Greetings Financial Aid Colleagues,

**2022-2023 Satisfactory Academic Progress**

We have had several inquiries recently and wanted to ensure you are all aware that the standard state academic progress policy requirements resume for the 2022-23 award year. For specific requirements, please refer to Chapter 3 of the 2022-23 WCG/CBS Program Manual which can be located here:

[https://wsac.wa.gov/sites/default/files/2022-23\\_WCGandCBS\\_ProgramManual.pdf](https://wsac.wa.gov/sites/default/files/2022-23_WCGandCBS_ProgramManual.pdf)

**2021-22 Colleges that requested and received written approval regarding the SAP waiver for exclusion of non-completed credits**

For the small number of colleges that requested and were approved (officially notified in writing from our office) to invoke the SAP waiver during the COVID-19 pandemic, this is a reminder that the waiver was to allow you to exclude non-completed credits while assessing the required quarterly monitoring of academic progress. All waivers expired with the conclusion of the 2021-22 award year (which included Summer 2 for a few colleges.) For those of you who received and were approved\* to invoke the waiver to exclude non-completed credits, **you may continue to exclude those prior non-completed credits as attempted as you continue forward.** However, a reminder that the quarters of eligibility usage for WCG/CBS are not restored, leaving students with fewer quarters of eligibility remaining.

\* There were 11 colleges that requested and were approved to invoke the waiver and 1 college that inquired but never submitted the requested information. Of the 11 colleges, 7 were for the entire 2021-22 award year and 4 requested waivers thru December 2021 only.

As always, we are grateful for your continued partnership in this work. If you have any questions, please do not hesitate to contact our office.
