (NPDB) (<http://www.npdbhipdb.hrsa.gov>).
13. Site must communicate to WSAC any change in site or provider employment status within five business days.
14. Site must function as part of a system of care which either offers or assures access to ancillary, inpatient, and specialty referrals.
15. Site will adhere to sound fiscal management policies and adopts provider recruitment and retention policies to help the patient population, the site, and the community obtain maximum benefits.
16. Site must sign a Memorandum of Agreement with WSAC.

FOR PRIVATE PRACTICES (Solo/Group) ONLY:

Please be aware that private practices may require a site visit before the application review is completed.

Sliding Fee Schedule: (optional for HPLRP sites)

The SFS or discounted fee schedule is based upon the Federal Poverty Guidelines, and patient eligibility is determined by annual income and family size. Specifically, for individuals with annual incomes at or below 100% of the HHS Poverty Guidelines (see table below), approved sites should provide services at no charge or at a nominal charge. For individuals between 100 and 200% of the HHS Poverty Guidelines, approved sites should provide a schedule of discounts, which should reflect a nominal charge (see table below). To the extent that a patient who otherwise meets the above criteria has insurance coverage from a third party (either public or private), an approved site can charge for services to the extent that payment will be made by the third party.

FOR EXAMPLE USE ONLY:

Annual Income Thresholds by Sliding Fee Discount Pay Class and Percent Poverty						
Poverty Level*	At or Below 100%	125%	150%	175%	200%	Above 200%
		Charge				
Family Size	Nominal Fee (\$5)	20% pay	40% pay	60% pay	80% pay	100% pay
1	0-\$11,880	\$11,881-\$14,850	\$14,851-\$17,820	\$17,821-\$20,790	\$20,791-\$23,760	\$23,761+
2	0-\$16,020	\$16,021-\$20,025	\$20,026-\$24,030	\$24,031-\$28,035	\$32,040	\$32,041+
3	0-\$20,160	\$20,161-\$25,200	\$25,201-\$30,240	\$30,241-\$35,280	\$40,320	\$40,321+
4	0-\$24,300	\$24,301-\$30,375	\$30,376-\$36,450	\$36,451-\$42,525	\$48,600	\$48,601+
5	0-\$28,440	\$28,441-\$35,500	\$35,501-\$42,660	\$42,661-\$49,770	\$49,771-\$56,880	\$56,881+
6	0-\$32,580	\$32,581-\$40,625	\$40,626-\$48,870	\$48,871-\$57,015	\$57,016-\$65,160	\$65,161+
7	0-\$36,730	\$36,731-\$45,913	\$45,914-\$55,095	\$55,096-\$64,278	\$64,279-\$73,460	\$73,461+
8	0-\$40,890	\$40,891-\$51,113	\$51,114-\$61,335	\$61,336-\$71,558	\$71,559-\$81,780	\$81,781+
For each additional person, add	\$4,160	\$5,200	\$6,240	\$7,280	\$8,320	\$8,320

* Based on 2016 Federal Poverty Guidelines (<http://aspe.hhs.gov/poverty>)

Please Note: Pharmacy must have its own Sliding Fee Schedule to check the SFS box on the application. The pharmacy cannot submit the medical or dental clinic's SFS.

Non-Discrimination Notice

Approved sites must prominently display a statement/poster, in common areas (and on the site's website, if applicable) that explicitly states that no one will be denied access to services due to inability to pay or method of payment. In addition, the signage should clearly communicate that the site accepts Medicare, Medicaid, and CHIP. The statement should be translated into the appropriate languages and/or dialects for the service area.

To review a sample of the appropriate and downloadable signage, please visit the NHSC website: (<http://nhsc.hrsa.gov/currentmembers/membersites/downloadableresources/index.html>)

The site will be required to submit two photos of the Non-Discrimination Notice, a close up with readable language and a distance photo showing the notice being displayed from **each** physical site.

TRIBAL HEALTH PROGRAM EXCEPTION:

At the request of a tribal health program, the services of a provider may be limited to tribal members or other individuals who are eligible for services from that Indian Health Program. However, tribal health programs are required to respond to emergency medical needs as appropriate.

SECTION TWO: SITE APPLICATION PROCESS

APPLICATION PROCESS

Before you begin the application you will need to have the following information available:

For each individual Site:

- Individual Site/Clinic's Name and Address
 - You will need a separate application for Medical, Dental, Mental Health, and Pharmacy even if located in the same building. The numbers for each clinic/pharmacy/hospital must be reported separately.
 - Be sure you use the zip code of the Site/Clinic physical location (not the business office zip code) – as this is used in the scoring process.
- Contact name, phone number and email
- Number of unduplicated patients for the most recently completed calendar or fiscal year (for each individual site/clinic).
 - For Pharmacy, total unduplicated patient count for prescriptions filled.
- Total Underserved Patient Count: Total annual unduplicated active Medicare/Medicaid, uninsured, charity patients, sliding fee schedule (if used).
- Total All Patient Count: Total annual all unduplicated active patients.
- The number of each of the following that you will be requesting loan repayment for by provider type:
 - Budgeted FTE's
 - Vacant FTE's
 - Filled FTE's
 - Retention requests FTE's

Do not request retention for employees who are not eligible for or not interested in loan repayment. You must survey your employees for those who are interested/eligible and submit their names in order for them to be eligible to apply as a retention applicant. We will be verifying to make sure these names are eligible candidates.

To apply, go to our website: www.wsac.wa.gov/health-professions. See Section Five for a step-by-step pictorial of the process.

SITE APPROVAL AND NOTIFICATION

The Site Application Cycle will open in October and close November 30, 2016. Sites are notified by the end of December, 2016 of their application status.

Approval is based upon the application score which includes: legislative directives, geographic location (zip code data); ratio of underserved patients versus non-underserved; staffing need criteria; and the use of a sliding fee schedule (optional but points are given if used).

SECTION THREE: PROVIDER SELECTION INFORMATION

PROVIDER SELECTION

The Provider Application Cycle is scheduled to open in early **January 2017 and close on April 14, 2017**. The provider must be either working at or have a contract to begin working (seeing patients) at one of the sites listed on the Eligible Site List no later than July 1, 2017. The provider's application is scored and that score is added to the Site Score to create a Total Score. This places the provider in rank order among others in their profession. Please note that provider scoring elements are based on the data and questions included in the provider application.

The provider will have the option to select to apply to the FSLRP and/or the HPLRP. Award selection will be made first to the FSLRP and those not awarded FSLRP will be considered for the HPLRP until funding is exhausted.

Eligible applications from Psychiatrists and Psychiatric Advanced Registered Nurse Practitioners working at DSHS Eastern and Western State Hospitals will receive priority and be awarded first for the HPLRP funds. Remaining funds will be awarded determined on a percentage that is based on the provider requests from the sites.

Example: if the total number of requests from the sites for all provider types equaled 500, and of those 100 were for primary care physicians, then 20% of the funds would go to primary care physician awards. If 50 requests were for dentists, then 10% of the funds would go to dentist awards.

SECTION FOUR: SITE ROLE AND EXPECTATIONS

SITE ROLE AND EXPECTATIONS

The site will receive a Memorandum of Understanding which will outline the responsibilities of the site and WSAC.

- At the end of each quarter the provider will submit a Quarterly Service Verification Form to their supervisor to verify the hours they worked. It is the site's responsibility to verify the hours and to retain the original copy of the form. They are reviewed during site visits.
- The site is to verify the number of days the provider has been on any kind of paid or unpaid leave, vacation, holiday, sick, continuing education or any other. It is the site's responsibility to let the provider know when they are nearing the 40 day maximum limit so they do not exceed it. If the provider exceeds the maximum limit it will put them in default on their contract. The site is responsible for contacting WSAC if the provider is in jeopardy of exceeding or exceeds the limit.
- The site is to either: fax, mail or scan and email a copy of the form to our office so a payment can be processed for the recipient.
- The form is to be signed by someone who has signature authority to verify the hours of the provider.
- Form cannot be signed or dated before the last day of the quarter. Forms dated before the end of the quarter will not be accepted.
- The Quarterly Service Verification Form is posted at the council website: www.wsac.wa.gov/health-professions.
- We expect the provider to complete their minimum three-year HPLRP contract at the site where they applied and were approved. If your organization has multiple clinics, the provider **cannot** move from one clinic to another without going through a pre-approved transfer process. The provider was approved for the site they applied at and will not get service credit for hours worked at another site.
- The site assumes an obligation to the provider when submitting a site application, to provide a minimum of 24 hours per week employment for the minimum three-year contract period (working less than full time will prorate the service obligation period). The site should take into consideration the provider's contract and obligation when looking at staffing changes.
- If the provider falls below the required 24 hours per week at the approved site(s), the provider will go into repayment default.

Definition of "full time" employment:

For all health professionals, except as noted below: At least 32 hours of the minimum 40 hours per week are/will be spent providing direct outpatient care during normally scheduled clinic hours in the ambulatory care office(s). The remaining 8 hours per week is/will be spent providing clinical services to patients in the approved office(s), performing clinical support activities in alternate locations as directed by the above site(s), or performing practice-related administrative activities. **For women's health, FPs practicing OB on a regular basis, providers of geriatric services, certified nurse midwives, and pediatric dental health providers:** At least 21 of the minimum 40 hours per week are/will be spent providing direct outpatient care during normally scheduled clinic hours in the ambulatory care office(s) approved on the contract. The remaining 19 hours per week is/will be spent providing clinical services to patients in the approved office(s), performing clinical support activities in alternate locations as directed by the approved site(s), or performing practice-related administrative activities (with practice-related administrative activities not to exceed 8 hours per week).

Definition of "less than full time" employment:

For less than full time employment, a minimum of 24 hours per week is required. Of the 24 hours per week, only 4 hours per week is allowed performing clinical support activities in alternate locations as directed by the approved site(s), or performing practice-related administrative activities (with practice-related administrative activities not to exceed 4 hours per week).

Hours cannot be averaged over the pay period. Provider must work a minimum of 24 hours per week every week.

- The site is required to contact our office within five business days if the provider:
 - is terminated for any reason,
 - has their license suspended
 - has a disciplinary action brought against them, or
 - no longer has a valid license to practice

SITE VISITS

WSAC program staff will conduct on-site visits to provide technical assistance to answer questions and ensure compliance with program requirements. Once a date is agreed upon, staff may request documentation, policies on non-discrimination, sliding fee scale information (if available), and the original copies of the provider's Quarterly Service Verification Forms. During the site visit, staff may meet separately with the site administrator and the providers (either individually or in a group if number is large). The discussion with the site administrator is focused on how the site is meeting expectations and requirements. Using a standard site visit tool, questions will be asked regarding the site's compliance which was submitted at time of application. This visit also provides the opportunity for the site to ask questions of the program and for staff to offer technical assistance. Interviews with the providers are a priority and are conducted with a dual focus of: 1) assuring providers are meeting program requirements, and; 2) making certain they are integrating into the community and experiencing a rewarding practice setting.

SECTION FIVE: SCREENSHOTS OF THE APPLICATION PROCESS IN THE PORTAL

WASHINGTON STUDENT ACHIEVEMENT COUNCIL
EDUCATION • OPPORTUNITY • RESULTS

Home » Health Professionals

HEALTH PROFESSIONALS

The Health Professional Loan Repayment Program encourages licensed primary care health professionals to serve in Washington's critical shortage areas. The program provides financial assistance through either conditional scholarships or loan repayment. The loan repayment portion of the program provides educational loan repayment assistance to licensed primary care health professionals. Applicants agree to provide primary care health care in rural or underserved areas with recognized shortages.

In 2014, approximately 100 health professionals worked in underserved areas of Washington as a result of this program. Since 1990, the program has funded over 1,000 professionals serving in 38 Washington counties. Further, according to a recent national survey, over 80 percent of the recipient respondents anticipate remaining in their health professional shortage area service site for five additional years following their service term.

Two programs provide educational loan repayment assistance (click on table to the right for more information):

1. The Federal-State Loan Repayment Program (FSLRP) uses matching federal grant funds for awards.
2. The Health Professional Loan Repayment Program (HPLRP) uses state dollars only for awards.

Federal-State Loan Repayment Program (FSLRP)	Health Professional Loan Repayment Program (HPLRP)
Awards use federal funds matched with state dollars	Awards use state funds only
Maximum \$70,000 award	Maximum \$74,000 award
Minimum three-year service obligation	Minimum three-year service obligation
Minimum 40 hour work week	Minimum 24 hour work week service obligation period prorated to three-year establishment
Default penalty - missing not served x \$7,500 per month plus interest (minimum of \$1,000 penalty)	Default penalty - funds disbursed doubled plus interest
Maximum 35.7 days per contract year allowed in leave away from clinic/site for holiday, sick leave, vacation, etc.	Maximum 40 days per contract year allowed in leave away from clinic/site for holiday, sick leave, vacation, etc.
Eligible sites: See Provider Reference Guide for full details, but must have a federal Health Professional Shortage Area (HPSA) designation, or a (QIP)	Eligible sites: See Provider Reference guides for full details. Does not require HPSA designation or a QIP.
Eligible Providers: DDS or DMD, Registered Dental Hygienist, MD, DO, Physician Assistant, Nurse Practitioner, Registered Nurse, Pharmacist, Certified Nurse Midwife	Eligible providers: DDS or DMD, Registered Dental Hygienist, MD, DO, ND, Physician Assistant, Nurse Practitioner, Psychiatric Advance Practice Clinician (AP or PA), Registered Nurse, Licensed Pediatric Nurse, Certified Health Nurse Practitioner, Certified Nurse Midwife, Licensed Speech-Language Pathologist, Licensed Master of Occupational Therapy, Licensed Independent Clinical Social Worker, Marriage and Family Therapist, Mental Health Counselor

Provider information

The provider application opens in January and will close April 14, 2017. Providers will use one application to apply for the FSLRP and/or the HPLRP. The applicant is a provider contract with a maximum award of \$70,000 and agrees to work a minimum of 40 hours per week. The HPLRP is a three-year contract with a maximum award of \$74,000 and allows providers to work less than full time but requires a minimum of 24 hours per week, providing the service obligation period. A Reference Guide with full details and requirements for each program is provided in the tab below.

Reference Guides	Eligible Professions	Eligible Sites
Participant Requirements	Service Obligation	Application Process

Site Information

Health sites apply annually to participate in the program. Sites may apply to be approved for both the FSLRP and the HPLRP through one application. Check back on the 2017 site list.

- Please **read** the Site Reference Guides (FSLRP/HPLRP) carefully.
- Not every Health Site will qualify.

[Health Professional Loan Repayment Program \(HPLRP\)](#)
[Federal-State Loan Repayment Program \(FSLRP\)](#)

I have read and understand the *Site Reference Guide(s)*.

Check each option that applies to your site.

- This Health Site has been in business longer than one year.
- This site meets the definition of non-profit or for-profit eligibility. This is required for the (FSLRP). See Site Reference Guide for details.

"Non-profit private entity means an entity which may not lawfully hold or use any part of its net earnings to the benefit of any private shareholder or individual and which does not hold or use its net earnings for that purpose" (42 C.F.R. 62.52). For-profit health facilities operated by non-profit organizations must follow the same guidelines as all other SLRP sites.

This site is located in a HPSA or has a HPSA designation. This is required for the (FSLRP). See Site Reference Guide for details.

INDICATE HPSA SCORE FOR THE FOLLOWING:

Primary Care:

Dental:

Mental Health:

New this year. You will need to look up your HPSA data if you are FSLRP eligible and provide it here. The link is provided below to find that information.

HPSA is a federal designation for Health Professional Shortage Area. Go to:

<http://datawarehouse.hrsa.gov/GeoAdvisor/ShortageDesignationAdvisor.aspx> to find out if you meet the HPSA designation criteria.

This site has a Non-Discrimination Notice prominently displayed in a common area that explicitly states that:

- This site sees all patients regardless of their ability to pay and no one will be denied access to services due to inability to pay. Must submit photos for each individual site to WSAC upon submission of this application. Photo one must show the signage from a distance where it is posted, photo two must be a close up with readable language. A printout of your policy is not acceptable as a substitute for a photo.
- This site accepts Medicare assignments, Medicaid, and CHIP patients as appropriate.

New this year. You are required to submit photos of your Non-discrimination signage for each physical site location.

[Help/Contact Info](#)

- Click on the arrow below to find your site.
- If your site is not listed, click on the Help/Contact Info link above or call 360-753-7794 so your site can be added. *(Check to see if the site is listed under a different name, such as under the hospital's clinic name.)*
- A hospital and a hospital owned clinic are two separate sites for our program purpose and must submit separate applications.
- If your organization has more than one clinic, you must submit separate applications for each clinic - physical location.
- If you have dental, medical, behavioral health clinics and/or a pharmacy, you must submit separate applications for each one, and count the number of patients for each one separately.
- You must submit a separate application for **Pharmacy**. Do not include your Pharmacist request with your Medical Clinic or Hospital application.

Use the **physical address and zip code of the actual location** of the clinic for the **physical location**. This impacts the site score.

Wilkins Family Medical Clinic

Status: Incomplete

[Application Admin](#)

[Help/Contact Info](#)

This information is used to calculate critical staffing need. One Full Time Equivalent (FTE) = 40 hours of work per week.

FSLRP REQUIRES PROVIDERS TO WORK FULL TIME:

Definition of "full time" employment:

- *For all health professionals, except as noted below: At least 32 hours of the minimum 40 hours per week are/will be spent providing direct outpatient care during normally scheduled clinic hours in the ambulatory care office(s).*
- *The remaining 8 hours per week is/will be spent providing clinical services to patients at this site, performing clinical support activities in alternate locations as directed by the site, or performing practice-related administrative activities.*
- *For Women's Health, FPs practicing OB on a regular basis, providers of geriatric services, nurse midwives, and pediatric dentists health providers:*
 - *At least 21 of the minimum 40 hours per week are/will be spent providing direct outpatient care during normally scheduled clinic hours in the ambulatory care office(s).*
 - *The remaining 19 hours per week is/will be spent providing clinical services to patients, performing clinical support activities in alternate locations as directed by the above site(s), or performing practice-related administrative activities (with practice-related administrative activities not to exceed 8 hours per week).*

HPLRP ALLOWS PROVIDERS TO WORK LESS THAN FULL TIME BUT NOT LESS THAN 24 HOURS PER WEEK:

- For less than full time employment, only 4 hours per week is allowed performing clinical support activities in alternate locations as directed by the approved site(s), or performing practice-related administrative activities (with practice-related administrative activities not to exceed 4 hours per week).

For FSLRP

- No more than 7 weeks (35.7 work days) per service year can be used for vacation, holiday, continuing education, illness, leave without pay or any other reason.
- The site supervisor must notify our office immediately if a participant exceeds the 35.7 day limit as this is a breach of contract.

For HPLRP

- No more than 8 weeks (40 work days) per service year can be used for vacation, holiday, continuing education, illness, leave without pay or any other reason.
- The site supervisor must notify our office immediately if a participant exceeds the 40-day limit as this is a breach of contract.

New this year.

HPLRP providers are limited to 40 days of leave away from the site. Exceeding this limit will place them in default on their contract.

FSLRP providers continue to have a 35.7 day leave limit per contract year.

Sliding-fee discount patients are patients that receive care on a:

- Sliding-fee discount schedule,
- Ability-to-pay, or
- Free of charge basis.

To be eligible for the sliding fee discount score, your site must have an active/implemented Sliding-Fee Discount Schedule and a public notice of its availability for all patients conspicuously posted near the front desk or check-in area. This will be verified during site visits.

Terms and Definitions Examples in [MS Word](#) or [PDF](#)

This site:

- Has a Sliding Fee Schedule posted in a common area and available for all eligible patients.
- Does not have a Sliding Fee Schedule posted because it meets the FSLRP exception. (Site is DSHS, DOC or a Tribal Clinic.)
- Does not use a Sliding Fee Schedule

New this year. Sites will be required to submit a copy of their sliding fee schedule.

 Pharmacies must have a posted – implemented **sliding fee schedule** in order to select this option.

Previous Next

SECTION SIX: GLOSSARY

GLOSSARY

Community Mental Health Center (CMHC) – An entity that meets applicable licensing or certification requirements for CMHCs in the State in which it is located and provide all of the following core services:

- (1) outpatient services, including specialized outpatient services for children, the elderly, individuals who are chronically mentally ill, and residents of the CMHC’s mental health service area who have been discharged from inpatient treatment at a mental health facility;
- (2) 24 hour-a-day emergency care services;
- (3) day treatment, or other partial hospitalization services, or psychosocial rehabilitation services; and
- (4) screening for patients being considered for admission to State mental health facilities to determine the appropriateness of such admission. Effective March 1, 2001, in the case of an entity operating in a State that by law precludes the entity from providing the screening services, the entity may provide for such service by contract with an approved organization or entity (as determined by the Secretary) that, among other things, meets applicable licensure or certification requirements for CMHCs in the State in which it is located. A CMHC may receive Medicare reimbursement for partial hospitalization services only if it demonstrates that it provides such services.

Comprehensive Primary Care (CPC) - The NHSC defines Comprehensive Primary Care (CPC) as the delivery of preventive, acute and chronic primary health services in an NHSC-approved specialty. NHSC-approved primary care specialties are adult, family, internal medicine, general pediatric, geriatrics, general psychiatry, mental and behavioral health, women’s health, and obstetrics/gynecology. CPC is a continuum of care not focused or limited to gender, age, organ system, a particular illness, or categorical population (e. g. developmentally disabled or those with cancer). Comprehensive Primary Care should provide care for the whole person on an ongoing basis.

Correctional Facility – Clinics within state or federal prisons. Clinical sites within county and local prisons are not eligible. Federal prisons are clinical sites that are administered by the U.S. Department of Justice, Federal Bureau of Prisons (BOP). State prisons are clinical sites administered by the state.

Critical Access Hospital (CAH) – A non-profit facility that is (a) located in a State that has established with the Centers for Medicare and Medicaid Services (CMS) a Medicare rural hospital flexibility program; (b) designated by the State as a CAH; (c) certified by the CMS as a CAH; and (d) in compliance with all applicable CAH conditions of participation. For more information, please visit: <http://www.cms.gov/Outreach-and-Education/Medicare-Learning-NetworkMLN/MLNProducts/downloads/critaccesshospfctshst.pdf>.

FQHC Look-Alike – Health centers that have been identified by Health Resources and Services Administration (HRSA) and certified by the Centers for Medicare and Medicaid Services as meeting the definition of “health center” under Section 330 of the PHS Act, although they do not receive grant funding under Section 330. More information is available at <http://bphc.hrsa.gov/about/apply.htm>.

Free Clinic – A medical facility offering community healthcare on a free or very low-cost basis. Care is generally provided in these clinics to persons who have lower or limited income and no health insurance, including persons who are not eligible for Medicaid or Medicare. Almost all free clinics provide care for acute, non-emergent conditions. Many also provide a full range of primary care services (including preventive care) and care for chronic conditions.

Full-Time Provider – A Provider working a minimum of 40 hours per week in a clinical practice, for a minimum of 45 weeks per service year.

Health Professional Shortage Area (HPSA) – A HPSA is a geographic area, population group, public or nonprofit private medical facility or other public facility determined by the Secretary of HHS to have a shortage of primary health care professionals. HPSAs may be identified on the basis of agency or individual requests for designation. Information considered when designating a primary care HPSA include health provider to population ratios, rates of poverty, and access to available primary health services. These HPSAs are designated by the Office of Shortage Designation, within HRSA's Bureau of Health Professions, pursuant to Section 332 of the PHS Act (Title 42, U.S. Code, Section 254e) and implementing regulations (Title 42, Code of Federal Regulations, Part 5).

Indian Health Service, Tribal or Urban Indian Health Clinic (ITU) – A non-profit health care facility (whether operated directly by the Indian Health Service or by a tribe or tribal organization, contractor or grantee under the Indian Self-Determination Act, as described in 42 Code of Federal Regulations (CFR) Part 136, Subparts C and H, or by an urban Indian organization receiving funds under Title V of the Indian Health Care Improvement Act) that is physically separated from a hospital, and which provides clinical treatment services on an outpatient basis to person of Indian or Alaskan Native descent as described in 42 CFR Section 136.12. For more information, please visit: <http://www.ihs.gov>.

Integrated Setting/System of Care – The care that results from a practice team of primary care and behavioral health clinicians working with patients and families, using a systematic and cost-effective approach to provide patient-centered care for a defined population.

Mobile Units/Clinics – Medical vehicles (e.g. mobile health vans) that travel to underserved rural and urban communities, providing primary care services to individuals located in a HPSA. Providers working within a mobile unit that functions as part of an approved site or through an alternative care setting (e.g. hospitals, nursing homes, shelters, etc.) will receive service credit for direct patient care, so long as the mobile unit is affiliated with an approved site and provides services to only the approved HPSA area and/or members of a HPSA.

Public Health Department Clinic – Primary or mental health clinics operated by a State, County or Local health departments.

Rural Health Clinic (RHC) – A facility certified by the Centers for Medicare and Medicaid Services under section 1861(aa) (2) of the Social Security Act that receives special Medicare and Medicaid reimbursement. RHCs are located in a non-urbanized area with an insufficient number of health care practitioners and provide routine diagnostic and clinical laboratory services. RHCs have a nurse practitioner, a physician assistant, or a certified nurse midwife available to provide health care services not less than 50 percent of the time the clinic operates. There are two types of RHCs:

- Provider-Based: affiliated with a larger healthcare organization that is a Medicare certified provider.
- Independent: generally stand-alone clinics.

Sliding Fee Scale or Discounted Fee Schedule – A sliding fee scale or discount fee schedule is a set of discounts that is applied to your practice’s schedule of charges for services, based upon a written policy that is non-discriminatory, and publicly posted and provided to patients up-front.

Solo or Group Private Practice – A clinical practice that is made up of either one or many providers in which the providers have ownership or an invested interest in the practice. Private practices can be arranged to provide primary medical, dental and/or mental health services and can be organized as entities on the following basis: fee-for-service; capitation; a combination of the two; family practice group; primary care group; or multi-specialty group.

Tribal Health Program – An Indian tribe or tribal organization that operates any health program, service, function, activity, or facility funded, in whole or part, by the Indian Health Service (IHS) through, or provided for in, a contract or compact with the IHS under the Indian Self-Determination and Education Assistance Act (25 USC 450 et. seq.).

SECTION SEVEN: SAMPLE COPY - MEMORANDUM OF AGREEMENT

MEMORANDUM OF AGREEMENT

Between the
Washington Student Achievement Council
and the «SiteName»

THIS BINDING MEMORANDUM OF AGREEMENT (MOA) is made and entered into by and between the Washington Student Achievement Council (WSAC) and the «SiteName» (Site) participating in the Health Professional Loan Repayment Program (HPLRP).

PURPOSE:

The purpose of this MOA is to:

- (1) Increase the availability of primary health care providers in health professional shortage areas in Washington State.
- (2) Identify the roles and responsibilities of WSAC and the «SiteName» as they relate to the HPLRP. This agreement acknowledges and supports the autonomy of the parties to carry out their separate responsibilities.

THEREFORE, IT IS MUTUALLY AGREED THAT:

A. WSAC will:

1. Review loan repayment applications submitted by eligible providers;
2. Make awards to providers whose applications meet the HPLRP requirements to the extent that state funds are available;
3. Make payments to selected and awarded providers over a three-year contract period or a one-year or two-year contract extension;
4. Pursue collections of repayments from providers who default on their service obligation contracts;
5. Receive the repayment from providers who default on their service obligation consistent with the requirements under financial consequences of breach of the HPLRP contract; and
6. Track providers' service obligation through the WSAC program's portal programming system.

B. Site will:

1. Complete the annual site application during the site application cycle if it wishes to allow new providers the opportunity to apply;
2. Identify a staff liaison between WSAC loan repayment staff and providers;
3. Make available such information as may be required to ensure initial and ongoing HPLRP program compliance of providers and the site;
4. Notify WSAC of any change in work location. Unless otherwise agreed in writing, the provider must complete their minimum three-year contract or the one-year or two-year extension contract at the site where they applied and were approved. If Site has multiple clinics, the provider cannot move from one clinic to another without going through a pre-approval transfer process. The provider was approved for the site they applied at and will not get service credit for hours worked at another site.
5. Notify WSAC if the provider fails to meet the hours per week requirement. If the provider falls below the required 40 hours per week (or 24 hours per week if approved at less than fulltime) at the approved site, it will cause the provider to go into repayment default. (See 2016-17 Site Reference Guide for definition of "Full Time" employment and less than full time requirements.)
6. Take on the obligation to the provider when submitting a Site application, to provide a minimum of 40 hours employment per week for the minimum three-year contract period (less than full time option is available with 24 or more hours per week required and a prorated contract period up to five years-see Site Reference Guide) or a minimum 40 hours per week for the one-year or two-year contract extension. The Site will take into consideration the provider's contract and obligation when looking at staffing changes;
7. Be required to notify WSAC within one business week if the provider's employment ceases for any reason;
8. Submit at the end of each quarter the Quarterly Service Confirmation Form to verify the hours worked by the provider. It is the Site's responsibility to verify the hours. The Site is to either: fax, email or mail a copy of the form to WSAC so a payment can be processed for the recipient.
9. Retain the original copy of the Quarterly Service Verification Form and provide the original copy to program staff on request for purposes of verification;
10. Monitor providers leave of absences (including holidays, sick leave, vacation, continuing education, leave without pay or any other leave) and notify provider when they are within five days of the 40 day limit per contract year, and notify WSAC and the provider if the provider exceeds the 40 day limit. (See 2016-17 Site Reference Guide for details.);
11. Ensure the Quarterly Service Verification form is signed by a Site employee with signature authority to verify the hours of the provider; and
12. Download the most current Quarterly Service Verification Form that is posted at the council website: www.wsac.wa.gov/health-professions. (See 2016-17 Site Reference Guide for details.)

C. PERIOD OF PERFORMANCE

Subject to its other provisions, the period of performance of this MOA shall commence on July 1, 2015, and shall remain in effect until June 30, 2020, unless modified, extended, or terminated as provided herein.

D. GOVERNING LAW

This agreement shall be construed and interpreted in accordance with the laws of the State of Washington and jurisdiction and venue of any action brought hereunder shall be in Superior Court for Thurston County.

E. MODIFICATION/TERMINATION

This agreement will be reviewed at least annually and may be modified in writing by consent of the parties. This agreement shall remain in effect until June 30, 2021, or the commitments for providers receiving repayment from the HPLRP are fulfilled or unless such provider(s) defaults, whichever occurs first.

F. INDEMNIFICATION CLAUSE

The Site shall indemnify, defend, and hold harmless WSAC and its board members, employees, and agents from and against all claims, losses, or suits, including attorney’s fees, for injuries and damages arising out of or resulting from Site’s performance of, or obligations under, this agreement; as well the same agreement to indemnify, defend, and hold harmless for a Site’s subcontractor’s performance of, or obligations under, this agreement. Site’s obligation to indemnify, defend, and hold harmless includes any claim by Site’s employees, or agents or their, employees, representatives or their employees, and Site’s, subcontractors or their employees.

Site’s obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its board members, employees, and agents.

Site waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless WSAC and its board members, agents, or employees.

IN WITNESS WHEREOF, the parties have executed this Memorandum of Agreement.

SITE CERTIFICATIONS AND ASSURANCES:

In signing this agreement the Site makes the following certifications and assurances as a required element of this Memorandum of Agreement, understanding that the truthfulness of the facts affirmed here and the continuing compliance with these requirements are conditions precedent to the undertaking or continuation of this agreement:

1. I/We agree that salaries for health professionals employed by this site and participating in the HPLRP are based on prevailing rates in the area, and that HPLRP contracts have and will not be used as a salary offset.
2. I/we understand that WSAC will not reimburse me/us for any costs incurred in administering this agreement.
3. I/we certify that I/we am/are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
4. If there are exceptions to these certifications and assurances, I/we have described them in full detail on a separate page attached to this document.
5. I/we are providing primary health care services. (See Site Reference Guide for definition of Primary Care.)

On behalf of the «SiteName» (Site) signing the agreement to which this is attached, my name below warrants and attests to the accuracy of the above statements.

SECTION EIGHT: EXAMPLES OF FORMS

QUARTERLY SERVICE FORM SAMPLE

This is an example of the Quarterly Service Verification Form that the Provider and Site complete at the end of each quarter. The site retains the original copy and submits a copy to WSAC for a payment to be processed for the provider. It is important that the site/provider go to the website each quarter to download the most current copy of the form.

Washington State Health Professional Loan Repayment Quarterly Service Verification Form

Do not leave blanks. Form cannot be submit prior to last day of the quarter.

LOAN REPAYMENT RECIPIENT			EMPLOYER SECTION	
2016 Quarter: <input type="checkbox"/> Jan-Mar <input type="checkbox"/> Apr-Jun <input type="checkbox"/> Jul-Sep <input type="checkbox"/> Oct-Dec			Site Name:	
Name:			Address:	
Address:			City:	Zip:
City:	State:	Zip:	I have reviewed the hours worked and certify that the loan repayment recipient named on the left side of this form was employed at this site for the quarter indicated and certify that they worked:

Revised 6/20/14

Washington State Health Professional Loan Repayment Quarterly Service Verification Form Instructions

LOAN REPAYMENT RECIPIENT (to be completed by the recipient)

- If you work at multiple sites, you must submit a separate form for each site.
- Identify the quarter that you just completed.
- Your signature is a legal certification that you have worked at the eligible loan repayment site as identified on your form, and that you have fully applied program funds to the eligible lender(s) identified in your online application.
- You must sign and date the form on or after the last day of the quarter.
- If your loan balance is less than your normal payment, you must designate the payoff amount. Your payment will be adjusted accordingly. If your loans are paid in full, you must indicate this.

DEFINITION OF FULL-TIME EMPLOYMENT

- Use the **full-time employment** definition included on the Service Verification Form.
- Federal contract recipients (FSLRP) are limited to a maximum of 35.7 days per contract year away from the clinic.
- State contract recipients (HPLRP) are limited to a maximum of 40 days per contract year away from the clinic.
- Days away from clinic include all leave: holidays, vacations, sick leave, training, and any other leave. If you exceed that limit your account will go into default status. Approved FMLA recipients are put on a deferment and receive a contract amendment.
- Contract year is July 1–June 30 (or whatever is stated on your individual contract).

EMPLOYER SECTION (to be completed by the site administrator)

- **Site Name:** the physical site where recipient works. If recipient works at more than one site, submit a separate form for each site.
- Site administrator is responsible for reviewing and certifying the hours worked.
- Check the "Full time" box if the recipient was scheduled for and worked 40 hours every week during the quarter.
- Check the "Less than 40 hours per week" box if the number of actual hours worked during the quarter by the recipient is less than full time; if recipient is submitting their final form before the end of the quarter; or if recipient normally works full time but was on extended leave during the quarter.
 - Recipients with a state/federal contract (FSLRP) must work a minimum of 40 hours per week. Recipients with a state contract (HPLRP) must work a minimum of 24 hours per week.
 - When calculating hours for the quarter, count the number of scheduled/paid hours. Do not count overtime or on-call hours.
- **Is/was on extended leave:**
 - Enter the dates the recipient went on leave and the date they returned or are expected to return to work.
 - Identify the number of hours of paid leave or unpaid leave for the quarter.
- You must enter days away from the clinic. This includes all leave: sick, vacation, holiday, continuing education, FMLA and other.
- The administrator should complete/sign/date the form after the recipient has signed/dated.
- The administrator is required to keep the original copy of the service form. When program staff performs site visits, we will review these forms and compare them to the copies the office received.

ADDITIONAL PROGRAM INFORMATION

- Forms must be mailed, faxed, or scanned and emailed within 14 days after the end of the completed quarter by the administrator, not the recipient. Allow 14-20 business days for the payment to be processed.
- If the form is received more than 30 days after the end of the quarter, the processing time might be extended and payment will be delayed accordingly. Payments are made in batches, not individually.
- It is the recipient's responsibility to contact DES (see form for details) for any changes to name, address, or bank account information. If the account information is not current with DES, it will cause the payment to be delayed. Program staff cannot make these changes; the recipient must contact DES directly.
- Occasionally you will receive a paper check even if you have direct deposit. The reason for this is the state is required to verify your banking information every 90 days. During that period, while DES is contacting your bank, they "freeze" the direct deposit option. If a payment is processed during this period, a paper check will be issued. That is why you must make sure you have updated DES with your current address. Otherwise the check will be delayed in getting to you.
- Twice a year, in January and July, the recipient is required to submit monthly payment history documentation showing that all program funds have been fully applied to the approved lender(s) listed in your online application. You will need to submit the last six months' payment history to cover the last two payments that have been issued.
- If your payment history is not equal to or greater than the amount of funds disbursed, your account will be suspended until brought current. If not brought current within 30 days, your account will be declared in repayment default.
- Forms delinquent more than 90 days will cause your account to go into repayment default.
- Recipients are required to contact the program immediately if there is any change to employment status. Failure to do so will cause your account to go into default.
