

# WCG for Apprenticeship

## Earn Money While You Learn.

In an apprenticeship, you can get paid to work and use financial aid to cover out-of-pocket costs. The new **Washington College Grant for Apprenticeship** (WCG-A) provides funding for qualified apprentices in a variety of programs in Washington.

**WCG-A is available to people of all ages. Even apprentices from middle-class families can qualify.**

WCG-Apprenticeship provides:

- Money for tuition and fees, books and supplies, necessary equipment and tools.
- Guaranteed funding to eligible apprentices.

Ask your apprenticeship program sponsor if they are approved to participate in WCG for Apprenticeship. Visit the program website below for a list of current sponsors.
