TIPS FOR USING THIS MANUAL

Search

- To search the manual press “Ctrl+F” on your keyboard, then type in the word, topic, or section number (ex 1.4). You will be directed to all occurrences located within the manual.
- This is a printable PDF document, but using it as an electronic document makes it more interactive because there are hyperlinks to many web resources.
- Sections headings in the Table of Contents are hyperlinked to the corresponding section in the body of the manual.

Location and Updates

- [This manual is posted online](#). To navigate through the WSAC site: click on the administration tab at the top of the home page, then find the Financial Aid Administration column and click on the FAA resources link. Links to the Portal and Unit Record Report are also found here.
- This manual is produced annually, with updates posted online during the academic year. The entire manual will be reposted if updated. If you are using a printed version, please check the cover for the “last updated” date. You should also receive an email with a description of what has been updated. A list of all updates can be found after the Table of Contents.
- [Section 8.3 Examples of Program Forms](#) will link to current electronic versions of the forms. Please use linked documents, not examples found in this document.
- The Workforce Education Investment Act (HB 2158) replaces the State Need Grant with the Washington College Grant. This manual uses the new name in combination with State Need Grant, for example, “the Washington College Grant (previously the State Need Grant),” or “WCG (previously SNG).”

Information for Applicants, Participants, and Community Members

- The Passport to Careers Guide website (www.wsac.wa.gov/passport/guide) has program information written for participants and community members. Please refer applicants to this website.
- There are also many web resources included on this website that both applicants and financial aid staff may find useful.

1. General Program Information

1.1 History and expansion

The Passport to College Promise Scholarship pilot program was created by the state of Washington in 2007 to help students from foster care attend and succeed in college. The program was made permanent in the 2012 Legislative Session. The 2018 Legislature expanded the program ([RCW 28B.117](#)) to help more Washington students, who have been in various types of foster care or experienced unaccompanied homelessness, to prepare for careers.

The expanded program is now called the Passport to Careers program, with two programmatic pathways:

- **College Promise Scholarship pathway** that provides college promise scholarships for degrees and certificates, as well as campus-based registered apprenticeships and recognized pre-apprenticeships that are eligible for state financial aid. Support services are also available.
- **Apprenticeship Opportunity Program pathway** that provides funding and support services for registered apprenticeships and recognized pre-apprenticeship programs that are not associated with a campus, or are on a campus but are not eligible for state financial aid.

1.2 Program Intent

The purpose of Passport to Careers is to:

- Encourage current and former foster care youth and unaccompanied homeless youth to prepare for, enroll in, and successfully complete higher education or a registered apprenticeship or pre-apprenticeship program.
- Improve the high school graduation outcomes of former foster youth and unaccompanied youth experiencing homelessness through coordinated P-20 and child welfare outreach, intervention, and planning.
- Improve postsecondary outcomes by providing current and former foster youth and unaccompanied youth who have experienced homelessness with the educational planning, information, institutional support, and direct financial resources necessary for them to succeed in either higher education or a registered apprenticeship or pre-apprenticeship program.

The primary benefits of the program are:

- Financial assistance beyond other state, federal, private, and institutional funds for which they are eligible, in order to help them succeed in higher education, a registered apprenticeship program, or a recognized pre-apprenticeship program.
- Incentive funding to postsecondary institutions that designate campus support staff and take other steps to recruit and retain eligible former foster youth and unaccompanied homeless youth.

Washington Student Achievement Council (WSAC) manages the Passport to Careers program. Additional student eligibility verification, intervention, and retention services are provided in agreements and contracts with:

- State social service agencies and tribal social services offices to determine student eligibility.
- College Success Foundation for support services that will be determined by fall 2019. An update to this manual will be sent that will include these services.
- ANEW for the Apprenticeship Opportunities Program administration of funding and support services for registered apprenticeships and recognized pre-apprenticeship programs that are not associated with a campus, or are on a campus but are not eligible for state financial aid.
- Various social service agencies for the Supplemental Education and Transition Program (SETuP) to provide support to students in foster care from ages 13 through 21 and to unaccompanied homeless youth. SETuP providers can serve these students who are participating in the Passport to Careers program for one year after high school graduation.

1.3 Passport to Careers – College Promise Scholarship Pathway

- Funds students in eligible campus-based degree, certificate, registered apprenticeship, and recognized pre-apprenticeship programs that are eligible for state financial aid.
- The campus (institution of higher education) must have a current participation agreement with WSAC.
- Provide eligible students enrolled in a qualifying program a scholarship that helps with the cost of earning a college certificate or degree (tuition, fees, books, housing, transportation, and some personal expenses), support services from college staff, and priority consideration for the Washington College Grant (previously the State Need Grant) and Washington State Work Study programs.
- This pathway is a comprehensive program providing support to students from high school through higher education completion.

Former Foster Youth		Unaccompanied Homeless Youth	
Age in foster care	Former foster youth applying after July 1, 2019 must have been in care after age 14. Those applying after July 1, 2020, must have been in care after age 13.	Age when experiencing unaccompanied homelessness	An unaccompanied youth must be verified as experiencing homelessness on or after July 1 of the prior academic year, before age 21.
How the youth's eligibility is determined	<p>* Former Foster Youth are identified in the WSAC Portal for financial aid offices.</p> <p>* State foster programs, including dependents under the Interstate Compact on the Placement of Children (ICPC), administered by DCYF with eligibility shared via a data-sharing agreement.</p> <p>* Federal Unaccompanied Refugee Minors Program administered by DSHS with eligibility shared via a data-sharing agreement.</p> <p>* Tribal Foster Care System is determined by campus staff or one of the 29 federally recognized tribes in Washington State who then notify WSAC staff for entry into the WSAC portal for financial aid offices. Verification may be provided by submitting a copy of the tribal court document, a letter from the participant's school counselor, foster parent, or tribal representative.</p>	How the youth's eligibility is determined	<p>* Unaccompanied Homeless Youth are identified on the FAFSA or WASFA or by self-identification.</p> <p>* Financial Aid Administrator follows FAFSA procedures and overrides dependency status to "Independent."</p> <p>* If FAA cannot make a dependency determination using their standard process for students indicating Unaccompanied Homeless Youth on the FAFSA or WASFA, the participant will provide information on the "Passport to Careers Student Housing Questionnaire" to WSAC.</p>

<p align="center">Quick Look Chart – Passport to College Promise Scholarship Pathway <i>Administrative guidance for certificate programs, degree programs, apprenticeships and pre-apprenticeships that are campus-based and eligible for state financial aid.</i></p>	
Residency requirements	In general, the applicant must have resided in Washington State for other than educational purposes for one year prior to attending college, graduated from a Washington high school, or earned a GED in Washington. If unable to establish residency because of homelessness or placement in out-of-state foster care under the interstate compact for the placement of children, refer the applicant to WSAC for verification. Specific information regarding tuition residency requirements can be found on WSAC's website. For detailed definitions go to RCW 28B.15.012(2) .
Enrollment status	<p>The student must be enrolled at least half time in an educational program that does one of the following:</p> <ul style="list-style-type: none"> a. Leads to a baccalaureate, associate, or undergraduate professional degree. b. Leads to a postsecondary vocational certificate or degree in a program of at least 600 clock hours, 16 semesters, or 24 quarter credit hours. Program completion must prepare the student for gainful employment in a recognized occupation. c. The program must be approved for Washington state financial aid and have a current participation agreement with WSAC. <p>Note: If the apprenticeship or pre-apprenticeship program on campus is not eligible for the Passport to College Scholarship program, refer the student to ANEW, the WSAC contractor for the Apprenticeship Opportunities Pathway.</p> <p>Students must enroll before their 22nd birthday. An eligible student may receive Passport to College Promise Scholarship for a maximum of five years after the student first enrolls with an institution of higher education, or through age 26, whichever occurs first. If a student turns 26 during an academic year, and would otherwise be eligible for a scholarship under this section, the student shall continue to be eligible for the scholarship for the remainder of the academic year.</p>
SAP	Student is making satisfactory academic progress toward the completion of a degree, certificate program, registered apprenticeship, or recognized pre-apprenticeship, if receiving supplemental scholarship assistance.
Degree criteria	Student has not earned a bachelor's or professional degree, and is not pursuing a degree in theology.
Fund disbursement to participant	<ul style="list-style-type: none"> • Postsecondary institution must be eligible to participate in state financial aid programs. • Program must be a registered apprenticeship or recognized pre-apprenticeship. • Eligibility determined by Financial Aid Administrator by FAFSA/WASFA application, WSAC Consent Form, or Institution Common Application. • Participant may not receive concurrent funding from the Passport to College Promise Scholarship and the Apprenticeship Opportunities pathways. • Funds are disbursed to participant from the financial aid office by requesting funds via WSAC portal process.
Support services for participant	<ul style="list-style-type: none"> • Optional Campus Viable Plan with Designated Support Staff. • College Success Foundation for contracted support services (TBD). • SETuP Providers who can assist participants for one year after high school graduation. • WSAC Passport staff, campus financial aid staff.

1.4 Passport to Careers - Apprenticeship Opportunities Pathway

This pathway has two options for providing access to registered apprenticeships and recognized pre-apprenticeships. Both will help with costs for eligible apprenticeship or pre-apprenticeship programs, which may include tuition for classes, fees, work clothes, rain gear, boots, and occupation-related tools. Participants will also receive support services.

Option 1: If participants are enrolled in an eligible certificate or degree apprenticeship or pre-apprenticeship program at a community or technical college that participates in state financial aid, they will receive Passport to Careers funds from the campus financial aid office and support services from campus staff or Passport to Careers designated support staff on participating campuses.

An eligible program is one at a location approved by the U.S. Department of Education for participation in the Title IV financial aid programs. The student must be enrolled in an educational program that does one of the following:

- Leads to a baccalaureate, associate, or undergraduate professional degree.
- Leads to a postsecondary vocational certificate or degree in a program of at least 600 clock hours, 16 semesters, or 24 quarter credit hours. Program completion must prepare the student for gainful employment in a recognized occupation.

Option 2: This pathway is administered by the WSAC contractor, [ANEW](#), which will administer funding and services for participants in an apprenticeship or pre-apprenticeship that is offered by a trade or community organization, or that is campus-based but not eligible for state financial aid.

1.4.1 Quick Look Chart – Apprenticeship Options

2. Eligibility Determination

2.1 Eligibility Changes and Expansion Timeline

The expansion occurs over a three-year period. Beginning in 2018-19, students who were under the care of the state, tribal, or federal foster care systems or the jurisdiction of the interstate compact on the placement of the children became eligible.

Beginning in July 2019, verified unaccompanied homeless youth, or young adults who have experienced homelessness, also became eligible. At the same time, the age for eligibility determination for foster youth status is changing each year during the three-year period, and will be more in alignment with the age requirements used by the U.S. Department of Education on the Free Application for Federal Student Aid (FAFSA).

2.1.1 Quick Look Chart – Eligibility

Eligibility Changes	Eligibility ending June 2018	Eligibility Starting July 2018	Eligibility Starting July 2019	Eligibility Starting July 2020
Education/ Training	Postsecondary enrollment at an eligible college	Attending an eligible college, or pre-apprenticeship or apprenticeship program.		
Program Name	Passport to College Promise	Passport to Careers - includes Passport to College Promise Scholarship and Passport to Apprenticeship Opportunities.		
Foster care	Dependent of Washington State	In state, tribal or federal foster care systems in Washington state.		
Time in care	Spent one year in care after age 16 and in care at age 17.5	In foster care after age 15.	In foster care after age 14.	In foster care after age 13.
Unaccompanied Homeless	Not Eligible		Verification of unaccompanied homeless event during prior academic year, before age 21.	
Residency	In general, the student resided in Washington for other than educational purposes for one year prior to attending college, graduated from a Washington high school, or earned a GED in Washington.		Also includes homelessness or out-of-state foster care under the interstate compact as verified by WSAC.	

2.2 Former Foster Youth Eligibility Criteria

Eligibility for the Passport program includes:

- 1. Timeline:** If youth apply after July 1, 2019, they must have been in care after age 14. If they apply after July 1, 2020, they must have been in care after age 13.
- 2. Definition of Foster Care:** Have been in the care of tribal, federal, or Washington State foster care, or the jurisdiction of the [interstate compact on the placement of children \(ICPC\)](#).
- 3. Residency:** Be a resident of Washington State. In general, the applicant must have resided in Washington State for other than educational purposes for one year prior to attending college, graduated from a Washington high school, or earned a GED in Washington. If unable to establish residency because of homelessness or placement in out-of-state foster care under the interstate compact for the placement of children, refer the applicant to WSAC who will provide verification. [Specific information regarding tuition residency requirements](#) is available on the WSAC website. For detailed definitions go to [RCW 28B.15.012\(2\)](#).
- 4. Enrollment:** Enroll at least half-time in an eligible institution of higher education or a pre-apprenticeship or apprenticeship in Washington before their 22nd birthday.
- 5. Eligible Degrees:** Be working toward earning their first bachelor's degree, and not be pursuing a degree in theology.

In order to be considered for the scholarship, students must submit **one** of the following:

- Passport to Careers [Consent Form](#)
- Common Application for Foster Youth, available online at independence.wa.gov/.
- Free Application for Federal Student Aid ([FAFSA](#)) or [Washington Application for State Financial Aid \(WASFA\)](#).

By submitting the form(s), students consent to the sharing of information between the Department of Children, Youth & Families (DCYF), Washington's federally recognized tribes, Washington Department of Social and Health Services (DSHS), ANEW, WSAC, SETuP providers, and participating institutions of higher education for the processing of financial aid and for support services on campus.

WSAC Passport to Careers program staff will send students a letter notifying them of their Passport eligibility status.

2.3 Documentation of Foster Care Status for Financial Aid Purposes

A student's eligibility is determined by DCYF/DSHS and documented on the [WSAC Portal](#). Systems will be developed for identifying and including tribal foster youth.

For instructions on accessing the Eligibility Checker, refer to page 39. Information provided about Passport students through the Eligibility Checker on WSAC's Portal should be used as documentation of a student's foster care status.

The Portal information also can be used to determine priority funding for the Washington College Grant (previously the State Need Grant) and State Work Study programs. Priority funding is intended for those students who were not identified during packaging because they enrolled later in the year. It is not meant as a supplemental allocation for foster youth at an institution.

2.4 Unaccompanied Homeless Youth Eligibility Criteria

Beginning in the 2019-20 academic year, Passport to College is expanded to unaccompanied homeless youth. The applicant must have been an unaccompanied homeless youth during the prior year (2018-19 academic year) and must apply for Passport after July 1, 2019.

- 1. Timeline:** The Passport program law says that the youth must have experienced unaccompanied homelessness on or after July 1 in the year prior to their postsecondary enrollment or apprenticeship participation.
- 2. Definition of an Unaccompanied Homeless Youth:** "Unaccompanied" means a youth or young adult experiencing homelessness while not in the physical custody of a parent or guardian and lacking a fixed, regular, and adequate nighttime residence.
- 3. Determining Unaccompanied Homeless Youth Status:** For most cases, WSAC will rely on the financial aid office to determine Passport eligibility when the student has indicated their status on the FAFSA or WASFA. This does not deviate from past and current financial aid practices for determining a student's independent status for unaccompanied homeless youth. (The National Center for Homeless Education provides [a tool for Financial Aid Administrators](#) regarding making unaccompanied homeless youth determinations.)
- 4. Residency:** Be a resident of Washington State. In general, the applicant must have resided in Washington State for other than educational purposes for one year prior to attending college, graduated from a Washington high school, or earned a GED in Washington. [Specific information regarding tuition residency requirements](#) is available on the WSAC website. For detailed definitions go to [RCW 28B.15.012\(2\)](#).
- 5. Enrollment:** Enroll at least half-time in an eligible institution of higher education or a pre-apprenticeship or apprenticeship in Washington before their 22nd birthday.

- 6. Eligible Degrees:** Be working toward earning their first bachelor's degree, and not be pursuing a degree in theology.

Note: In the rare circumstance the financial aid office is unable to determine a student's Passport to Careers program status, institutions should refer the student to WSAC. A *Participant Housing Questionnaire* form will be provided to the student, and WSAC will determine Passport program eligibility.

- 7. Award Amounts:** Although award amounts could increase in 2019-20, at this time financial aid administrators should estimate awards based on current award values. No funds may be disbursed to unaccompanied homeless youth before July 1, 2019.
- 8. Incentive Grants:** Those institutions who have signed Passport addendums and submitted a viable plan to WSAC are eligible for incentive grant payments that include serving unaccompanied homeless youth.

2.5 Passport to College Promise Scholarship Processing

Financial aid administrators must access the [WSAC Portal](#) to confirm student eligibility and enter awards. The Portal is a web-based tool used by WSAC, institutions, and DSHS to determine student eligibility and to post awards. It is also a medium for communication.

2.6 Passport to College Promise Scholarship Requirements

Students meeting the initial eligibility for Passport must complete a FAFSA or WASFA annually and have documented financial need; however, they do not have to reapply to the program every year.¹

Once enrolled at least half-time, as defined by the institution, Passport students must maintain Satisfactory Academic Progress (SAP) per their school's state SAP policy to receive scholarship payments (see detailed information in Chapter 3).

Students must enroll in an eligible college before their 22nd birthday. An eligible student may receive Passport to College Promise Scholarship for a maximum of five years after the student first enrolls with an institution of higher education, or until the student turns age 26, whichever occurs first. If a student turns age 26 during an academic year, and would otherwise be eligible for a scholarship under this section, the student shall continue to be eligible for the scholarship for the remainder of the academic year.

Note: The Passport to Apprenticeship Opportunities program has a maximum of six years after first enrolling with a registered apprenticeship or recognized pre-apprenticeship, or until the applicant turns age 26, whichever occurs first.

¹ The WASFA exists for students who meet Washington residency requirements, want to be considered for state financial aid, and are unable to file a FAFSA due to their immigration status. It is also permissible to file a WASFA based on the personal choice to only apply for state aid, although this is not encouraged.

Eligibility Area	Passport
Washington Residence Status	Yes. Undocumented students may also be eligible
Submit an Approved Application	FAFSA or WASFA, and Passport Consent Form
High School Graduation Required	High School graduation or equivalent such as GED®
Initial Enrollment Timeframe	Prior to 22nd birthday
Usage Timeframe	If enrolled by age 22, thru age 26
Is There a Family Income Limitation?	No. However, student must have financial need
Maximum Terms of Usage	15 quarters/10 semesters of full-time usage (not prorated for part-time)

2.7 Programs of Study

An eligible program is one at a location approved by the U.S. Department of Education for participation in the Title IV financial aid programs. The student must be enrolled in an educational program that does one of the following:

- Leads to a baccalaureate, associate, or undergraduate professional degree.
- Leads to a postsecondary vocational certificate or degree in a program of at least 600 clock hours, 16 semesters, or 24 quarter credit hours.

Program completion must prepare the student for gainful employment in a recognized occupation.

Note: It is permissible to count needed remedial coursework toward the Passport enrollment requirement. Remedial credits are not counted in determining an eligible program as outlined in [2.7 Programs of Study](#).

To recognize where a lack of college preparation exists, aid administrators may, for up to one academic year, consider awarding a Passport-eligible student for the scholarship based upon an institutionally documented educational pathway that leads to an eligible degree or certificate.

A documented educational pathway can include prerequisites that must be met before admission into a degree or certificate program, or a short-term course that connects to a degree or longer certificate program.

Because students participating in the **Running Start** program are non-matriculated, and are not charged full tuition, they are ineligible to receive Passport scholarship funds.

2.8 Theology Degree

Students pursuing a degree in theology are ineligible to receive state financial aid. Each institution must determine whether the student is pursuing this type of degree in light of Washington State Constitution, Article 1§11, that no “public money or property shall be appropriated for or applied to any religious worship, exercise or instruction.”

To apply this constitutional prohibition, the institution may look to Washington Supreme Court decisions that interpret the constitutional provision as prohibiting “that category of instruction that resembles worship and manifests a devotion to religion and religious principles in thought, feeling, belief, and conduct, i.e., instruction that is devotional in nature and designed to induce faith and belief in the student.”

3. Calculate Passport to College Promise Scholarship Awards, including eligible campus-based apprenticeships and pre-apprenticeships

3.1 Award Amounts

Passport to College Promise Scholarship awards are based on legislative appropriations. In the 2019-20 academic year, the maximum Passport scholarship is \$4,500. Students who attend summer quarter may receive an additional \$1,500 (\$2,250 for semester-based institutions), if funds are available.

Note: Passport to College Promise Scholarship awards are considered part of the state's commitment to eligible College Bound Scholars (CBS). More information about this commitment is provided in Chapter 2 of the [2019-20 Washington College Grant \(previously the State Need Grant\) and College Bound Scholarship Program Manual](#).

3.2 Financial Need

Passport to College Promise Scholarship award amounts are based on financial need and other financial aid previously awarded. These award amounts are not prorated for students attending half-time or three-quarter time.

Award amounts may be reduced if a student's remaining unmet financial need is less than a full award after considering other aid awarded.

If a student does not have any remaining financial need for the Passport to College Promise Scholarship because their need is met by other sources of aid, they will be classified as a \$0 Passport award and must be reported on the Portal. Institutions may still receive incentive payments for the recruitment and retention of these \$0 students.

3.3 Professional Judgment for Student Budgets

Aid administrators may, using professional judgment, adjust student budgets and resources up or down to more accurately reflect the student's actual cost of attendance and financial situation during the academic year. The aid administrator must maintain documentation of the reason for the variance in the student's file.

3.4 Age and Quarters of Eligibility Remaining (QER)

Students must enroll in an eligible college before their 22nd birthday. An eligible student may receive a Passport to College Promise Scholarship for a maximum of five years after the student first enrolls with an institution of higher education, or through age 26, whichever occurs first. If a student turns 26 during an academic year, and would otherwise be eligible for a scholarship under this section, the student shall continue to be eligible for the scholarship for the remainder of the academic year.

Note: The Passport to Apprenticeship Opportunities program has a maximum of six years after first enrolling with a registered apprenticeship or recognized pre-apprenticeship, or through age 26, whichever occurs first.

Students are eligible to receive the Passport to College Promise Scholarship for a maximum of fifteen quarters, or ten semesters, or the equivalent number combination of both quarters and semesters. Student awards are based on a regular academic year (three quarters or two semesters).

Students may be awarded for summer term in addition to the regular academic year, as funds remain available. Remaining QER (Quarters of Eligibility Remaining) can be viewed in the Portal in each student's award screen.

Recipients may utilize the Passport to College Promise Scholarship or Passport to Apprenticeship Opportunities at different times, but not concurrently. The total award an individual may receive in any combination of the programs shall not exceed the equivalent amount that would have been awarded for the individual to attend a public university for five years with the highest annual tuition and state-mandated fees in the state.

Note: Passport to College Promise Scholarship payments are not prorated for part-time attendance. All term payments count as a full term of eligibility usage for determining remaining QER. Therefore, the calculation of QER for Passport to College Promise Scholarship students is done differently than the determination of QER for WCG (previously SNG) or CBS students who are enrolled during a term as part-time students.

3.5 Passport to College Promise Scholarship Self-Help Requirement

With the passing of legislation in 2018, the self-help requirement was eliminated.

3.6 Order of Awards

If a student is eligible for multiple financial aid programs, and the aid administrator is aware of the source at the time of packaging, administrators should package their aid in the following order:

- Federal Pell Grant
- Washington College Grant (previously the State Need Grant)
- Passport to College Promise Scholarship
- Other state aid
- College Bound Scholarship
- Education and Training Voucher (ETV) federally funded and administered by Children's Administration

3.7 Passport to College Promise Scholarship Financial Need

If a Passport to College Promise Scholarship recipient's remaining financial need is less than the maximum award, the scholarship may be reduced to fit the student's remaining need. At lower-cost institutions, it is common for a Passport to College Promise Scholarship recipient to have their College Bound scholarship commitment met with the WCG (previously SNG) and Passport to College Promise Scholarship award.

3.8 Packaging

Passport to College Promise Scholarships are based on legislative appropriations, and combine with other state, federal, private, and institutional financial aid to provide sufficient resources to cover all of the student’s educational and living expenses.

The Passport to College Promise Scholarship is designed to ensure the student’s financial need is met, and to reduce reliance on student loans, whenever possible.

As most Passport to College Promise Scholarship recipients also will receive funding from the Washington College Grant (previously the State Need Grant) program, and some from the College Bound Scholarship (CBS) program, we recommend that financial aid administrators be very familiar with the program rules of both WCG (previously SNG) and the CBS. Information on these programs is provided in the [2019-20 Washington College Grant \(previously the State Need Grant\) and College Bound Scholarship Program Manual](#).

Packaging Examples:

See the [2019-20 Washington College Grant \(previously the State Need Grant\) and College Bound Scholarship Program Manual](#) for more information.

-
- Student’s financial need is met by grants and scholarships, if
 - Passport to College Promise Scholarship award is reduced to fit within financial need

COA	\$21,000		Pell Grant	\$5,775
-EFC	-\$1,000		Governors’	\$3,000
NEED	\$20,000		WCG (prev. SNG)	\$7,600
			Passport	\$3,625
			TOTAL FA:	\$20,000

-
- Student’s financial need is met by grants and scholarships, if
 - As the student’s financial need is fully met by other aid, the Passport award is \$0 (but reported in WSAC Payment system)
 - Institution may still receive Incentive Grant funding

COA	\$15,000		Pell Grant	\$5,775
-EFC	-\$1,000		Governors’	\$3,000
NEED	\$14,000		WCG (prev. SNG)	\$5,225
			Passport	\$0
			TOTAL FA:	\$14,000

In this circumstance, administrators should enter the student into the Portal as a “zero award” to document the student’s attendance and to ensure receipt of the Passport Viable Plan Institutional Incentive Grant for the individualized support of the student.

-
- Student is an eligible College Bound Scholar (CBS)
 - Typically students who are Passport to College Promise Scholarship and CBS eligible have their CBS state aid commitment met by WCG (previously SNG) and Passport to College Promise Scholarship awards.
 - Assuming a maximum CBS eligibility of \$8,100 in the example below, the CBS commitment is met with WCG (previously SNG, at \$7,600) and Passport to College Promise Scholarship (\$4,500), because the student is an eligible CBS student. The student is able in this case to receive the maximum WCG (previously SNG) and Passport to College Promise Scholarship totaling \$12,100, but cannot receive additional CBS funding.

COA	\$21,000	Pell Grant	\$5,775
- EFC	-\$1,000	WCG (prev. SNG)	\$7,600
NEED		Passport	\$4,500
	\$20,000	Inst. Scholarship	\$2,125
		College Bound	\$0
		TOTAL FA:	\$20,000

4. Determine Satisfactory Academic Progress (SAP) Requirement

Institutions are responsible for monitoring each recipient's **Satisfactory Academic Progress (SAP)**, according to the institution's WSAC-approved institutional SAP policy.

There are differences between state and federal SAP requirements, including:

- A required **per term** SAP review for state aid.
- A quantitative standard requiring that at least one-half of the credits enrolled for which the aid was calculated and disbursed each term are earned, as compared to the federal "pace" requirement.

At the end of each term, participating institutions shall examine the progress of each state aid recipient and determine which of the following applies to the student:

- Is meeting Satisfactory Academic Progress.
- Is to be placed in **Warning Status** and may be continued on state aid.
- Is to be placed in **Unsatisfactory or Denied Status** and therefore ineligible for state aid until the student meets the conditions of the institution's reinstatement policy.

4.1 Quantitative Standard for Students in Quarter and Semester Credit Programs

To meet minimum satisfactory academic progress standards, a student must successfully complete at least one-half (50%) of the original minimum number of credits for which the aid was calculated and disbursed.

The minimum number of credits for full-time enrollment is 12 credits per term for institutions that base their enrollment on a credit system. For these institutions, 12 credits is considered the amount for which aid was calculated and disbursed, even if the student enrolled for more than 12 credits.

The minimum number of credits standard for enrolled students, whose aid was calculated and disbursed as less than full-time students, is:

- Three-quarter time enrollment – 9 credits
- Half-time enrollment – 6 credits
- Less than half-time enrollment – 3 credits (*Only applies to WCG (previously SNG) and CBS programs*)

4.2 Successful Completion of Credits

Coursework that counts toward successful completion of program or degree completion typically includes letter grades of A–D and Pass. Grades received of F, E, Fail, Withdraw, and Incomplete do not count as successfully completed credits.

4.3 Warning Status

Warning Status for state aid recipients is triggered when a student successfully completes 50 percent or more—but less than all—of the credits for which the aid was calculated and disbursed.²

- For a full-time student at 12 credits, this means that if the student successfully completes at least 6 but less than 12 credits, the student is to be placed in a warning status for the following term.
- For a three-quarter time student at 9 credits, the student must successfully complete at least 4.5 but less than 9 credits to be placed on warning status
- For a half-time student at 6 credits, the student must successfully complete at least 3 but less than 6 credits to be placed on warning status.
- For a less than half-time student at 3 credits, the student must successfully complete at least 1.5 but less than 3 credits to be placed on warning status.

In addition, WSAC expects institutions to have rigorous policies for measuring academic progress that limit the number of terms a student can continue to receive state aid while in warning status. The institution may make disbursements to a student, and continue awarding Passport to Careers to a student who is in warning status.

4.4 Denied Status

Denied Status means that the student successfully completed less than one-half of the minimum number of credits for which aid was calculated and disbursed. This status also may be given to a student who has remained in warning status for more terms than the institution's policies allow.

Each institution's policy must deny further disbursements of state grant aid beyond the conclusion of any term in which:

1. The student fails to successfully complete at least 50 percent of the minimum number of credits for which the aid was calculated and disbursed; or
2. The student has reached the maximum number of terms allowed on warning status.

4.5 Quantitative Standard for Students in Clock Hour Programs

Students enrolled in Clock Hour programs must enroll as full-time students and complete 300 hours for each term to meet the quantitative standard before being eligible for the next term disbursement.

Since all hours from the previous payment period must be earned before making additional payments, there is no routinely recognized warning status for clock-hour students; however, a school may petition WSAC to allow a warning status.

² To avoid confusion with the federal definition of “probation,” the term “warning” is used for state aid administration.

4.6 Qualitative Standard

The institution's satisfactory academic progress (SAP) policy must contain a qualitative standard. For purposes of state aid programs, the qualitative standard used to comply with federal satisfactory academic progress standards is acceptable.

4.7 Other Conditions of SAP Policy

The value of any retroactive financial aid payments shall be based on the student's rate of satisfactorily completed credits, determined by institution policy, at the end of the term. See [Chapter 2](#) for more information regarding retroactive payments.

A student may be denied further state aid disbursements or awards if the student fails to fulfill any other conditions of the institution's WSAC-approved satisfactory academic progress policy.

4.8 Professional Judgment/Appeals

The Financial Aid Administrator (FAA) may, on a case-by-case basis, reinstate a student into satisfactory academic progress in response to that student's extenuating circumstances. The FAA may choose to exercise professional judgment without a specific request to do so from the student. For example, the FAA may decide to grant a student continued access to state aid if failure in one term is countered by an extensive history of prior success. The student's file must include documentation related to the professional judgment decision.

4.9 Reinstatement

Each institution's SAP policy shall state which conditions a denied status student must meet before state aid will be reinstated. For example, the student may have to attend the institution without state financial aid for a specific period of time, or may have to show proof that credits have been made up within a designated time period.

4.10 Notifying Students of SAP Policies

Institutions must make information available to state aid recipients of the state SAP policies that impact students' ability to continue receiving state aid for future terms. This must include information about how state SAP is determined at the institution, information about how Warning Status and Denied Status are determined, and the institution's reinstatement policy of state aid should the student go into Denied status.

The available information must also include when SAP reviews will take place and how and when students will be notified in writing should their state aid status change to Warning, Denied, or Reinstatement.

This information may be included in institutional financial aid handbooks or other information made available to all students or all state aid recipients at each institution. It does not need to be sent individually to all state aid recipients.

5. Payments, Repayments, and Reporting Requirements

5.1 Retroactive Payments

Retroactive payments may be made to an eligible student as long as the payments are made for the current fiscal year and if funds remain available. The value of the retroactive payment shall be based on the student's rate of satisfactorily completed credits, determined by institution policy, at the end of the term. The student does not have to be enrolled at the time the retroactive payment is made.

5.2 Student Payments

After the institution's financial aid administrator identifies an eligible student and posts an award on the Portal, the institution should request the scholarship funds through CSAW on the WSAC Portal.

WSAC disburses scholarships as payment requests are submitted. Scholarship payments should be requested in a timely manner for the current quarter or semester. If an institution does not submit the payment request, and program funds are exhausted, WSAC may not be able to send a payment for the student.

5.3 Required Student Directive for Private Institutions

Private institutions must use WSAC's *Student Directive Form* to record a student's decision on where to apply their financial aid payment, which then applies to Passport to College Promise Scholarship, WCG (previously SNG), and CBS.

The student's financial aid payment can be deposited directly into a student's account or disbursed in the form of a check, based on their choice on the directive. For a copy of the student directive, see [Forms 8.3](#).

- Institutions must not coerce or influence the student's choice on where to apply their financial aid payment.
- The directive remains in effect for the duration of the student's continuous enrollment at the institution, excluding approved leaves of absence and summer terms. A new directive is required if the student is not continuously enrolled.
- Institutions must allow students to change their minds at any time, prior to disbursement, and follow their current directives at all times.
- Institutions must remind students once a year that their current directive is still in place and that they may change it.

5.4 State of Washington Conditions of Award Statement

Prior to disbursement, the institution must inform the state aid recipient of his or her responsibilities to the program through a *State of Washington Conditions of Award* statement. A copy of this statement is located in [Forms 8.3](#).

A student only needs to receive one statement that covers the following four state aid programs: Passport to College Promise Scholarship, Washington College Grant (previously State Need Grant), College Bound Scholarship, and State Work Study. The statement must be presented annually, and can be delivered to the student through paper or electronic means each year. The statement must be provided in its entirety and is not satisfied by providing a link to the document or by attaching a copy of the document.

The student does not need to sign the Conditions of Award, as long as the institution maintains documentation that the conditions were presented to the student each year.

5.5 Concurrent Enrollment

On occasion, students may choose to concurrently enroll in two institutions. Together, the institutions must determine which school will be considered the student's "home" school for financial aid awarding, monitoring eligibility, etc. The student's home institution is responsible for processing and disbursing Passport to College Promise Scholarship awards funds, and the student may only receive Passport to College Promise Scholarship funds at one institution at a time.

5.6 Scholarship Repayment

If a Passport to College Promise Scholarship recipient leaves school or reduces enrollment to less than half-time during an academic term in which he or she receives a scholarship, the student is required to repay Passport to College Promise Scholarship funds according to WSAC's repayment policy as defined for the Washington College Grant (previously the State Need Grant). The institution is responsible for notifying students that they are in repayment. Institutions shall refer repayment accounts to WSAC for collection when a student fails to make any repayment to the institution within 45 days of notification. Repayments of less than \$50 shall not be referred to WSAC.

For the full repayment policy, see chapter 5 of the [2019-20 Washington College Grant \(previously State need Grant\) & College Bound Program Manual](#).

5.7 Reporting

WSAC will request reports from institutions necessary for the administration and evaluation of the Passport to College Promise Scholarship program. In general, institutions will be expected to respond to report requests within thirty days.

Institutions are required to provide WSAC with a summary of incentive grant use. At the end of the academic year, WSAC will request reports from institutions on a pre-developed report template. Reports will address the institution's use of the incentive grant funds received, the amount of funds spent, and—if funds were not fully spent in the academic year—the planned use for the remaining balance. Per the *Passport to College Promise for Foster Youth Addendum* that participating institutions sign and submit to WSAC, institutions are encouraged to use incentive funds in the academic year they are received. However, if not all funds are used, the institution must provide a plan for future incentive grant use. Incentive funds received must be expended within two years of receipt.

6. Viable Plan Institutions - Incentive Grants

6.1 Purpose

The Passport to College Promise Scholarship program provides financial incentives for postsecondary institutions if they agree to have a *Viable Plan* for the enrollment and persistence of students from foster care and eligible unaccompanied homeless youth. The viable plan template was developed by the Passport Leadership Team and is based on known best practices. Institutions agree to participate by signing the *Passport to College Promise for Foster Youth Addendum* to the institutional participation agreement.

Incentive grants are provided to the institution for the recruitment and retention of students from foster care and unaccompanied homeless youth. Grants shall be used for individualized student support services which may include, but are not limited to, college and career advising, counseling, tutoring, costs incurred for students while school is not in session, personal expenses, health insurance, and emergency services.

6.2 Elements of a Viable Plan

Institutions must execute the *Viable Plan* elements below. Additional details can be found in [8.3 Forms](#), in the Passport addendum to the institutional participation agreement.

- a) **Viable Plan:** Agree to design and implement a *Viable Plan* to deliver specialized support services to promote and increase access, persistence, and completion of postsecondary education.
- b) **Identification:** Include on the institution's application for admission or registration materials a question asking a student to self-disclose whether they were in state, tribal, or federal foster care in Washington State.
- c) **Collecting Student Consents:** Collect student consent forms related to program eligibility.
- d) **Verifying Eligibility:** Verify student eligibility electronically through the [WSAC Portal](#).
- e) **Leadership Commitment:** Demonstrate commitment from a person in a leadership role for designated staff and activities.
- f) **Designated Campus Support Staff:** Role description available at [Washington Passport Network](#).
- g) **Designated Financial Aid Staff:** Role description available at [Washington Passport Network](#).
- h) **Connect with Social Services and Independent Living Providers.** Work with contracted social service providers to ensure Passport eligible students receive a full range of support services and other college preparation information.
- i) **Financial Aid.** Review each Passport to College Promise Scholarship student's individual budget to recognize the actual living expenses and tailor the financial aid package, to utilize all available resources to meet the student's full need and minimize reliance on loans.

- j) **Institutional Incentive Funding.** The institution's request for a Passport to College Promise Scholarship payment signifies satisfactory academic progress has been verified and the student is eligible for the ensuing term.
- k) **Education and Training.** To the extent practical, ensure the institution's leadership, financial aid staff, and designated support staff participate in training provided by WSAC or its partner organizations and representatives about the program and related student resources.

6.3 Incentive Grant Disbursements

The amount of the incentive grant payment is determined annually by WSAC, based on program appropriations, and is currently set at \$500 per quarter or \$750 per semester for each Passport to College Promise Scholarship student.

Disbursements will be made after institutions verify student enrollment. No additional action is needed by the institution to request incentive funds.

WSAC strongly encourages the institution to use incentive grant funds within the academic year in which they are received. However, in extenuating circumstances where incentive grants are not able to be fully spent within the academic year, funds may be rolled into the next year. In this case, the institution must provide a plan for future incentive grant use. Incentive funds received must be spent within two academic years of receipt.

Institutions are asked to complete an annual report demonstrating how Incentive Grant Funds were used to support eligible students. This report is sent to the Passport to College Promise Scholarship designated support staff person for completion and is due in August, prior to the beginning of the next academic year.

6.4 Incentive Grant Use

Passport to College Promise Scholarship [designated support staff](#) on campuses report the incentive funding has been invaluable to improve the coordination of services and involvement with community-based programs. Building a rapport with students early is essential and is especially helpful during a time of crisis.

If the student has a need that is considered education-related (defined by the institution) and is requesting additional support through incentive funds, the institution may increase the student's Cost of Attendance/budget to adjust the student's financial aid to include the additional incentive grant funds.

If the need is not education-related in nature (for example, a medical expense), the institution can provide the incentive funds to the student and notify the student that the funds will need to be reported as "other untaxed income" on their FAFSA for the base year in which it was received.

For example, a student receives non-education based incentive grant funds in 2018. When that student completes the FAFSA in 2020-21, based on the U.S. Department of Education's use of prior-prior year income for FAFSA filing, the student will use 2018 calendar year income for that application and report it then.

In the unusual circumstance that an incentive grant is used to enhance a student's financial aid award, the incentive grant must be reported as financial aid received by the student in the Unit Record Report (URR). For example, if the student received a \$4,500 Passport to College Promise Scholarship and a \$500 incentive grant payment to supplement their financial aid award, the institution should report that the student received a \$5,000 Passport to College Promise Scholarship on the URR.

Institutions report that incentive funding has allowed designated support staff to offer food with activities and provide resources that are unique to students from foster care. Some common uses of incentive funds are as follows:

Targeted Services

- Student programs, including campus visits and tours of four-year colleges
- Pre-enrollment, academic, personal, financial, and career services
- Special orientations and welcome functions
- Admission into TRiO services
- Financial planning seminars
- Designated computer lab and private study area for program participants
- Quarterly meetings and celebrations
- Opportunity for hands-on learning with a registered dietician

General Uses

- Emergency loan fund
- Wages for work study, mentors, graduate student assigned to work with Passport students
- Textbooks and a lending library
- Computers and assistance with technology needs
- Resource loan library, including laptops and calculators
- College survival backpacks and school supplies
- Gift cards to grocery stores, gasoline, transit passes and transportation costs to specific events
- Student incentives for meeting academic goals
- Meals, healthy snacks, food bank and personal hygiene articles
- Warm clothes, including socks, hats, boots, and gloves
- Entrance placement tests, graduate school exams, and admission fees
- Housing deposits
- Medical bills

6.5 Institutions Participating in the Passport Viable Plan

If your institution is not [listed as a viable plan school](#), and you would like information on what is required to participate, please contact Passport to College Promise Scholarship program staff.

7. Contracted Services

7.1 College Success Foundation Outreach and Support Services

Washington Student Achievement Council (WSAC) has contracted with the College Success Foundation (CSF) to improve higher education outcomes for students from foster care in Washington State.

Note: Services provided are to be determined upon completion of the 2019-20 contract.

7.2 ANEW Apprenticeship Opportunities Pathway -

WSAC has contracted with a nonprofit agency, Apprenticeship and Nontraditional Employment for Women (ANEW), to provide the following assistance to former foster youth and unaccompanied homeless youth participating in state-approved, federally registered, or reciprocally recognized pre-apprenticeship and apprenticeship programs that are not based on a campus or eligible for state financial aid:

- 1) Outreach identifying apprenticeship programs available to them, how to apply, and how to apply for and obtain financial aid when appropriate.
- 2) Provide financial assistance to meet pre-apprenticeship or apprenticeship program minimum qualifications and occupational-specific costs and support services necessary to apply for and complete recognized programs.
- 3) Measurably increase the number of foster and homeless youth accessing and completing a registered apprenticeship programs and support as they successfully enter and retain employment.

Note: If an eligible pre-apprenticeship or apprenticeship program is campus-based and eligible for state financial aid, funding and support services will be provided to eligible youth via the Passport to College Promise Scholarship Pathway.

7.3 SETuP - Supplemental Education Transition Planning Program

The purpose of the SETuP program is to assist foster youth in successfully making the transition from high school to postsecondary enrollment, career, or service.

WSAC contracts with six non-governmental organizations to provide SETuP services to students, with the goal of improving high school graduation rates and postsecondary plan initiation by two percent each year over five school-year periods. Services may include:

- Case management to complete developmental tasks that increase high school and postsecondary success.
- Facilitation of youth access to and participation in appropriate school and local resources that may assist in educational access and success.
- Collaboration with students, caregivers, schools, and social workers to support youth progress in the educational system.

A student is eligible for SETuP services if they are:

- In foster care in Washington State.
- Between the ages of 13–21.
- Enrolled in a high school or GED program.

8.2 Step-by-Step Guides

8.2.1 Eligibility Checker User Guide

Since a student's eligibility is determined by the Department of Children, Youth and Families (DCYF)-Children's Administration, information provided through Passport to College Promise Scholarship on the Portal should be used as documentation of a student's foster care status. This information can also be used to determine priority funding for the Washington College Grant (previously State Need Grant) and State Work Study programs.

Log into the [WSAC Portal](#). Your email address is your user name. If you are not a user, contact your financial aid director to become an authorized user at your institution. You may also contact WSAC Passport staff at passport@wsac.wa.gov for assistance.

8.2.2 Using the Portal

Under the **Programs** menu, click the **Passport** link for all Passport functions.

Please note that changes to improve the portal functionality are in process, and information will be updated in this guide as the new features are available.

Welcome to the WSAC portal.

This website is for use only by authorized WSAC staff, institution staff, employers, and students. This site is not for use by the general public.

Click **Check Eligibility** to verify eligibility for Passport to College Promise Scholarship.

8.2.3 Searching for Students on the Portal

You can check more than one student at a time. At the top of the eligibility checker, you may choose to search in one of three ways.

- **Single** – allows you to enter an SSN or student Last Name and First Name to search for a student. You can use a combination of these fields to find the student. You can also search using the first few letters of their name.
- **Multiple** – allows you to enter a list of SSNs to be checked. You may separate the SSNs by a comma, or by entering one number per line.
- **File Upload** – Allows you to upload a text file. This document can only contain a list of SSNs.

Student eligibility is an on-going process between the WSAC and DSHS.

If you cannot find information on a student, please call Dawn Cypriano-McAferly at 360-753-7846 for a manual student verification. Thank you for your patience.

Whether you use SINGLE, MULTIPLE, or FILE UPLOAD, you will see a response for every request you make. If the student is not in the database, you will receive a message indicating such.

For MULTIPLE and FILE UPLOAD searches, you can download your responses into an Excel spreadsheet for in-office processing.

8.2.4 Secure Email

Institutions may send messages to the WSAC securely through the secure messaging function on the Portal. Administrators must use the secure email function if they are sending a message including personally identifiable information.

Step 1 – Log into the [WSAC Portal](#). Your email address is your user name. If you are not a user, contact your financial aid director to become an authorized user at your institution. You may also contact WSAC Passport staff at Passport@wsac.wa.gov for assistance.

Step 2 – Once successfully logged into the WSAC Portal, click **Common**.

8.3.2 Passport to College Promise Scholarship Conditions

PASSPORT TO CAREERS PROGRAM - CONDITIONS OF AWARD

Under the Passport to Careers program, there are two pathways:

- *Passport to College* – supports student pursuing a college degree.
- *Passport to Apprenticeship Opportunities* – supports students in an apprenticeship or pre-apprenticeship program.

This form covers those students in the *Passport to College* pathway. Program funding and eligibility requirements may be altered by legislative action.

Award

- The current maximum amount of a Passport to College award is \$4,500 per academic year and will be reduced if your need is less than your award because of other grants, scholarships, or outside funding.
- You must enroll at an eligible institution at least half-time before turning 22 years old.
- Your award is limited to fifteen quarters or the equivalent, or through age 26.
- If you withdraw from college during the term or reduce your enrollment to less than half-time, you may owe a repayment of Passport funds you received during the term of your withdrawal.

Eligibility

- Awards are contingent until your financial aid office confirms your eligibility.
- The Passport to College Scholarship does not require you to complete a renewal application each year. Your financial aid office will verify your continued eligibility, work with the Council to renew your scholarship, and notify you of your renewed award.
- To remain eligible you must:
 - ✓ Enroll at least half-time each term.
 - ✓ Make satisfactory academic progress as defined by the institution you are attending.
 - ✓ Not withdraw from all courses in any term.
 - ✓ Have a demonstrated financial need.
 - ✓ Not have already earned a bachelor's degree.
 - ✓ Not pursue a degree in theology or be required by your college to be involved in any program or class that includes any religious worship, exercise, or instruction.
 - ✓ Apprenticeship and pre-apprenticeship programs administered by a college may be eligible for the Passport to College Promise award.

Support Services

- Your college or university has services available to support your academic success.

8.3.3 Institutional Agreement to Participate – Passport to College Promise Scholarship for Foster Youth Addendum

This contract is made and entered into by and between the state of Washington, Washington Student Achievement Council, PO Box 43430, Olympia, WA 98504-3430, hereafter referred to as “WSAC” or “AGENCY”, and the below named firm, hereinafter referred to as “CONTRACTOR” or “INSTITUTION”.

Institution Name

Federal TIN:

WA State UBI Number:

I. Purpose

The purpose of this Agreement is to outline the responsibilities of the WSAC and the INSTITUTION in implementing the Passport to College Scholarship Program’s Institutional Incentive Grant program for supporting Passport to College eligible students. This work will be conducted through the INSTITUTION’s Viable Plan pursuant to RCW 28B.117 and WAC 250-83-060.

II. Statement of Work

1. Responsibilities of the Institution

The Passport to College program establishes that qualified institutions must agree to the following conditions in order to receive incentive grant payments from the WSAC for the successful recruitment and retention of Passport eligible students.

- a) **Viable Plan:** The INSTITUTION agrees to design and implement a viable plan to deliver specialized support services to promote and increase access, persistence, and completion of postsecondary education. The plan is created by the INSTITUTION, but should follow the outline included in Appendix A and will be submitted to WSAC for review and approval. Although not required, the INSTITUTION is highly encouraged to review the Viable Plan annually to make modifications to their plan as needed to most effectively serve Passport eligible students.

- b) **Identification:** The INSTITUTION must include on their application for admission or registration materials a question asking a student to self-disclose whether they were in state, tribal, or federal foster care in Washington state. The question may be used for the purpose of delivering support services and awarding financial aid and will be shared with the INSTITUTION’s Passport Designated Support Staff (DSS). Additionally, campuses are encouraged to develop other identification strategies so that all eligible students on campus are engaged. It may not be used in consideration for admission to the INSTITUTION.
- c) **Collecting Student Consents:**
1. Student eligibility – If the INSTITUTION has identified a former foster youth who is not in the Passport Eligibility Checker in the WSAC Portal, it should provide a Consent Form to the student and forward it to the AGENCY for the purpose of determining program eligibility.
 2. Support services – After a student has been determined eligible for Passport, they will receive a Conditions of Award form from the AGENCY. By signing the form, they agree to outreach and support services. INSTITUTIONS may collect the Conditions of Award form and post student Release of Information to the WSAC Portal. A copy of the Conditions of Award form must remain in the student’s file.
- d) **Verifying Eligibility:** Verify Passport student eligibility electronically through the WSAC Portal. This verification shall suffice for documentation of foster care and independent status for the purpose of financial aid packaging and support services.
- e) **Leadership Commitment:** Create a lasting institutional commitment to serve current and former foster youth by designating a president, chancellor, vice-president, or other position of leadership to advocate and take responsibility for the program’s success.
 INSTITUTIONS may also identify an additional person in a leadership role who oversees the operations of the program and assists the Passport Designated Support Staff to remove barriers for successful program implementation.

Leader Name: _____

Title: _____

Email: _____

Phone: _____

- f) **Designated Campus Support Staff.** Designate a knowledgeable “home base” staff person who can direct youth in the areas of financial aid, academic guidance, personal issues, and career counseling/advising. See Appendix B for a Designated Support Staff Job Description example. The designated staff person will also be responsible for preparing campus personnel in these areas to assist referred Passport students.

The person listed as the designated support staff is:

Person Name: _____

Title: _____

Email: _____

Phone: _____

In the event that the Passport designated support staff changes, the INSTITUTION will notify the AGENCY of any designated support staff changes within 30 days.

Designated Financial Aid Staff. Designate a financial aid staff member who can guide and support Passport students through the financial aid process. See Appendix C for a Passport Financial Aid Job Description example.

The person listed as the financial aid support staff is:

Person Name: _____

Title: _____

Email: _____

Phone: _____

- g) **Connect with Social Services and Independent Living Providers.** Work with Supplemental Education and Transition Plan (SETuP) program staff, Department of Children Youth and Families and its contracted Independent Living providers, and other non-profit agencies serving foster youth to ensure students from foster care receive a full-range of support services and other college preparation information. Ensure appropriate releases of information are in place in order to most efficiently serve students.
- h) **Financial Aid.** Review each Passport student’s individual budget to recognize the actual living expenses and tailor the financial aid package, to utilize all available resources to meet the student’s full need and minimize reliance on loans.

- i) **Institutional Incentive Funding.** The INSTITUTION's request for scholarship payment signifies satisfactory academic progress has been verified and the student is eligible for the ensuing term. By July 30 of each academic year, the INSTITUTION will submit a report to the AGENCY on the use of the incentive grant funds. Incentive funds should be used to help remove barriers for Passport eligible students. WSAC encourages INSTITUTIONS to use Institutional Incentive funds in the academic year it is received, however, if not all funds are used, the INSTITUTION must provide a plan for future incentive grant use. Incentive funds received must be spent by the end of 2019-2020 academic year (OR expended within two years of receipt).
- j) **Education and Training.** To the extent practical, ensure the INSTITUTION's leadership, financial aid staff and designated support staff participate in training provided by the WSAC or its partner organizations and representatives about the Passport program and related foster youth resources.

2. Responsibilities of the Washington Student Achievement Council

- a) **Program Eligibility.** WSAC will collect student consent through the Free Application for Federal Student Aid (FAFSA), Common Application, and Passport Consent Form. WSAC will work with Department of Children Youth and Families to determine student eligibility for the Passport to College Scholarship program.
- b) **Secure Portal.** Student-level data will be maintained in the WSAC's secure Portal for Department of Children Youth and Families and INSTITUTION eligibility processing.
- c) **Reports.** WSAC will collect student level data from INSTITUTIONS and compose program reports.
- d) **Verification of Eligibility.** Student eligibility will be verified with Department of Children Youth and Families. The AGENCY will notify students of their eligibility status via mail or through electronic means. Students determined ineligible for Passport are provided with information on alternative sources of aid and support services. Student eligibility will be provided to the institution securely through the WSAC's portal.
- e) **Scholarship Payment Disbursement.** The AGENCY will disburse Passport Scholarships through the WSAC Portal. Student quarters of eligibility remaining (QER) for Passport will be tracked. The AGENCY will review systems annually to ensure that ineligible "aged out" Passport students are reported accurately in the portal for institutions to review. Repayment will be coordinated for those students who receive Passport funds and then become ineligible for funding.
- f) **Training.** The AGENCY will provide trainings and technical assistance.
 - 1. Provide timely customer service to students, institutional financial aid, and designated support staff.
 - 2. Provide one-on-one Portal training to institutional staff as requested.

3. Provide annual training to institutional financial aid administrators on programs administered by the AGENCY and contribute to trainings provided by organizations contracted to provide Passport services.
4. Provide students with financial aid resources. Direct students to appropriate campus staff for support services. Provide referrals to contractor for intervention in emergency situations.

III. Consideration

Incentive Grant Payments to Institution

Incentive grants are provided to the INSTITUTION for the recruitment and retention of eligible students. Grants shall be used for individualized student support services which may include, but are not limited to, college and career advising, counseling, tutoring, costs incurred for students while school is not in session, personal expenses, health insurance, and emergency services.

Each party herein constitutes the consideration for this agreement. The amount of an incentive grant payment will be determined annually by the AGENCY based on program appropriations.

Incentive grant disbursements will be made each term after the INSTITUTION verifies the student's enrollment by requesting the student's Passport scholarship payment. The AGENCY will disburse incentive grant funds for each student who successfully enrolled in and completed the term.

IV. Term

This addendum becomes effective on the date executed by the WSAC and will expire on June 30, 2020, or sooner if terminated by one or both parties in writing.

V. Reporting

The INSTITUTION shall produce the following written reports or other written documents (deliverables) on the report template provided by WSAC by the dates indicated below:

July 31, 2019 (for effective date of contract through June 30, 2019)

VI. Termination

This agreement may be terminated immediately by mutual consent of all parties, or by either party upon 30-day written notice and delivered to the other party by certified mail or in person.

VII. Certification and Execution of Passport Addendum

I hereby certify that I am an officer of the INSTITUTION legally authorized to execute this Passport to College for Foster Youth Addendum to the Institutional Agreement for and on behalf of the INSTITUTION and certify that to the best of my knowledge and belief, all information in this document are true and correct.

8.3.4 State of Washington Conditions of Award

Forms Used to Provide Required Notification to Students

Prior to the first annual disbursement of state financial aid, institutions must inform students of the conditions associated with their state financial aid award(s) by providing them with the Washington State Aid – Conditions of Award below.

Conditions of Award statements must be provided to students on paper or electronically. Emailed Conditions of Award statements must display the conditions language, in its entirety, in the body of the email, unless the institution requires students to certify their acceptance by filing a signed form or otherwise verifying receipt of the conditions language. Institutions must maintain documentation that the state Conditions of Award were provided to awarded students.

WSAC values institutional flexibility in best meeting our shared student disclosure obligations. Institutions may propose alternative Conditions of Award language varying from the statement below during the annual participation renewal process. Alternative conditions language must still convey the points included in the statement below and will be evaluated for approval accordingly. Institutions may incorporate state Conditions of Award language into more comprehensive conditions statements that cover other forms of financial aid, subject to WSAC approval during renewal.

8.3.5 Conditions of Award Statement

Applies to Students at All Institutions Each Year

Washington State Aid – Conditions of Award

The State of Washington is offering you financial assistance to help support your educational expenses. Please visit www.opportunitypathways.wa.gov to receive more information about financial aid, scholarships, work study, and student loans.

By accepting state financial aid, you agree to the conditions listed below. If you have questions or find that you cannot comply with these conditions, please contact your institution's financial aid office.

1. You must meet the requirements for Washington State residency.
2. You do not owe a repayment to any federal or state grant or scholarship nor are you in default on a state or federal student loan.
3. You must be enrolled in an eligible program and not be pursuing a degree in theology.
4. If you hold a bachelor's degree or the foreign equivalent, or in some circumstances if you are pursuing a second associate degree within five years of earning an associate degree, you are not eligible to receive state grant funds.
5. If you do not attend or if you withdraw from your classes, you may owe a repayment of all or part of any state funds you have received.
6. You must maintain the academic progress standards established by your institution in order to receive additional state aid.
7. There could be other circumstances that would require a repayment or reduction in your current award amounts.
8. You must meet all eligibility requirements for the state aid program(s) awarded.
9. The offer of this financial assistance is subject to, and conditioned upon, the availability of funds. Washington Student Achievement Council (WSAC) and the institution through which the grant, scholarship, or work study is awarded, reserve the right to withdraw, reduce, or modify the awards due to funding limitations or due to changes in circumstances which affect your eligibility for the program(s).

You may choose to voluntarily make financial contributions to WSAC in recognition of the assistance that you received. All voluntary contributions will be used to provide financial assistance to other students. Please contact finaid@wsac.wa.gov for more information.

8.3.6 Student Directive for Students at Private Institutions

Required Directive Form for Students at Private Institutions

Private institutions must use WSAC's Student Directive Form which follows to record a student's decision on where to apply their state financial aid payment(s) each term.

The student's financial aid payment can be deposited directly into a student's account or disbursed in the form of a check based on their choice on the directive. In addition, institutions:

- Must not coerce or influence the student's choice on where to apply their financial aid payment.
- Will keep the directive in effect for the duration of the student's continuous enrollment at the institution, excluding approved leaves of absence and summer terms. A new directive is required if the student is not continuously enrolled.
- Must allow students to change their minds at any time, prior to disbursement, and follow their current directives at all times.
- Must remind students once a year that their current directive is still in place and that they may change it.

The student must sign and date the directive. The signature can be either a wet or electronic signature. For electronic signatures, the institution must have assurances that only the student can access his/her signature page, likely through a portal that is name and password protected.

STUDENT DIRECTIVE FOR DISBURSEMENT OF STATE AID

Return this form to the **NAME of Institution** Financial Aid Office as soon as possible.

Student Name (please print): _____ ID#: _____

You have been awarded financial aid from the State of Washington. Your designation and signature on this form will document your choice for funds to be applied directly into your student account or to be given to you in the form of a check. A state grant or scholarship recipient has the following two choices:

- Choosing to have the funds deposited to your student account permits the aid to be automatically credited toward expenses you may owe to the institution. This option allows faster processing of any refunds of financial aid proceeds that may be due you.
- Choosing to have state financial aid funds given directly to you means that state student aid will not be automatically available to pay for tuition and fees. You are responsible for using the funds to pay for educational expenses including any expense you owe to the institution.

Please choose one of these options:

_____ I choose to have state aid funds applied directly to my student account and automatically credited toward expenses I owe **NAME of Institution**.

OR

_____ I wish to have state aid funds given directly to me (not credited to my student account). I understand that I am responsible for all outstanding balances on my student account at **NAME of Institution**.

Your choice will stay in effect as long as you are enrolled at this institution. However, you may change your directive for a future term by informing your Financial Aid Office in writing.

Supplemental Documentation – select one

Attaching documentation verifying unaccompanied homelessness

By checking this box, you declare that you are able to provide verification of your status as an unaccompanied homeless youth from an authorized official such as a McKinney-Vento liaison, social worker, shelter manager, case manager, or church official. Please attach your documentation to this application.

Unable to obtain documentation verifying unaccompanied homelessness

By checking this box, you declare you are unable to provide independent verification of your status as an unaccompanied homeless youth. In place of the verification, please attach a letter explaining your situation qualifying you as an unaccompanied homeless youth and explaining why you are unable to get documentation from an authorized official. Attach any information you may have in support of your statements. If you have chosen to leave your parents' home, you will need to demonstrate that you were at risk of harm if you continued living with your parents.

Notice of Verification

WSAC reserves the right to verify information provided by you on this application through the collection of additional documentation and personal interviews.

Student Consent

I grant permission to discuss my eligibility for the Passport to Careers program with the financial aid office and support staff at the college I attend. I also authorize the sharing and verification of the information provided in this application with appropriate officials, such as my McKinney-Vento liaison, social worker, shelter manager, case manager, church official, or any other person(s) in an official capacity.

By signing below, I certify that all the information provided on this worksheet and the attached documentation is complete and correct. I understand if I intentionally provide false or misleading information, I may be legally responsible and could be required to repay any state financial aid I receive.
