

# WASHINGTON STEM SUMMIT DRAFT AGENDA

Date: November 28, 2017 | Location: Microsoft Conference Center

Our annual Summit brings together state and national STEM (science, technology, engineering, and math) thought-leaders, innovators, and champions who are united by a passion to advance excellence, innovation, and equity in STEM education.

## STEM SUMMIT GOALS

- High impact showpiece event that demonstrates power of community, business, government, and education coming together to make a positive impact on STEM education
- Celebrate successes in STEM education; Inspire and reinvigorate for work over the year to come
- Focus on equity in STEM education
