About the Washington Student Achievement Council (WSAC)

The Washington Student Achievement Council is committed to increasing educational opportunities and attainment in Washington. The council has three main functions:

1. Lead statewide strategic planning to increase educational attainment.
2. Administer programs that help people access and pay for college.

3. Advocate for the economic, social and civic benefits of higher education.

The council has [nine members](#). Four members represent each of Washington's major education sectors: four-year public baccalaureates, four-year private colleges, public community and technical colleges and K-12 public schools. Five are citizen members, including one current student.
