Gene Sharratt, Ph.D.

Executive Director

Our Mission:

Inspire and foster
excellence in
educational attainment.

Council goals in pursuit of the mission:

Goal One:

1. To propose to the governor and the legislature goals for **increased educational attainment** in Washington, recommend the resources necessary to achieve the goals, and monitor progress toward meeting these goals.
2. To propose to the governor, and legislature, the state's educational institutions, **improvements and innovations** needed to continually adapt the state's educational institutions to evolving educational attainment needs; and
3. To **advocate for higher education** through various means, with the goal of educating the general public on the economic, social, and civic benefits of postsecondary education, and the consequent need for increased financial support and civic commitment in the state.

Council goals in pursuit of the mission:

Goal Two:

1. The Council **links the work** of educational programs, schools, and institutions from secondary through postsecondary education and training and through careers.
2. The Council must **connect the work** of the superintendent of public instruction, the state board of education, the professional educator standards board, the state board for community and technical colleges, the workforce training and education coordinating board, and the four-year institutions of higher education, as well as the independent schools and colleges.

Council goals in pursuit of the mission:

Goal Three:

Drawing on the staff expertise of the Council and other state, national, and international analysis and research assets, the council must also take a leading role in **facilitating educational attainment analysis and research** leading to increased educational attainment and education system development.

Moving Forward

When the **legislature is able (funding) to support the need ...**

Constituents seek access ,affordability, and quality.

When the **economy offers a pathway...**

Improving economy supports increased investment.

When **higher education goals align with state interests...**

Higher education goals complement state goals and priorities.

When the **vision is compelling...**

Education is an investment in our future.

When **social justice issues foster increased opportunities...**

All citizens have an opportunity to a quality education.

Governor Jay Inslee
