# Residency affidavit requirements (e)

By the time they begin college, students must:

**Through 7/24**

Live in WA for 3 years immediately before earning diploma/equivalent and then continuously after

**7/25 and after**

Earn a HS diploma, GED or equivalent from anywhere in the US

# Implementing new law (SB 5194)

## Does this apply to summer term?

- Residency decisions must be made 30 calendar days into the term, so if 7/25 lands within the 30<sup>th</sup> day of your summer term, it would apply.

## Can continuing students qualify?

- Continuing nonresident students may qualify if they lived in WA for one year prior to their first term.

# Residency affidavit

Students should only submit once

- WASFA-filers use WASFA
- FAFSA-filers use paper affidavit

Residency officers need WASFA “residency report” to know which WASFA-filers meet residency affidavit requirements

No additional documentation required unless conflicting info

# WASFA filers who don't meet residency affidavit

## Must have qualifying immigration status:

- DACA (current or expired)
- Employment Authorization Document (work permit)
- U visa
- Permanently Residing Under the Color of Law

- Same residency process as US citizens
- All 25+ ways are available (only (a)-(e) meet residency requirements for WCG/CBS)

# Takeaways

Many undocumented and other non-citizen students can meet residency requirements for tuition and state aid

Most WASFA filers will meet residency requirements through the residency affidavit

It will be easier to meet residency affidavit requirements starting 7/25/21

Only students who file the FAFSA should use the paper affidavit – everyone else should use WASFA

Residency is determined by your school's residency officer. If you see conflicting information, check in with them!

# Washington Application for State Financial Aid (WASFA)

## What is the Washington Application for State Financial Aid (WASFA)?

- The WASFA is for students who don't qualify for Federal financial aid because of:
  - Immigration status/undocumented
  - Defaulted federal loans
  - Repayments owed on federal grants
  - Unable to provide selective service confirmation
  - U.S. citizen with undocumented parents/family members who do not wish to file a FAFSA
- Colleges may use the WASFA to determine eligibility for state and institutional need-based aid.

# Washington Application for State Financial Aid (WASFA)

- Like the FAFSA, students complete a new application each year.
- Available beginning October 1 of each year.
- Students access the WASFA at:  
<http://wsac.wa.gov/wasfa>

***WSAC is committed to protecting the confidentiality of the information and privacy of students and families.***

# WASFA Data and Privacy

- Data collected on the WASFA can only be used for the sole purpose of determining eligibility for state financial aid programs.
- The privacy statement for applicants can be found on the WASFA registration page.

## WASFA Privacy Statement

*The Washington Student Achievement Council (WSAC) administers state financial aid including the Washington College Grant (formerly known as the State Need Grant), the College Bound Scholarship, and the Washington Application for State Financial Aid, or WASFA, for undocumented individuals. The Council is committed to providing opportunities and support to ensure every Washington student is able to pursue education beyond high school.*

*Regarding concerns that students, parents, and other partners may have about the confidentiality of information submitted on the WASFA, the purpose of the application is to provide eligibility information to colleges and universities in Washington that offer the Washington College Grant (formerly known as the State Need Grant) and the College Bound Scholarship. WSAC shares application information with campuses listed by the student so those schools may determine eligibility for resident tuition and financial aid. Campuses are not permitted to use the information for other purposes or share the data with other parties.*

*WSAC is committed to protecting the confidentiality of the information and privacy of students and families. Washington is a state committed to providing opportunities to students and protecting the rights of families.*

# AWARDING GUIDANCE

## Funding for students who complete a WASFA

- All students who meet eligibility and have need must be awarded Washington College Grant (WCG).
- College Bound Scholarship (CBS) scholars, who complete a WASFA and meet eligibility, must be awarded CBS.

## WASFA runs parallel to the FAFSA

- To ensure “Equitable Opportunity,” students who apply using the WASFA must be given the same consideration as students filing the FAFSA.
  - Award utilizing the same process.

# WASFA Guidance

- Students applying using a WASFA are to be verified in a similar manner to students applying with the FAFSA.
  - If you find conflicting information, you will need to verify with the student.
  - Unlike the FAFSA, there is no automatic verification process.
- Also (unlike the FAFSA) students filing the WASFA are not required to file tax returns.
  - Evaluate the same as you would non-tax filers.

# WASFA Guidance

- Financial aid staff determine if students meet the eligibility requirements for WCG, CBS, and PTC.
  - High school graduation/GPA, Median Family Income (MFI), Quarters of Eligibility (QER), etc.
- College Residency Officers determine student residency status.
  - Residency Officers may obtain the “residency report” from their FAO to get the WASFA residency affidavit information.
  - Financial aid staff should work directly with their Residency Officers if conflicting information is found.

# WASFA Guidance

- Affidavit is part of the WASFA and campus coordination is necessary.
- Residency information is available in the WSAC portal with the option to download CSV. File.
- Will review how to identify students who may be affected by the 2021-22 residency changes in the next section.

# WASFA INTERFACE

# Accessing Student WASFA

- Financial aid staff use the WASFA interface in the [WSAC Portal](#) to access your institution's WASFA applicants.
  - Contact your institutional administrator if you need WASFA permissions.
    - **NEW** permissions group specifically for WASFA corrections.
  - Applicant information is available in the WSAC portal the day after student submits WASFA.
  - You will only be able to see a student's WASFA if they added your school.
