<b>Phone</b>	360.753.7635
<b>Synopsis</b>	<p>One of WSAC's key statutory charges is to conduct strategic action planning each year to increase Washington's educational attainment. In 2016, WSAC must update the Strategic Action Plan to make progress towards meeting our state's educational attainment goals. This plan is due in December 2016 to inform legislative decisions on higher education policy and the biennial budget.</p> <p>At this meeting, WSAC staff will present a menu of strategies that address challenges outlined in the <i>2015 Roadmap Update: Measuring Our Progress</i>:</p> <ol style="list-style-type: none"> <li>1. Closing the opportunity gap</li> <li>2. Re-engaging adults in postsecondary education</li> <li>3. Improving access and affordability</li> </ol> <p>Following the presentation, Council members and stakeholders will participate in a facilitated discussion. The discussion objectives are to:</p> <ul style="list-style-type: none"> <li>• Gain familiarity with the strategies.</li> <li>• Identify anything that is missing.</li> <li>• Continue developing strategies that have a statewide focus and will make the greatest impact on addressing the challenges.</li> </ul>
<b>Guiding questions</b>	<ol style="list-style-type: none"> <li>1. How can these strategies overcome our challenges?</li> <li>2. Which strategies need to be further developed?</li> <li>3. Are any strategies missing?</li> </ol> <p>Note: At the next Council meeting: Council members will prioritize the strategies for inclusion in the strategic action plan and provide direction on policy and budget requests.</p>

# Developing the 2016 Strategic Action Plan

*to advance educational attainment*

**June 2, 2016 Council Meeting**

Maddy Thompson  
*Director of Policy & Government Relations*

Rachelle Sharpe  
*Deputy Director*

Randy Spaulding  
*Director of Academic Affairs & Policy*

Marc Webster  
*Senior Fiscal Policy Advisor*

# Roadmap 2015: Measuring our progress

## Core measures

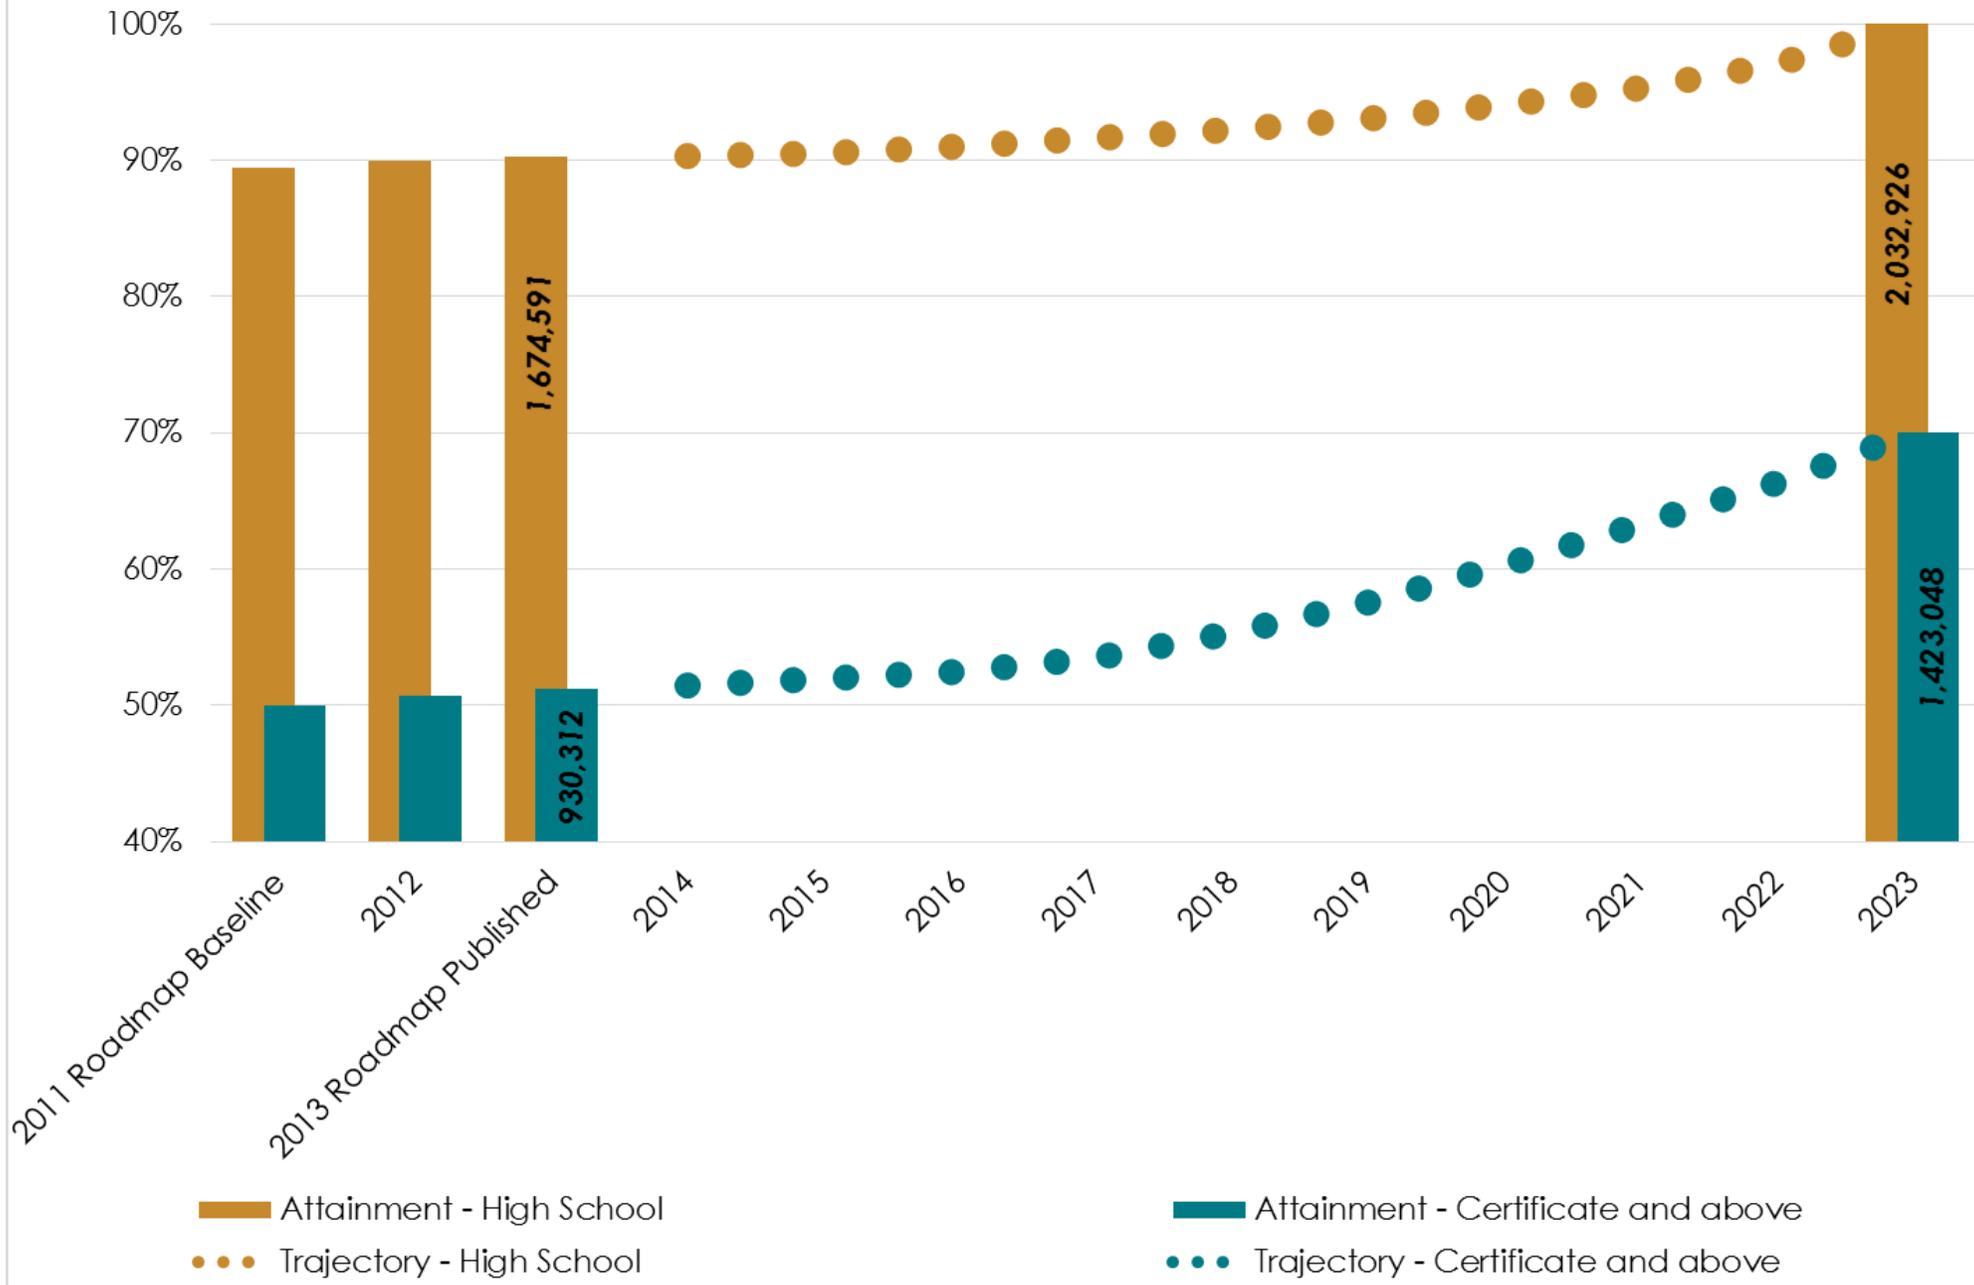

High school  
completion

Postsecondary  
enrollment

Postsecondary  
completion

Participation  
and  
attainment  
(population)

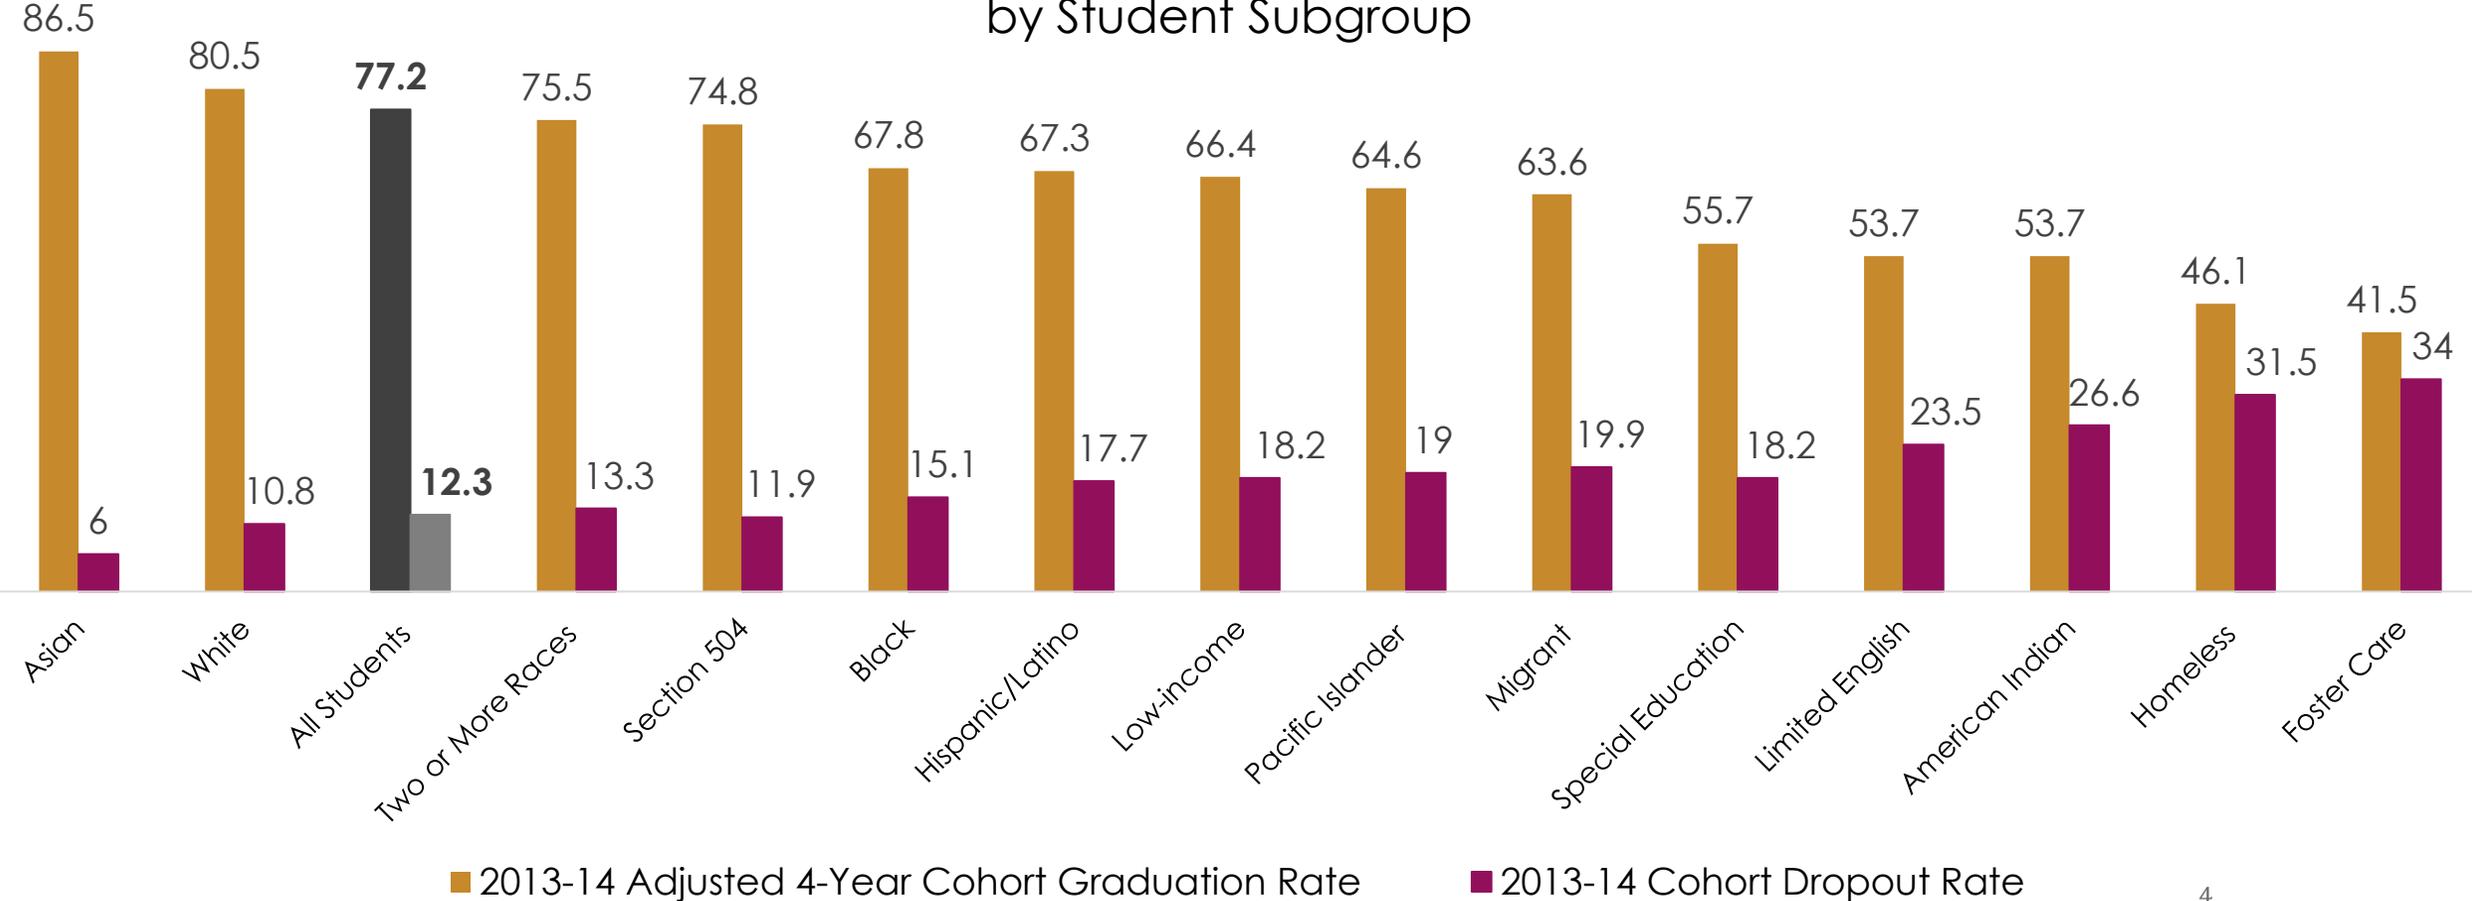

# Tracking Progress toward the Attainment Goals

# Challenges to completion for many groups

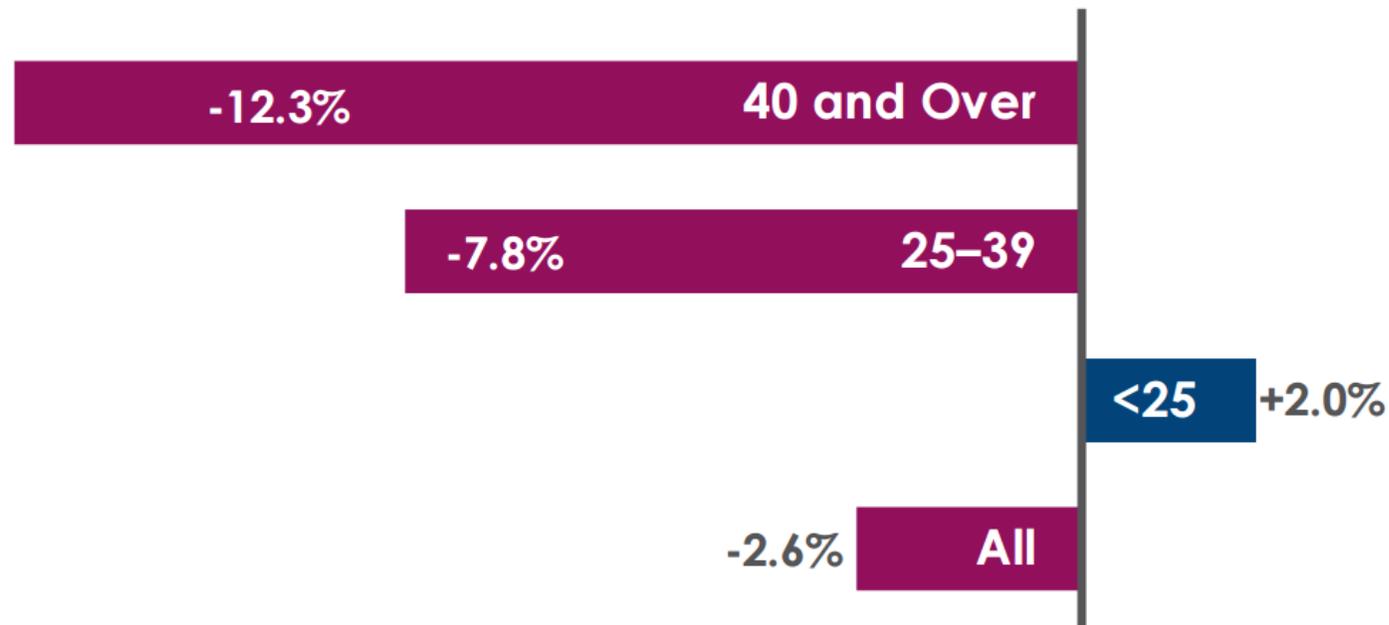

2013-14 Four-Year Adjusted Cohort Graduation and Dropout Rates by Student Subgroup

# Decline in enrollments among adults 25+

**Percent Change in Enrollment by Age Group  
From 2011 to fall 2013**

Source: Washington Student Achievement Council

# Not enough progress to reach our 2023 goals

## Challenges to address

High school completion and postsecondary access and completion for historically underserved and underrepresented populations.

Postsecondary recruitment, retention, and completion for working-age adults.

# 2016 Production timeline

# Menu of strategies for strategic action plan

- 1 Identify successful interventions that provide system wide support approaches.
- 2 Ensure proposals support under-represented students.
- 3 Offer recommendations that support students at critical stages.
- 4 Develop approaches that engage cross-sector and community partners.

# Strategies to increase educational attainment

# Student Success Strategies

Information &  
Awareness

Community &  
Business  
Engagement

Institution  
Innovations

Bridge Programs

## Access & Affordability

Need-Based Aid

Work-Based  
Learning

Child Care

## Adult Reengagement

Clearinghouse

Marketing

Identification

Support

# Work session: proposal review and input

## Session 1

- What do we need to do to **reengage adults** and ensure they complete a postsecondary credential?

## Session 2

- What do we need to do to increase **student success**, close opportunity gaps and increase postsecondary completion?

## Session 3

- What do we need to do to improve college **access and affordability**?

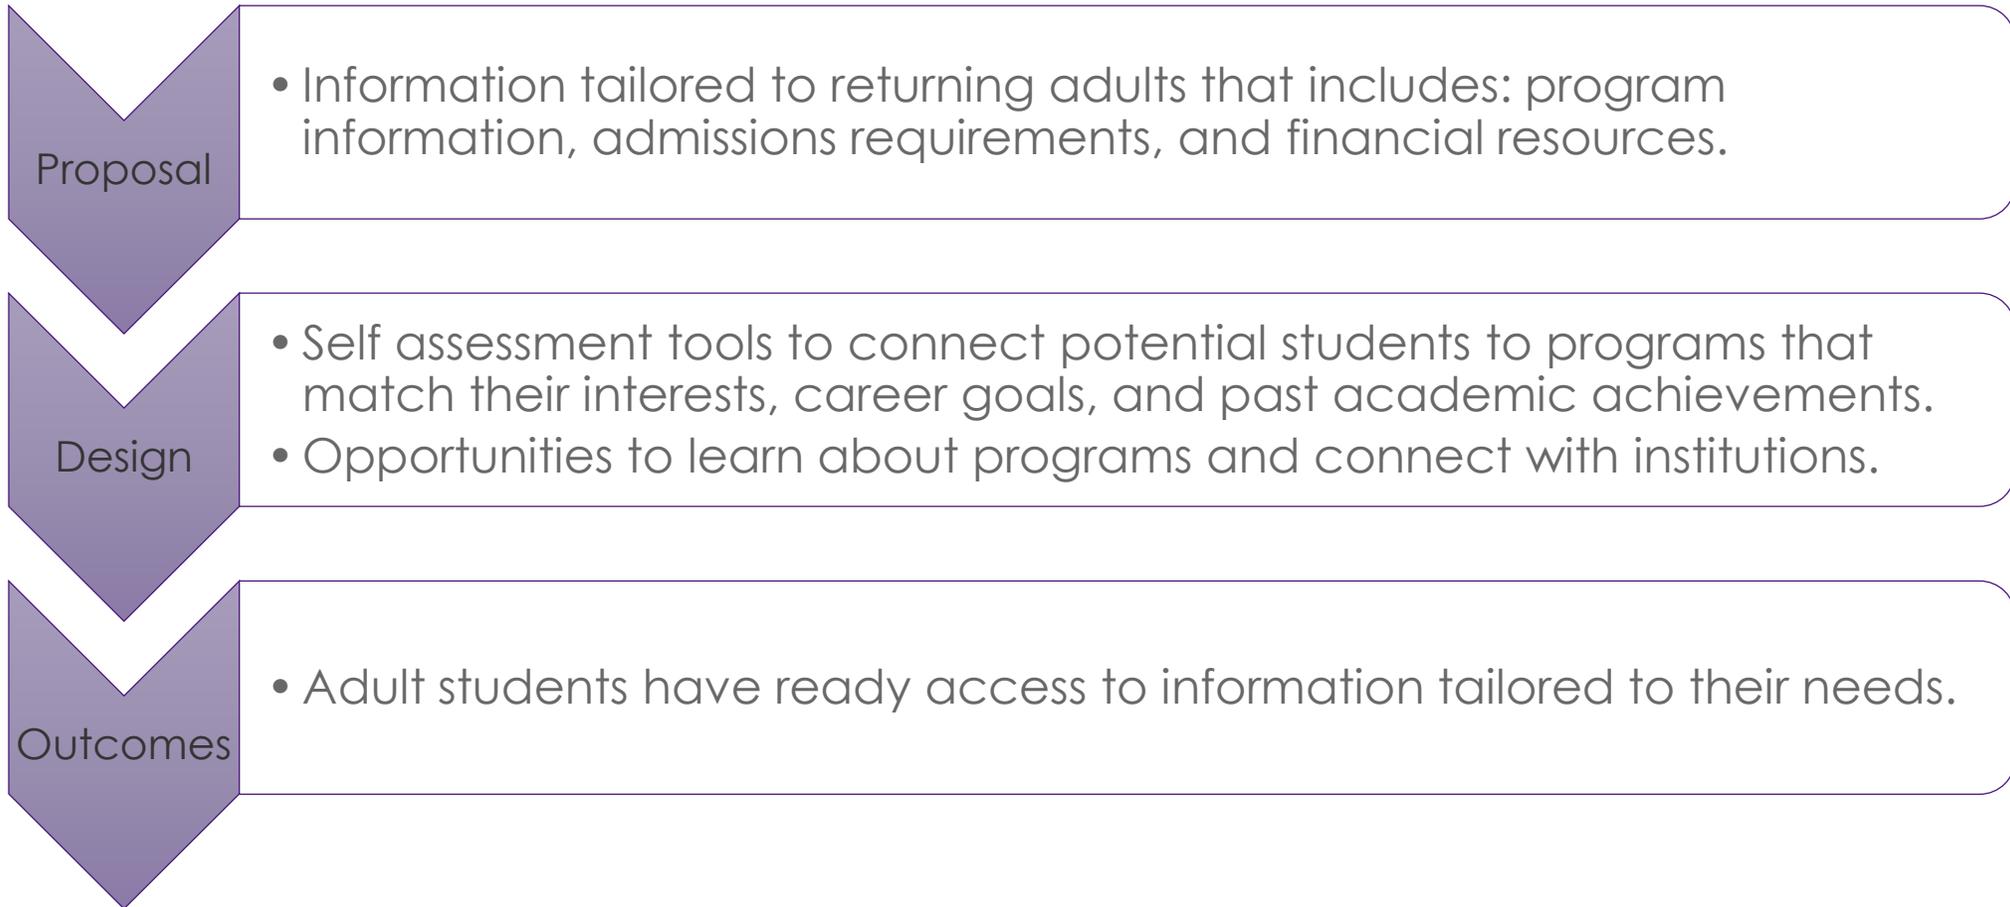

# Support adult reengagement and completion

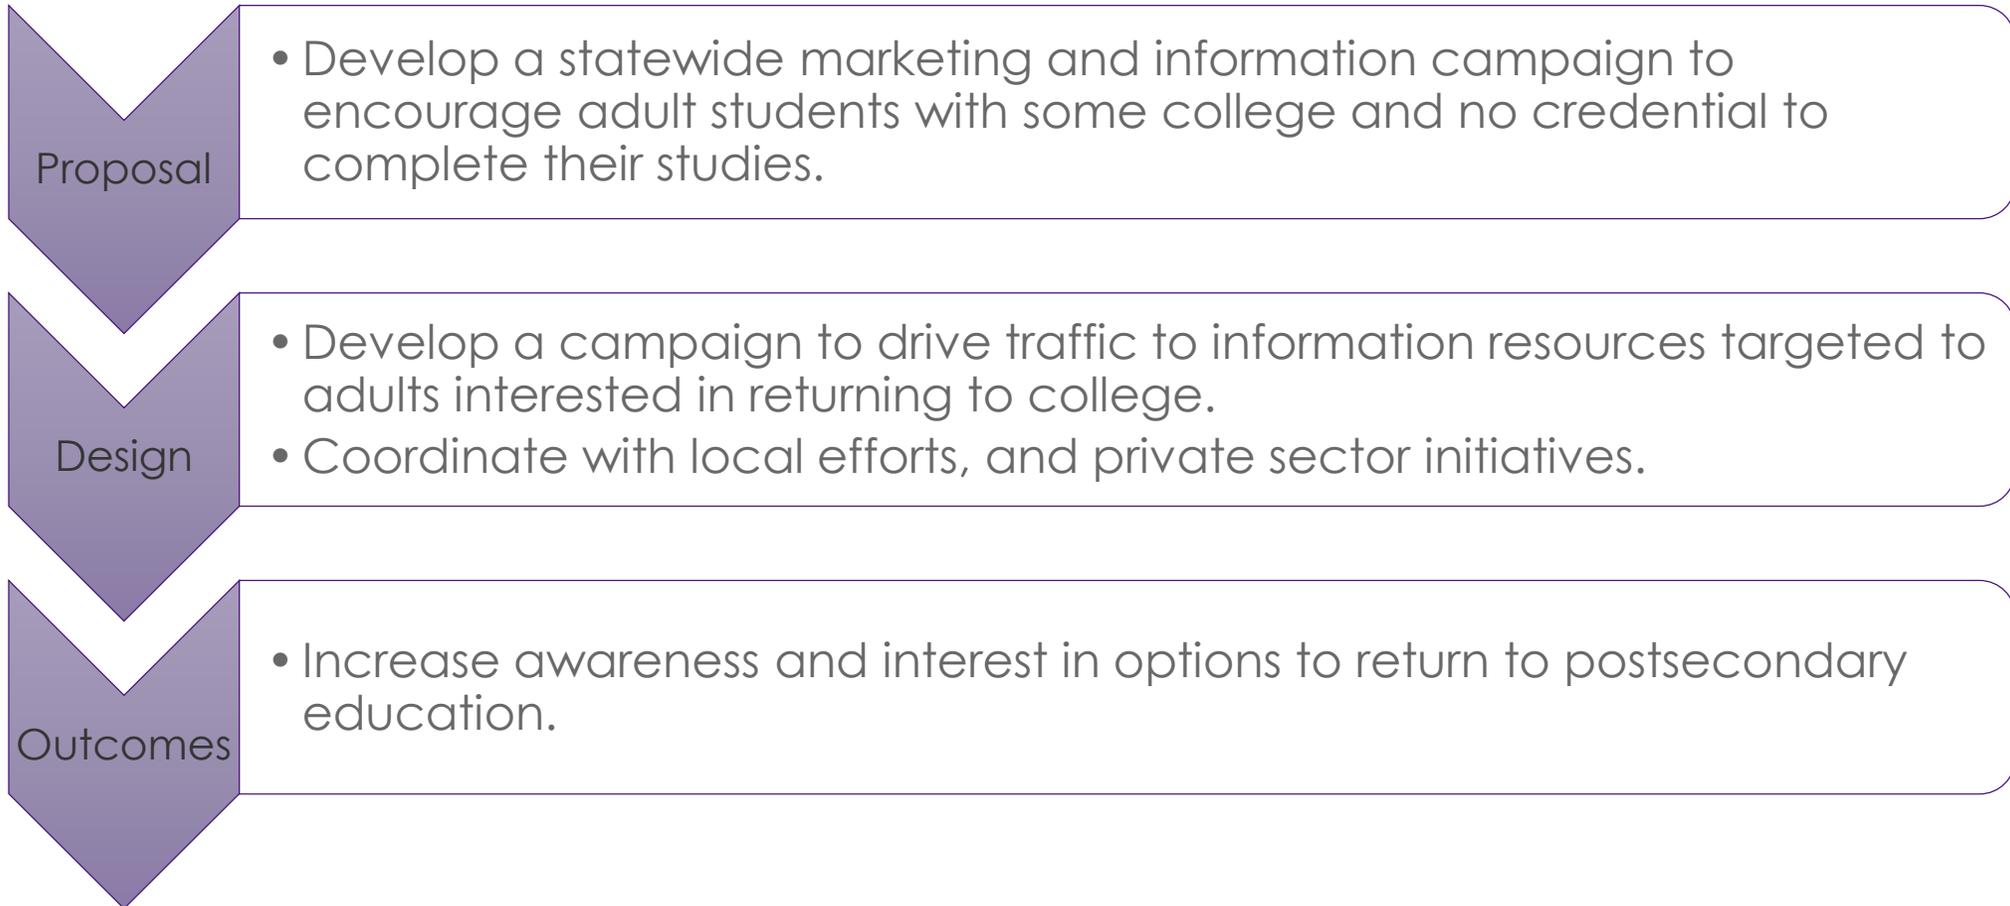

# Information clearinghouse

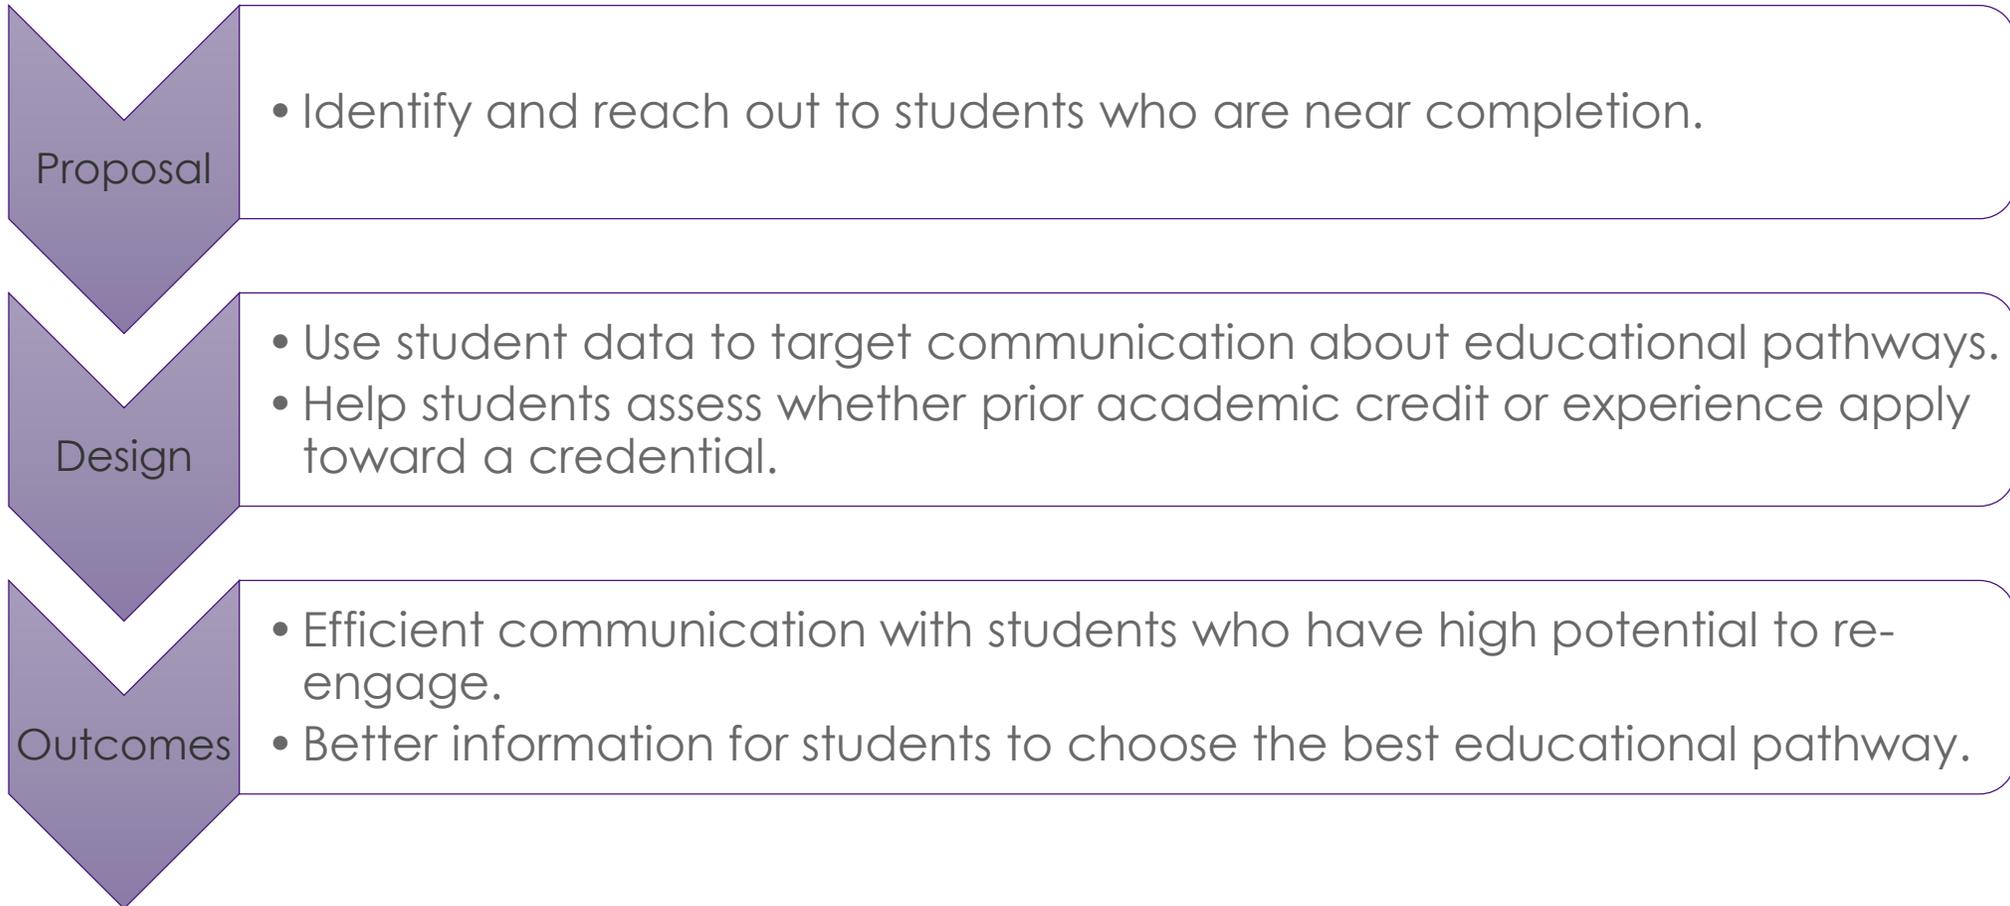

# Outreach and marketing

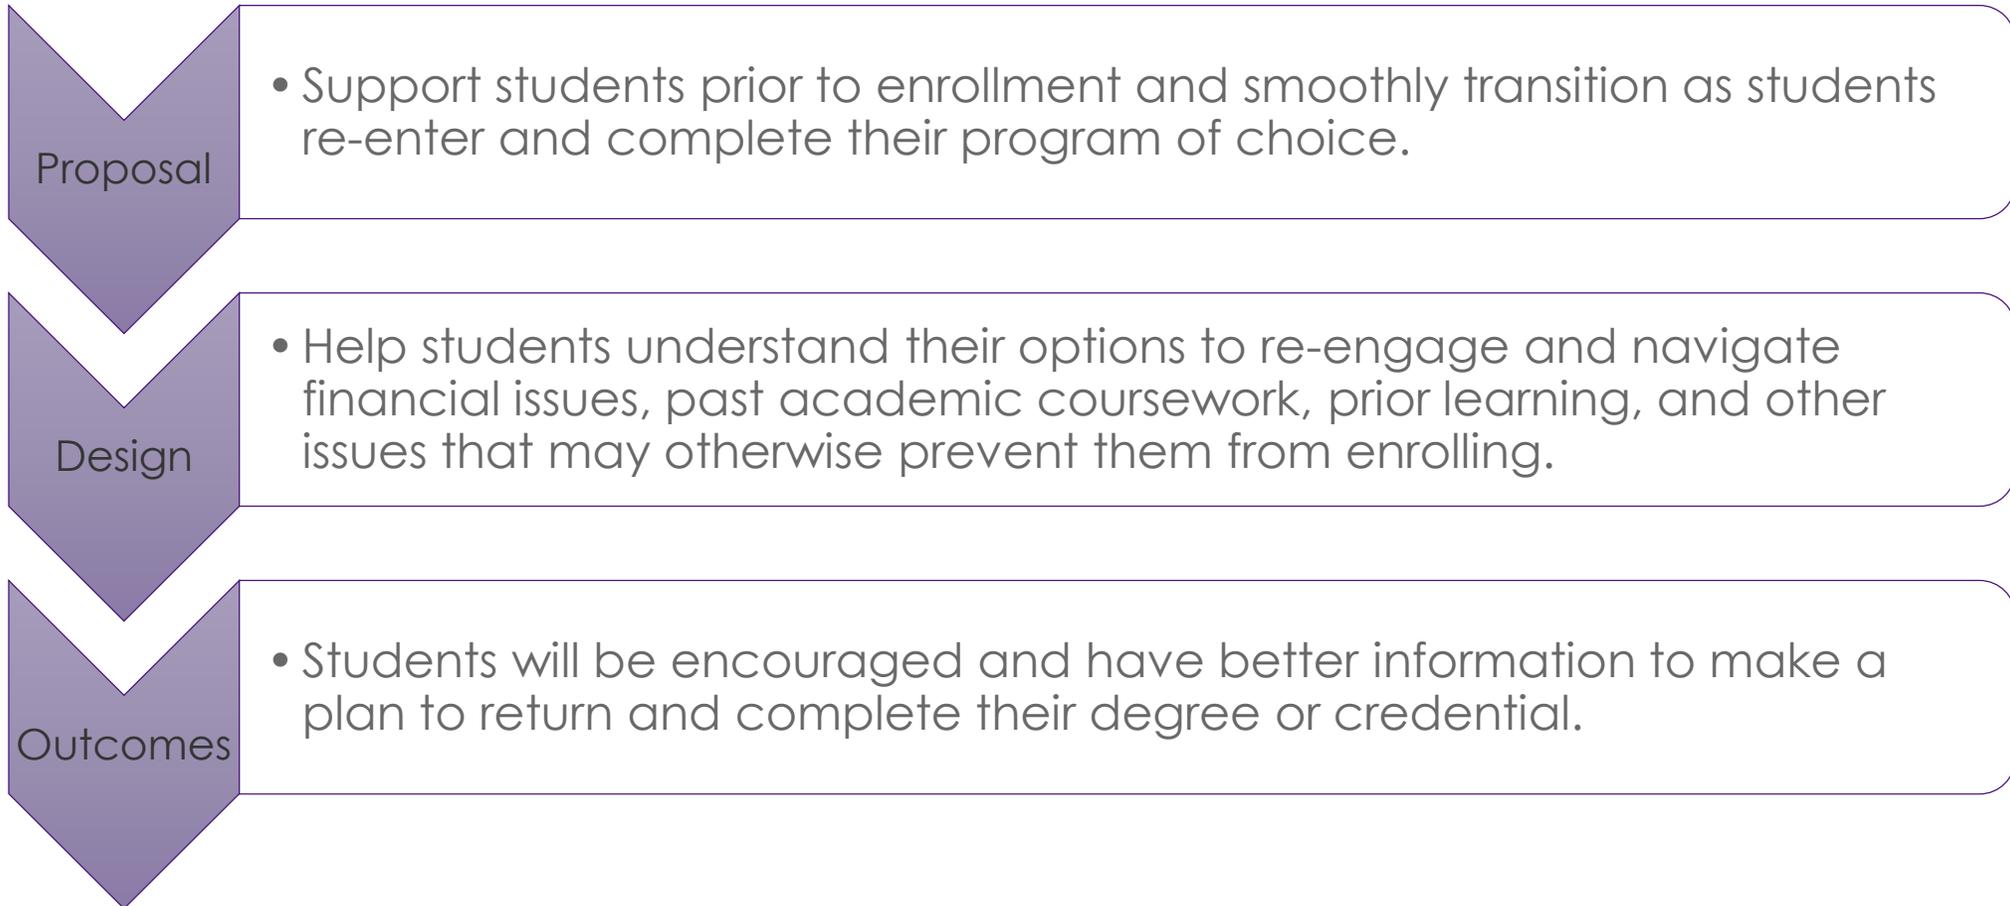

# Identify students

# Support enrollment and completion

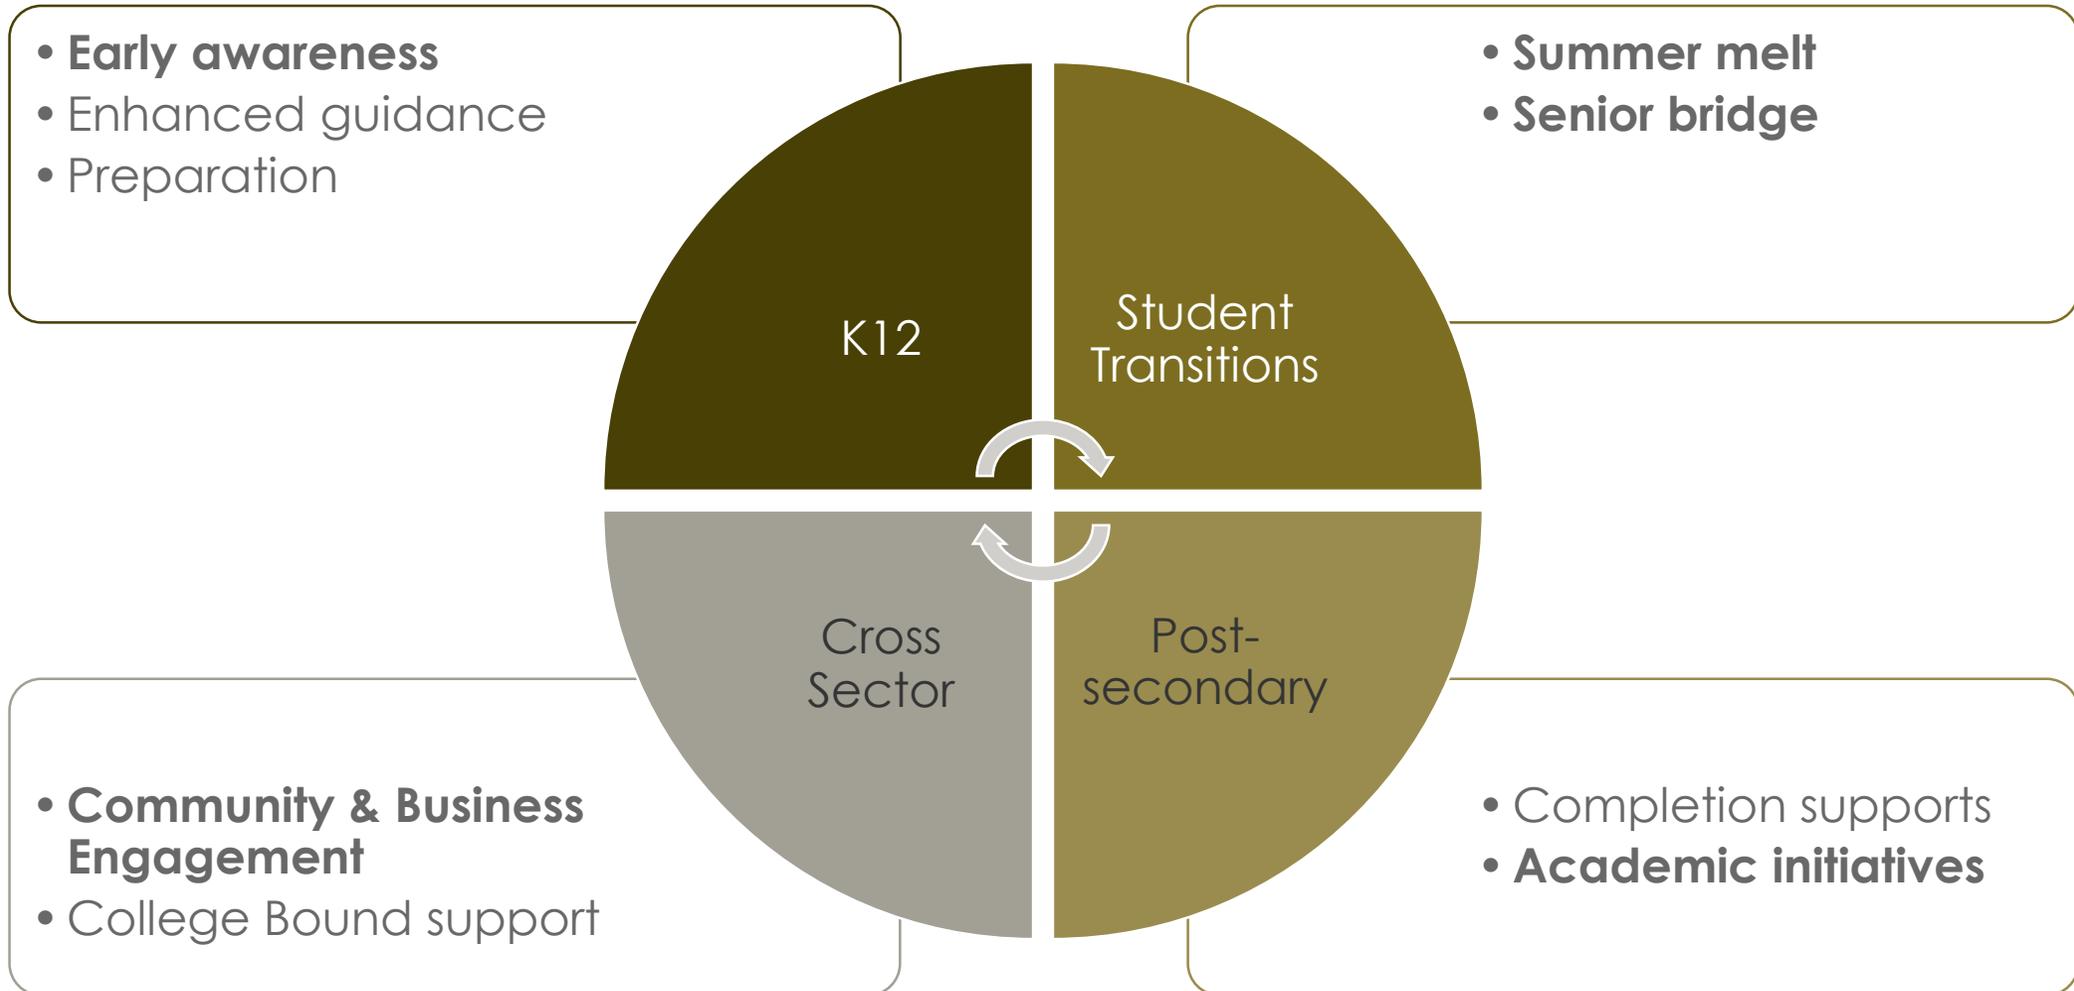

# Key questions: Adult reengagement & completion

1. If not constrained by resources, what innovations would this proposal include (best-case scenario)?
2. What elements of this proposal are essential for success?
3. How should this proposal use existing efforts or programs?

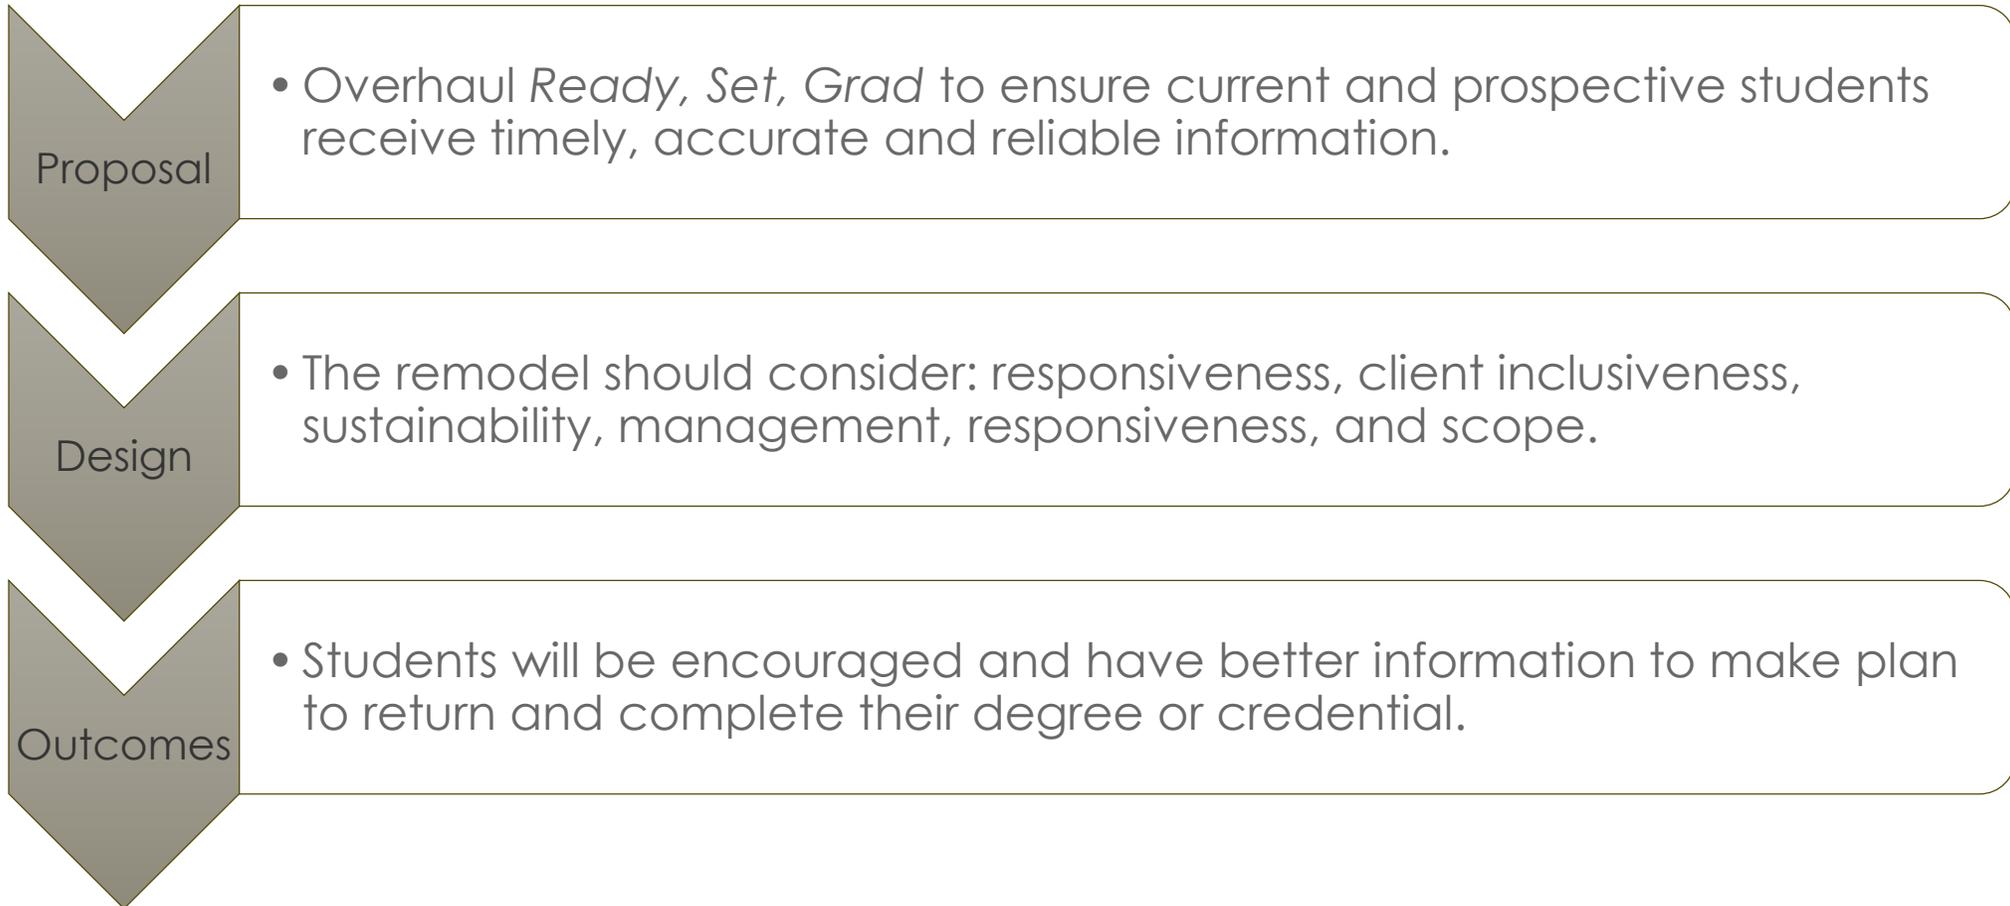

# Student success

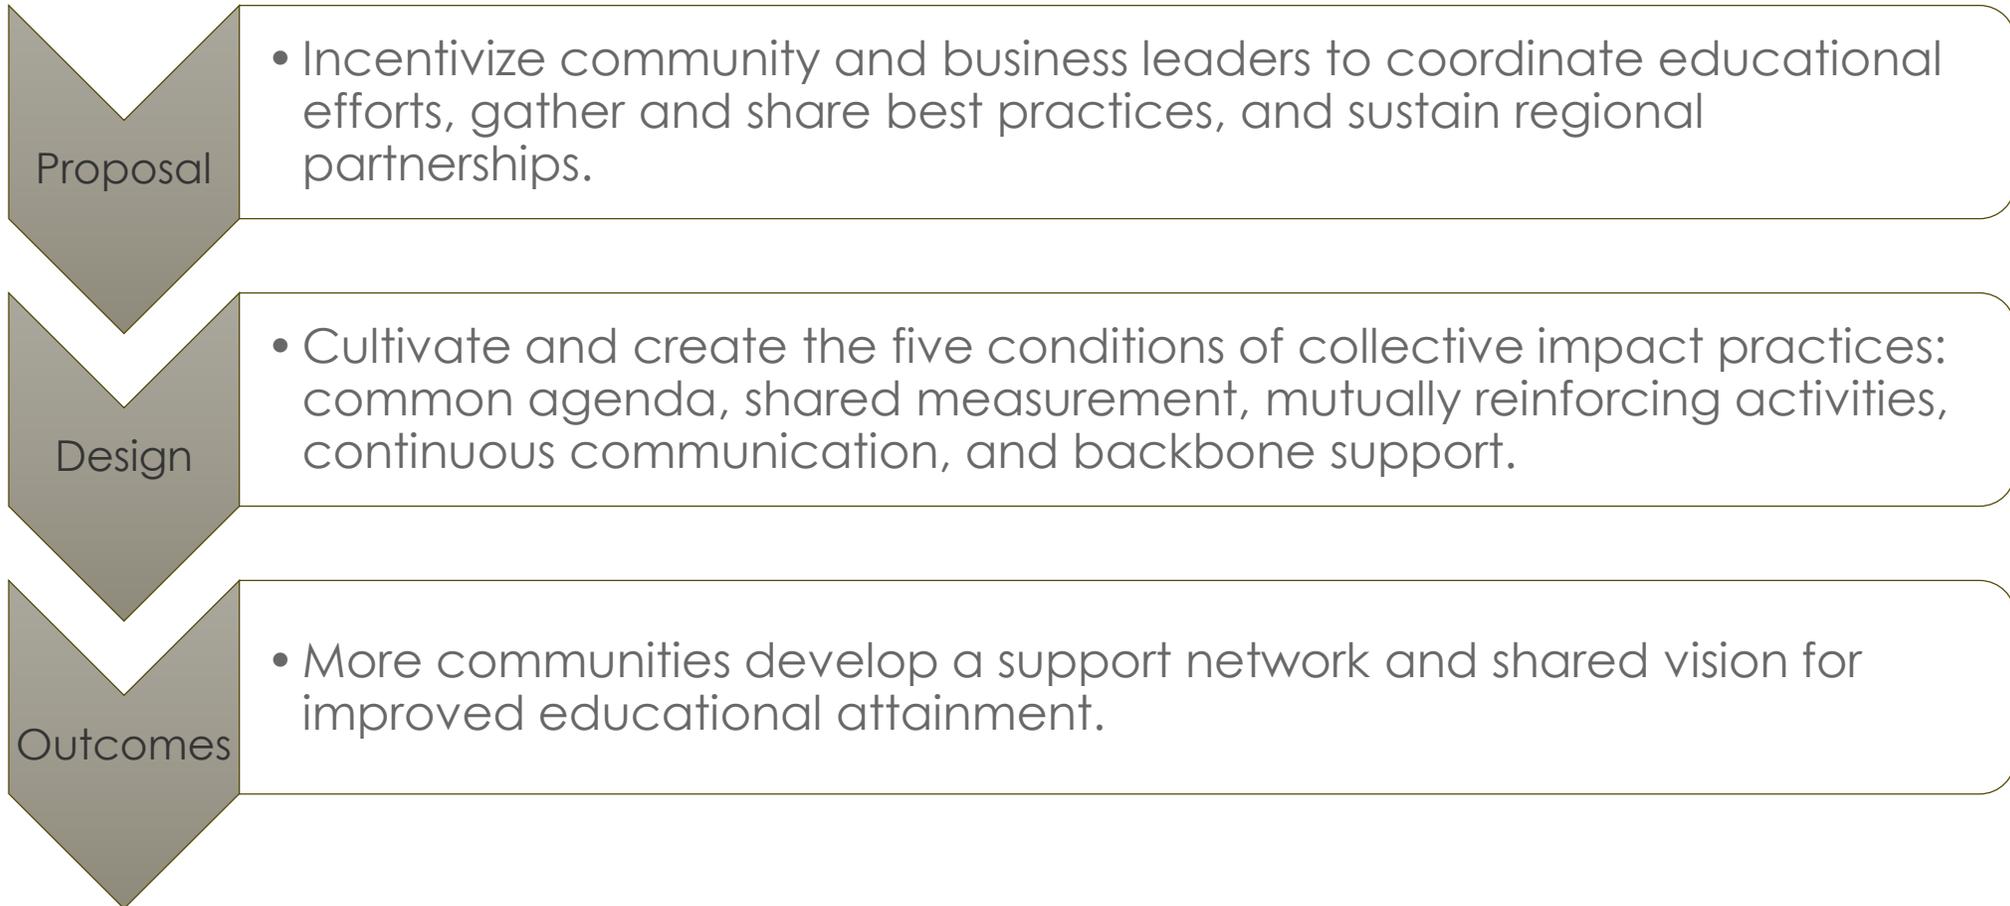

# Information & awareness

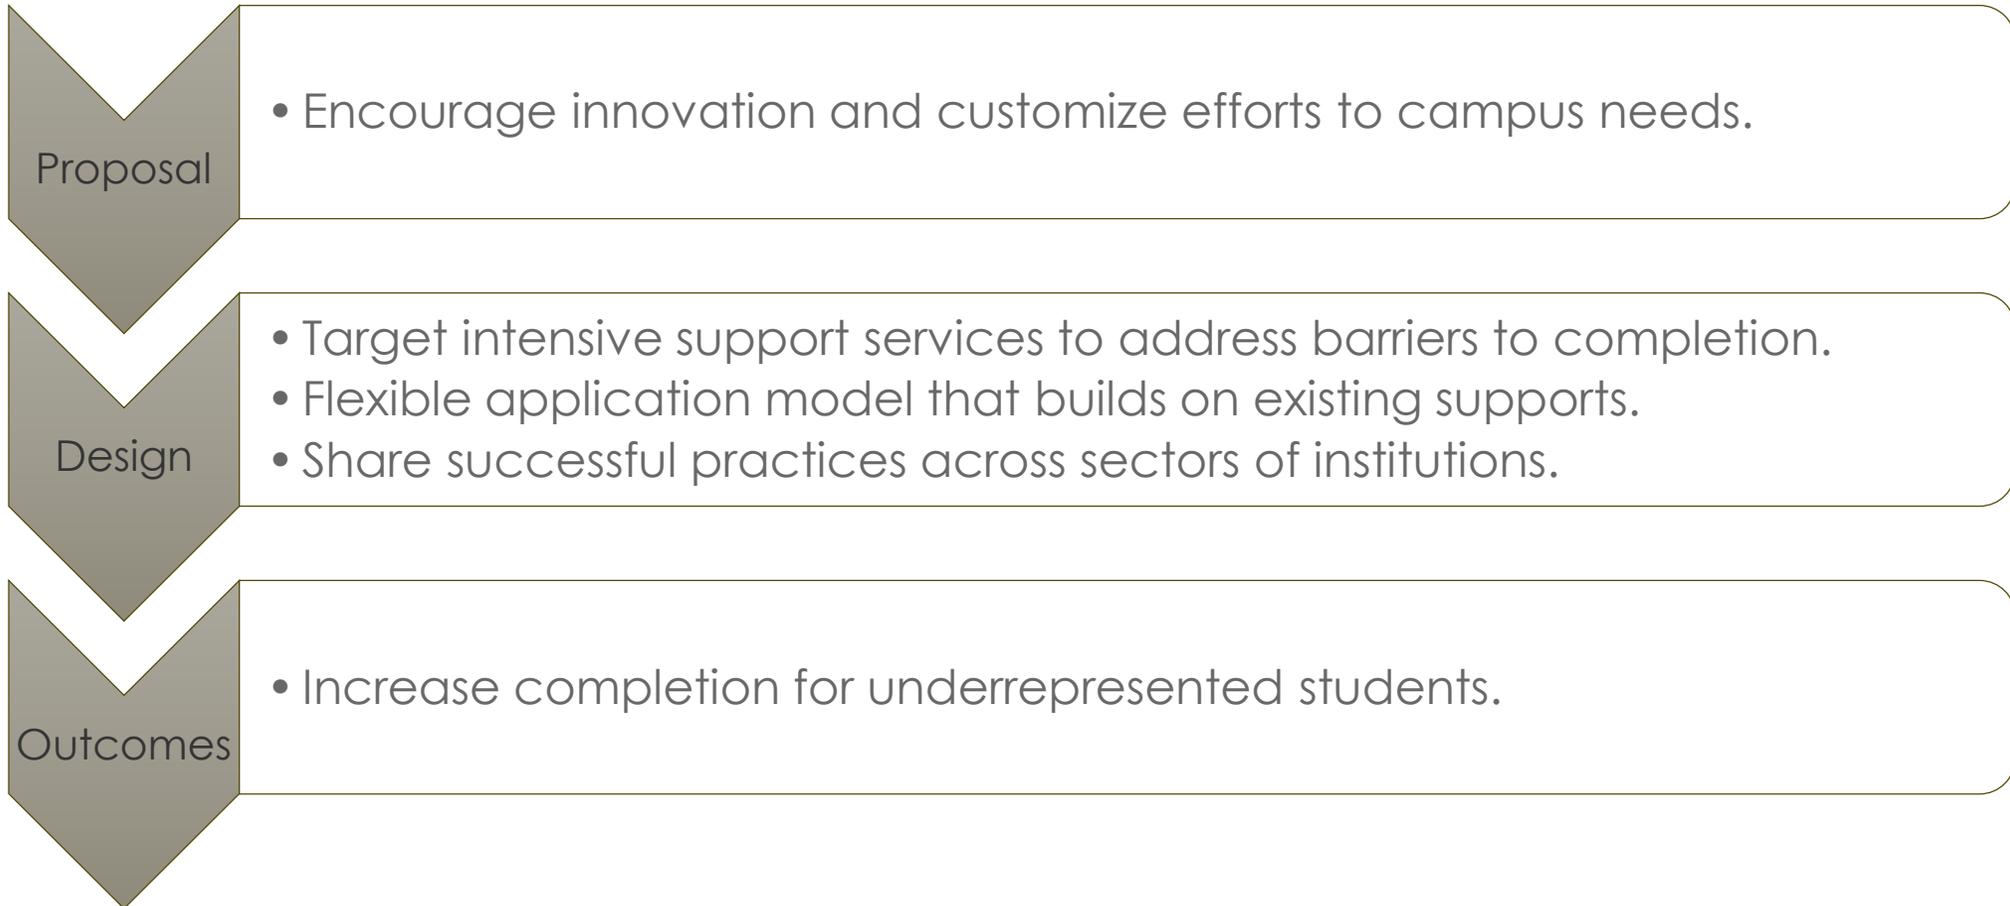

# Community & business engagement

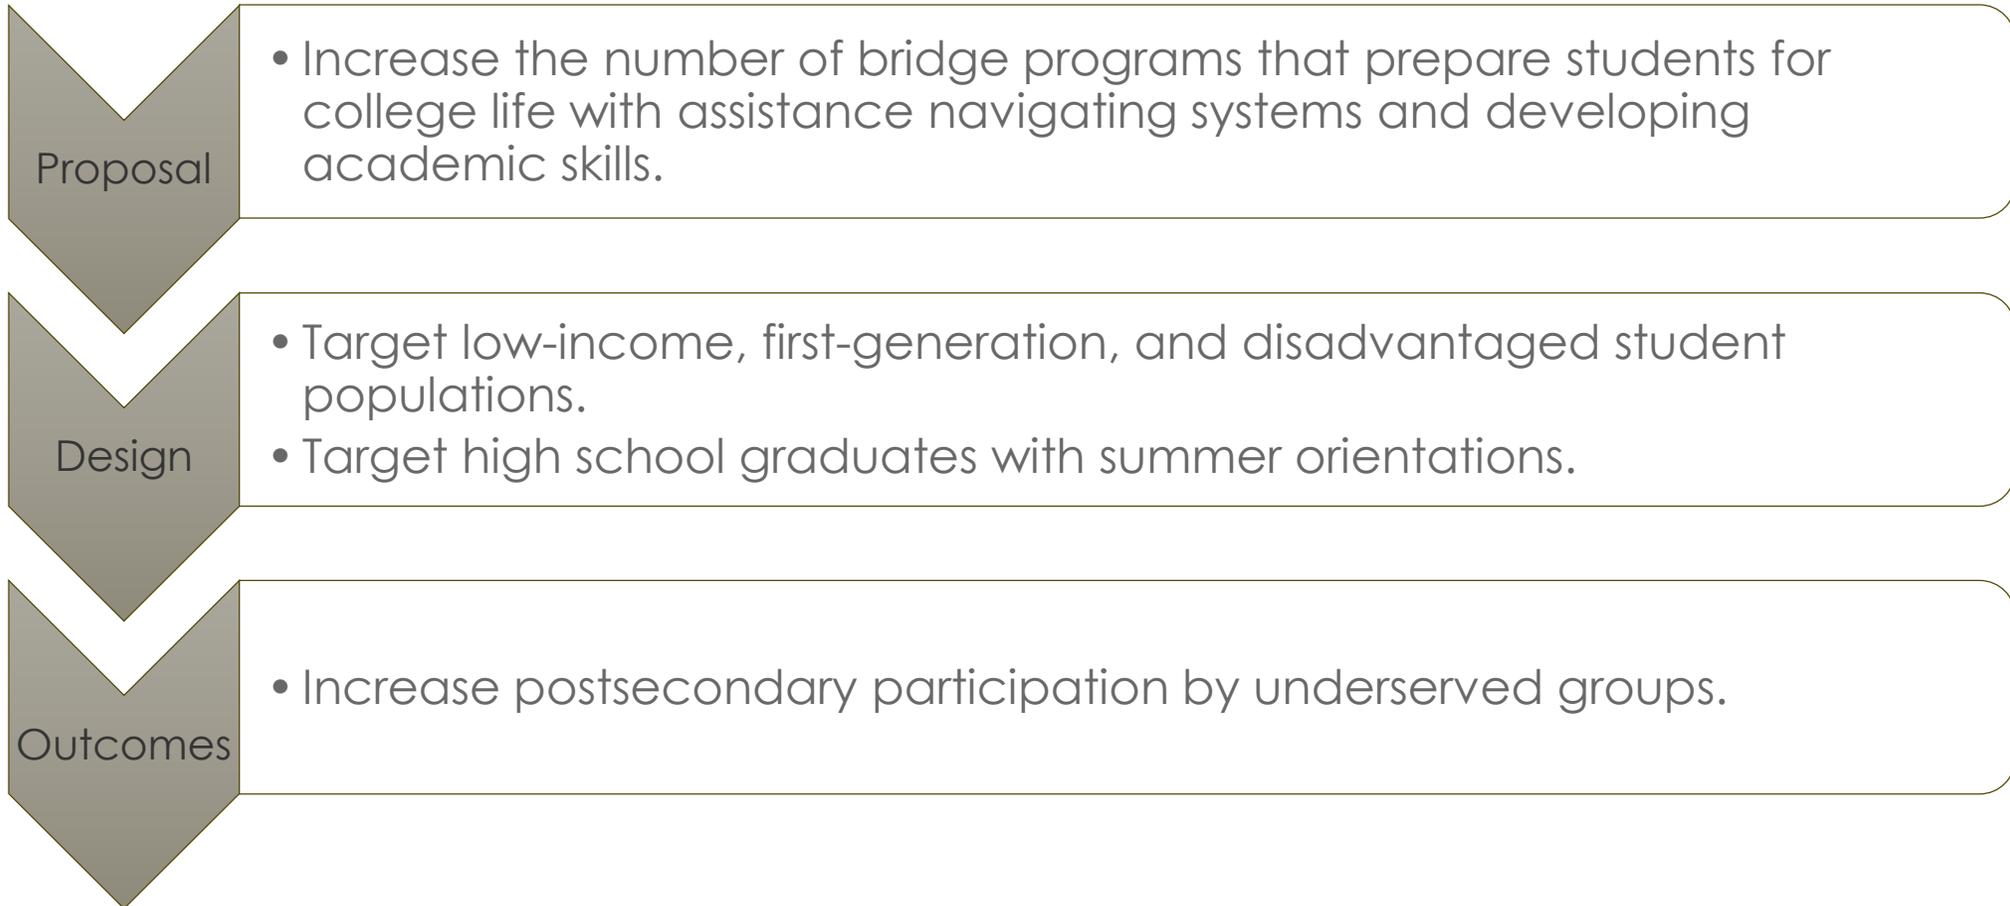

# Institutional innovations

# Bridge programs

# Key questions: Student success

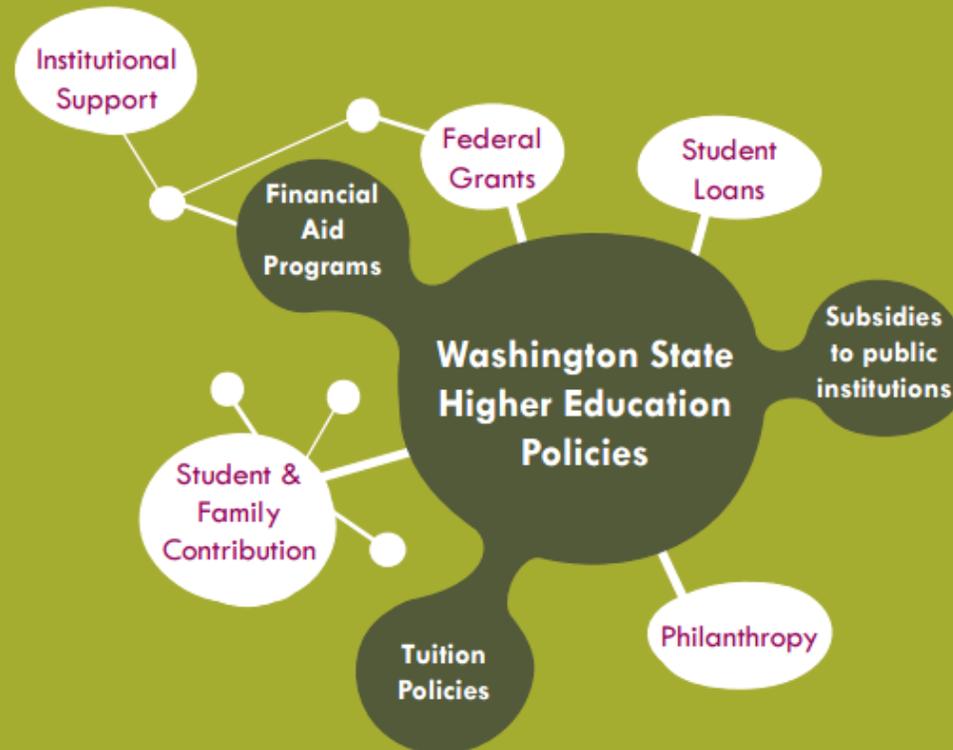

1. If not constrained by resources, what innovations would this proposal include (best-case scenario)?
2. What elements of this proposal are essential for success?
3. How should this proposal use existing efforts or programs?

# Access and affordability

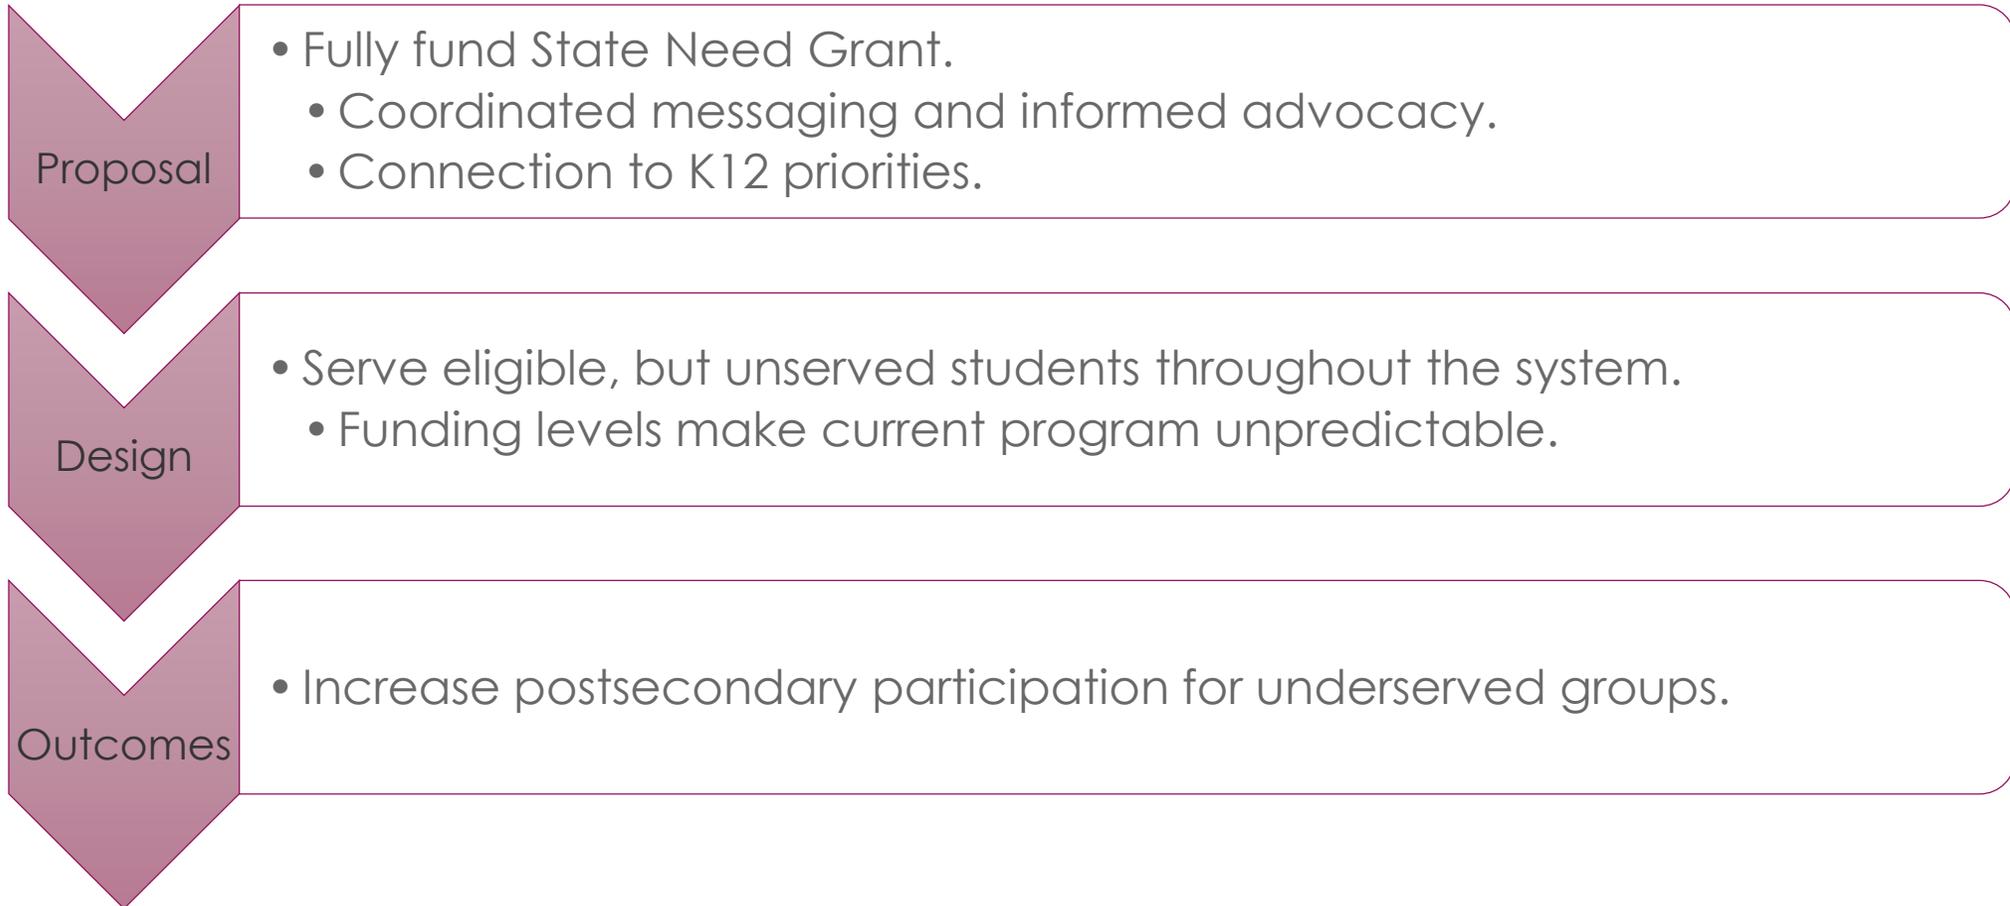

State legislatures have key policy levers to make college affordable for all students.

# Need-based aid

# Work-based learning

## Proposal

- Reinvest in State Work Study. 95% of participating employers report SWS made their org. more productive. It's the only state aid program available to graduate students and eligibility stretches into middle class

## Design

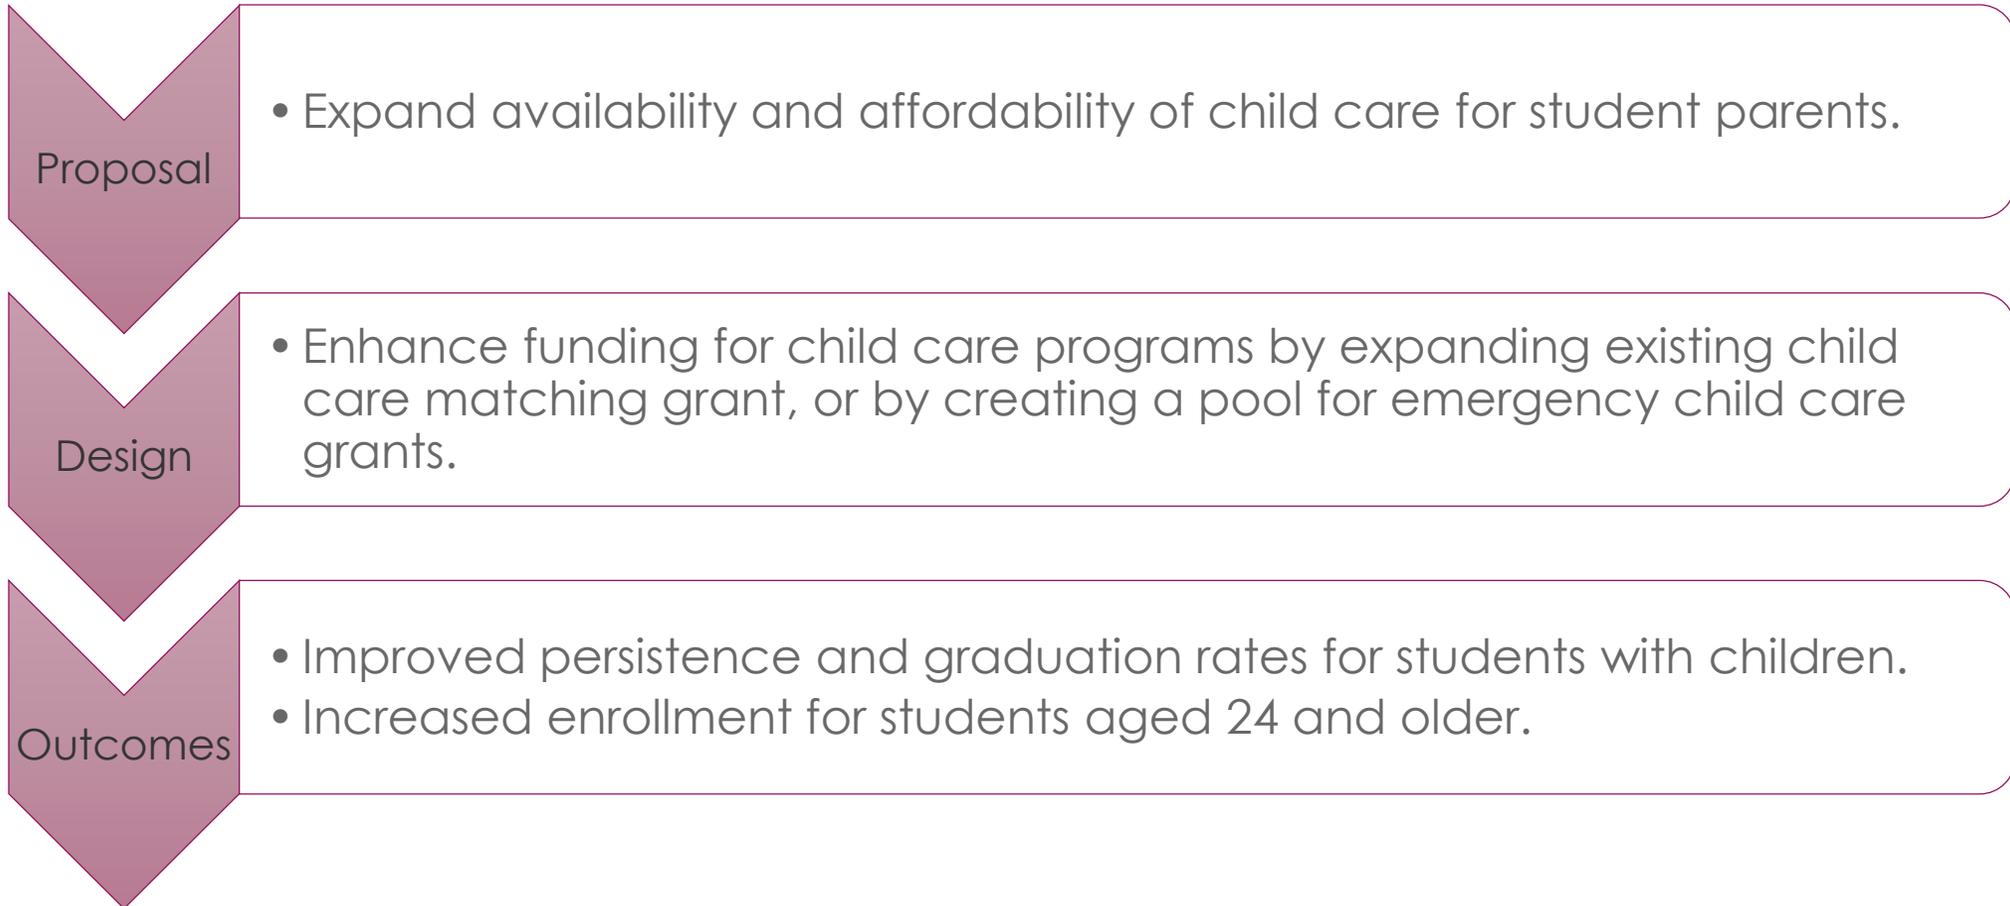

- Expand funding to serve additional students.
- Target funding for high demand fields.

## Outcomes

- 66% of SWS employers have hired former SWS employees.
- Lower debt for various students (lower-income; graduate students).
- Better post-graduation employment outcomes.

# Child care assistance

# Key questions: Access and affordability

1. If not constrained by resources, what innovations would this proposal include (best-case scenario)?
2. What elements of this proposal are essential for success?
3. How should this proposal use existing efforts or programs?
