ACHIEVEMENT COUNCIL
EDUCATION · OPPORTUNITY · RESULTS

Today's Purpose: Share Vision and Develop an Action Plan

The End Game

Why is there interest in supporting returning adults?

Washington's Strengths

What are examples of successful initiatives that can be leveraged?

System Approaches

What is the value of a system approach and what are some examples?

Project Plan

What is the proposed work plan for 2017 – 2018 and how will we evaluate our progress?

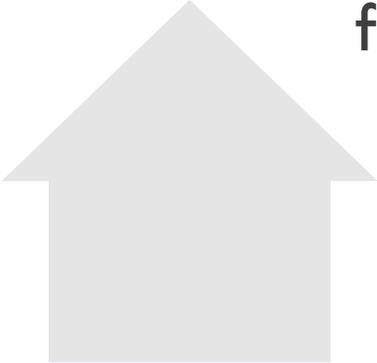

How does adult reengagement relate to state goals?

Why is there interest in focusing on supporting returning adults in Washington?

THE ROADMAP

A Plan to Increase Educational Attainment in Washington

Ensure our residents can compete for the best jobs in Washington.

100% of adults* will have a high school diploma or equivalent.

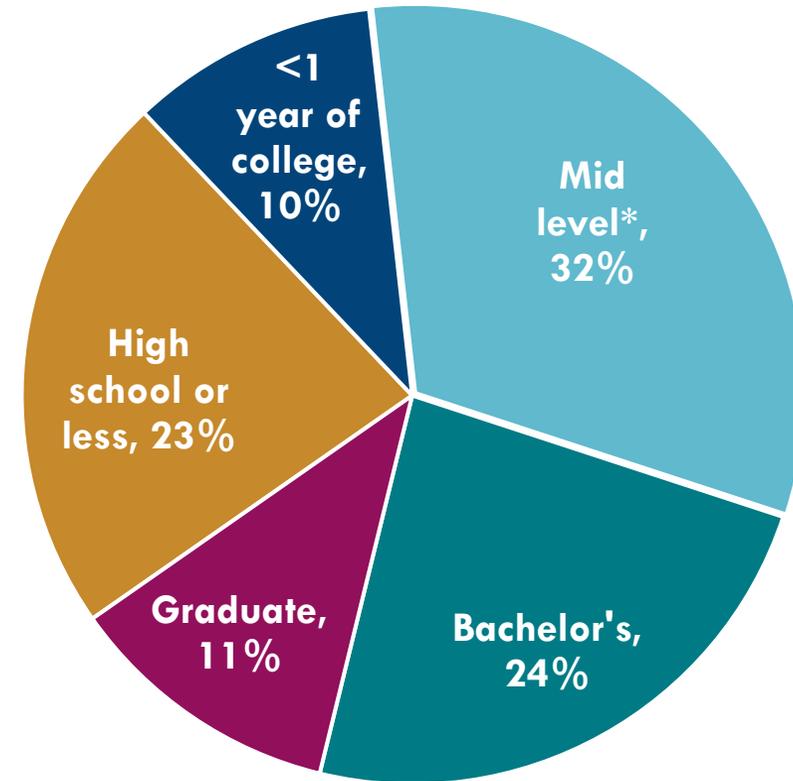

At least 70% of adults* will have a postsecondary credential.

Washington's educational attainment goals by 2023.

*Adults in Washington aged 25-44.

- Over 3/4 of job openings in Washington require education beyond high school.
- The state goals reflect needs in Washington and are consistent with analysis by national experts:
 - Lumina Foundation
 - Georgetown University Center on Education and the Workforce

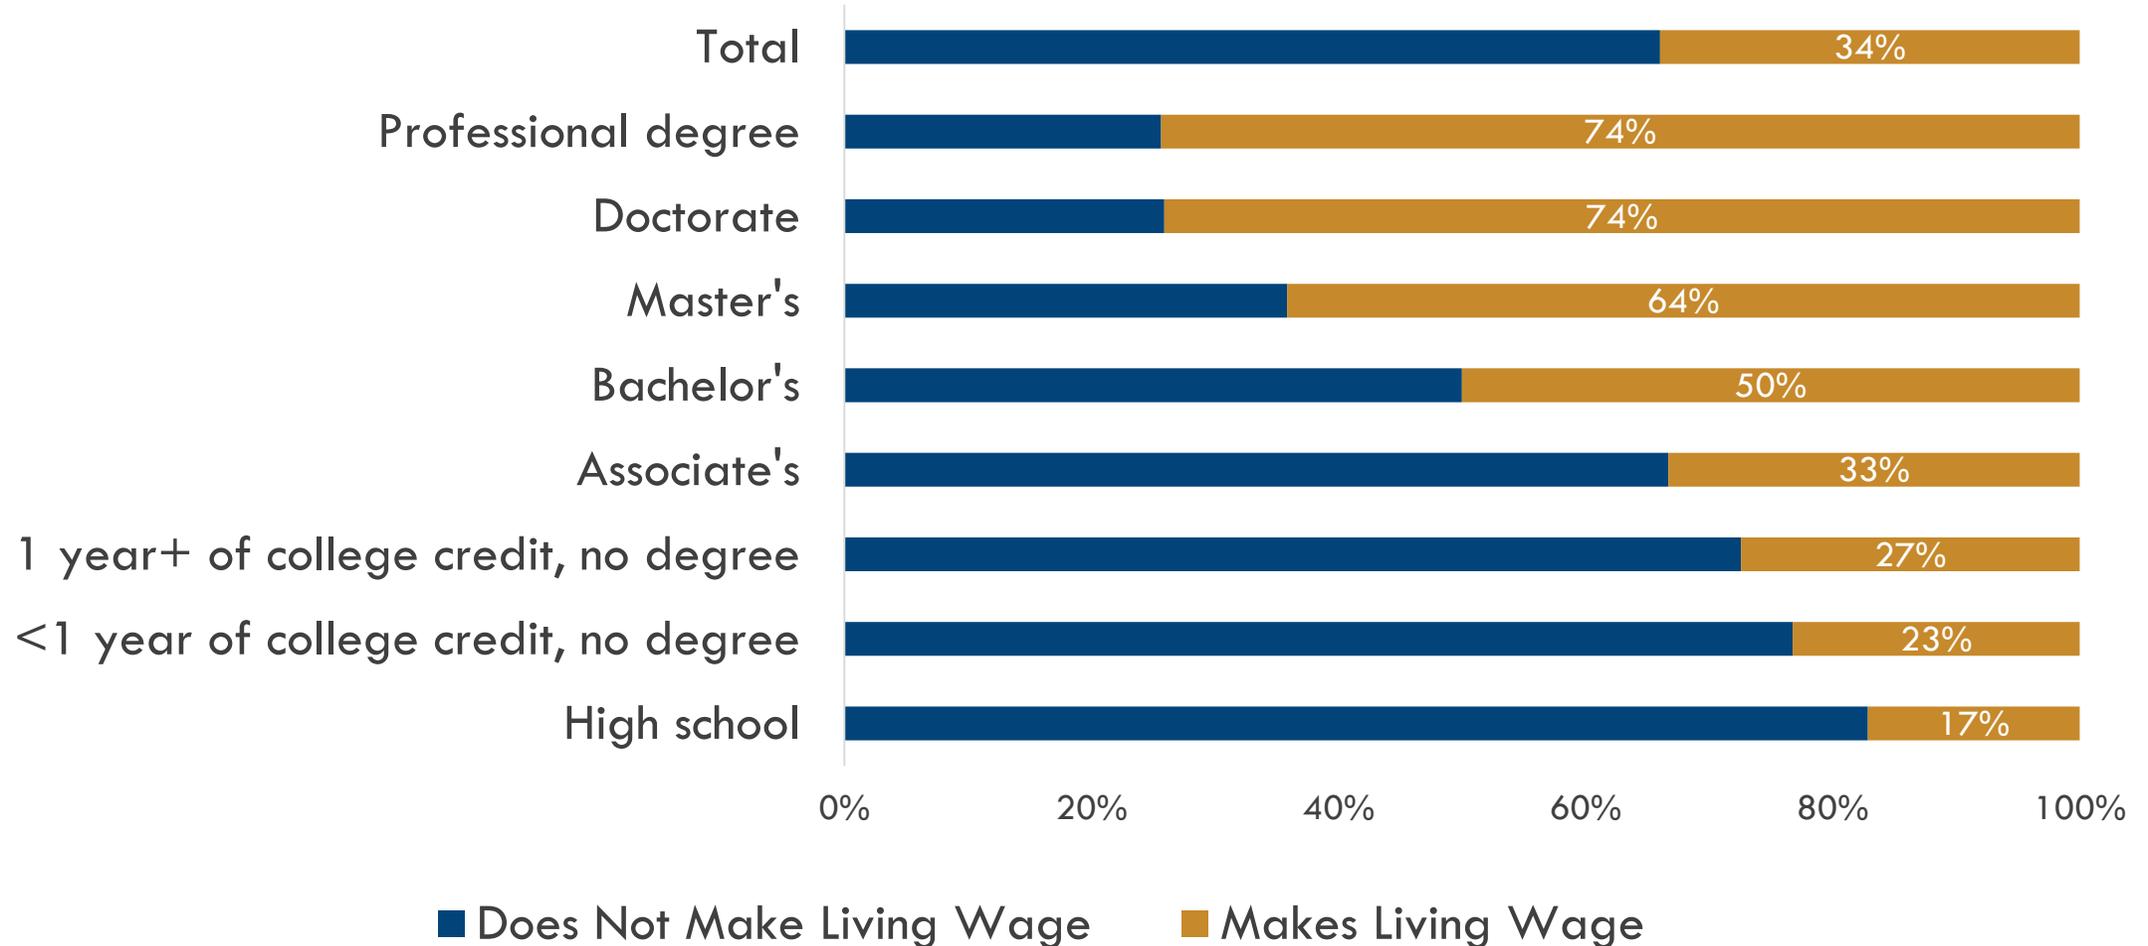

*Mid level: A year or more of college credit, including associate degrees.

Percentage Earning a Living Wage for Washington

Living Wage by Attainment

Growth in Credentials Required to Meet the Goals

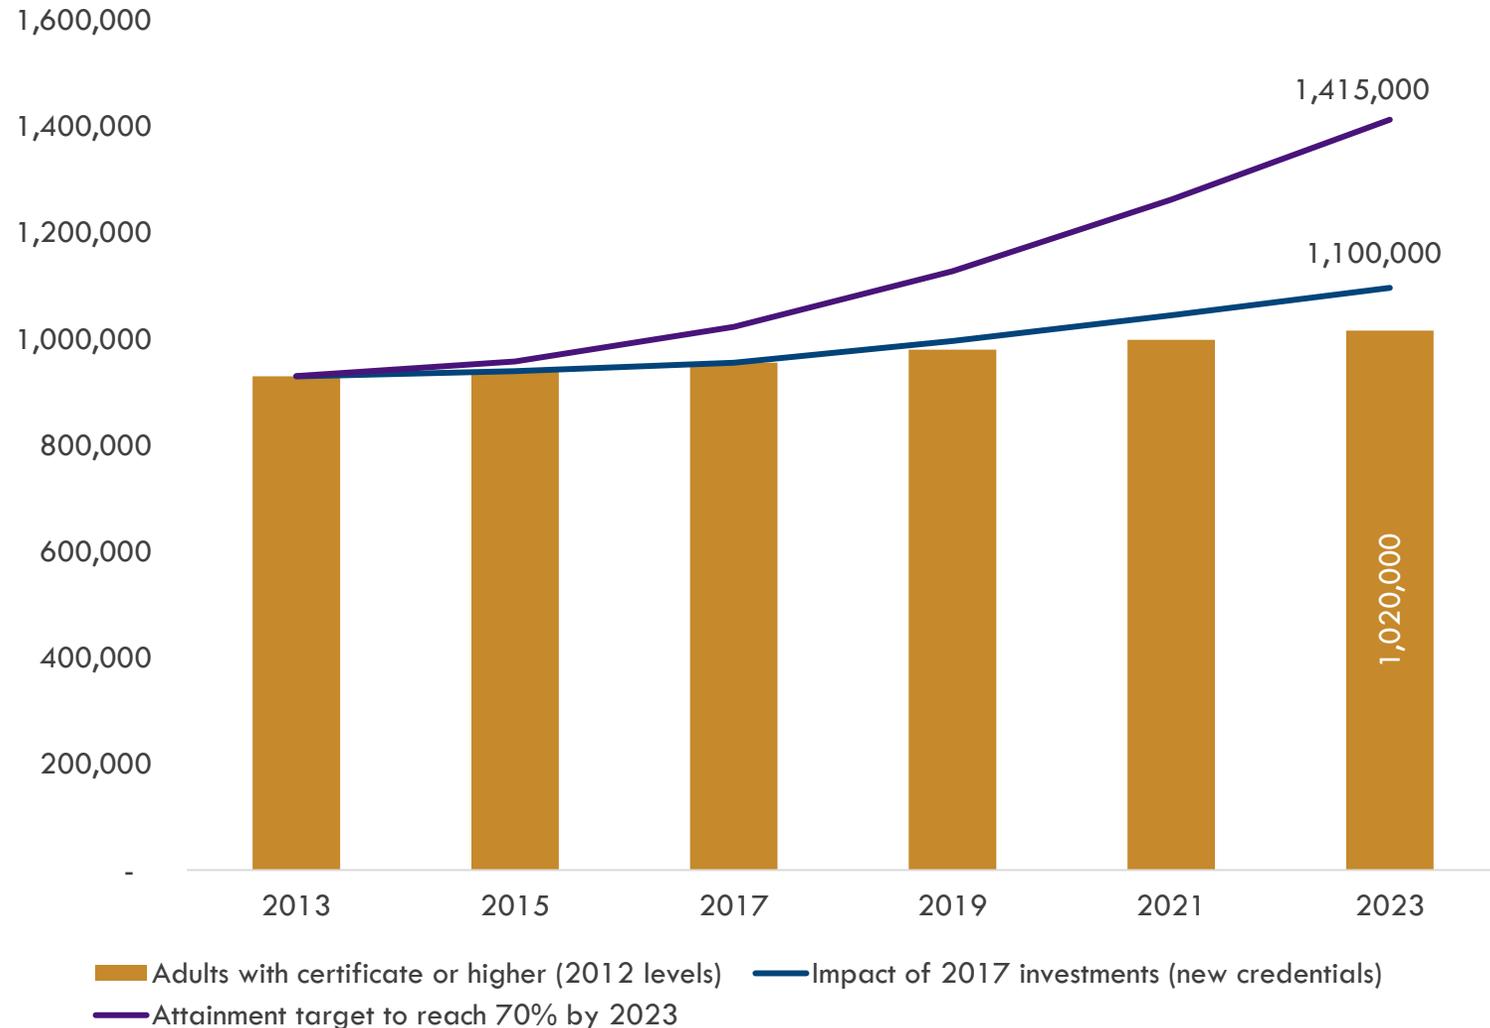

To meet the goal and address population growth, 500,000 additional adults would need to complete a credential.

90,000 would be required to keep pace with population growth.

80,000 could result from 2017-19 Strategic Action Plan investments.

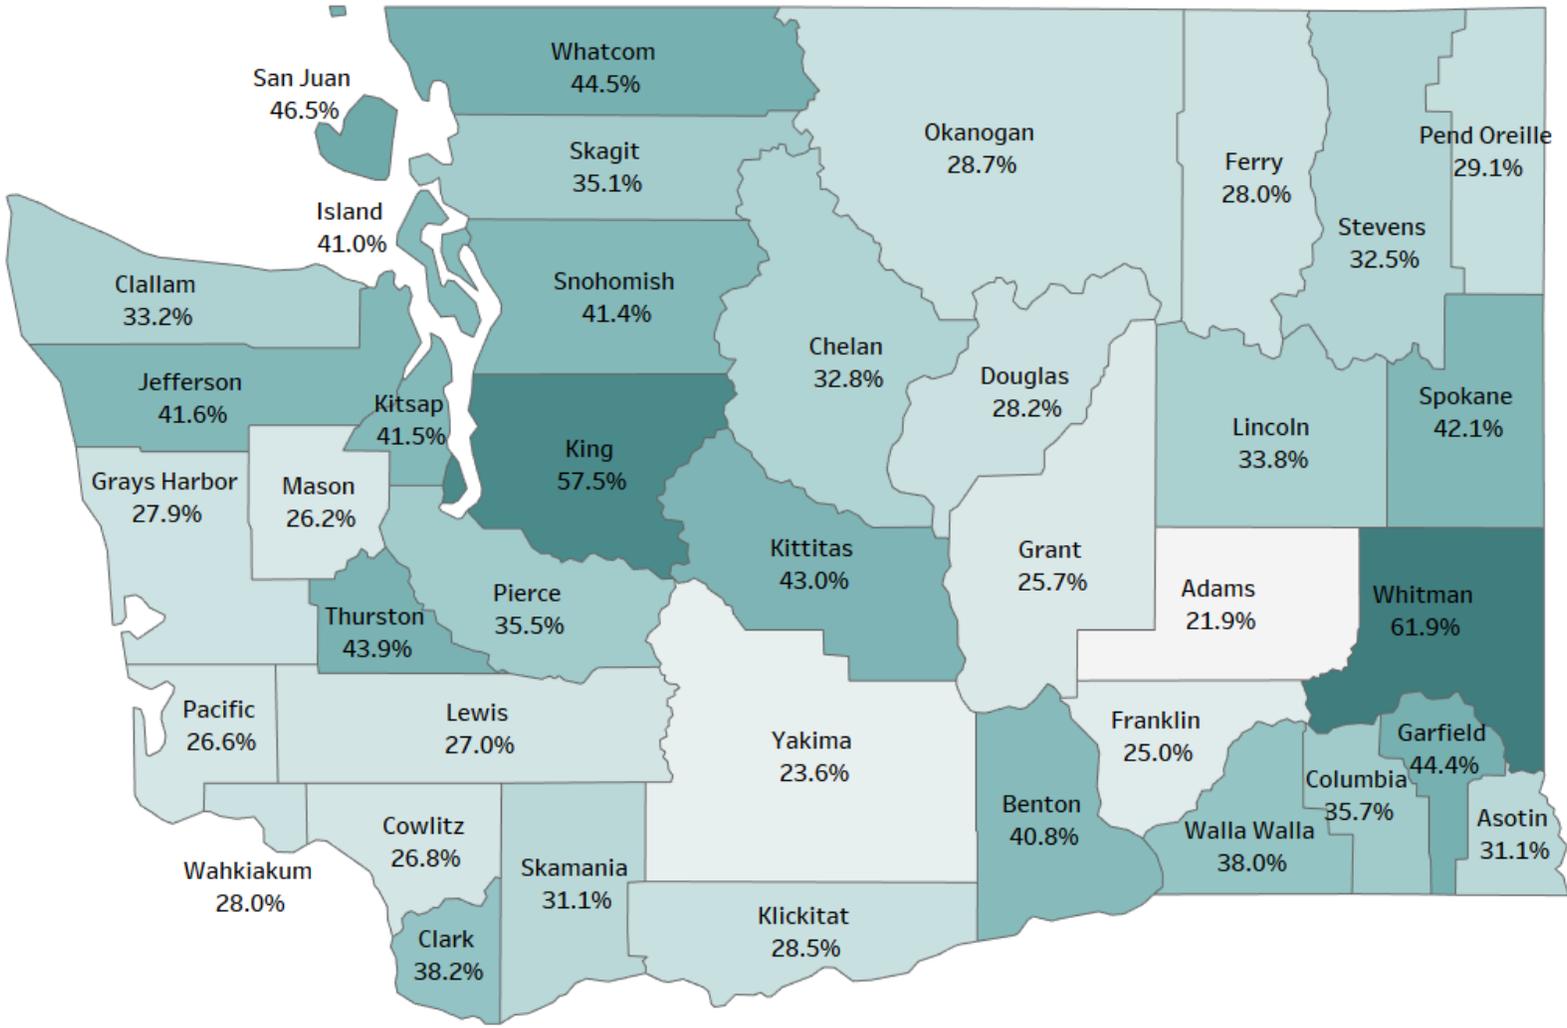

Increases in Attainment Required to Meet Roadmap Goal of 70% Postsecondary Attainment by 2023

Attainment Varies by Region

The percentage of residents with an associate degree or higher ranges from 21 to 62.

Source: U.S. Census Bureau, 2010-14 American Community Survey 5-Year Estimates as cited in Lumina's Stronger Nation 2016. Residents ages 25-64 with at least an associate degree by county.

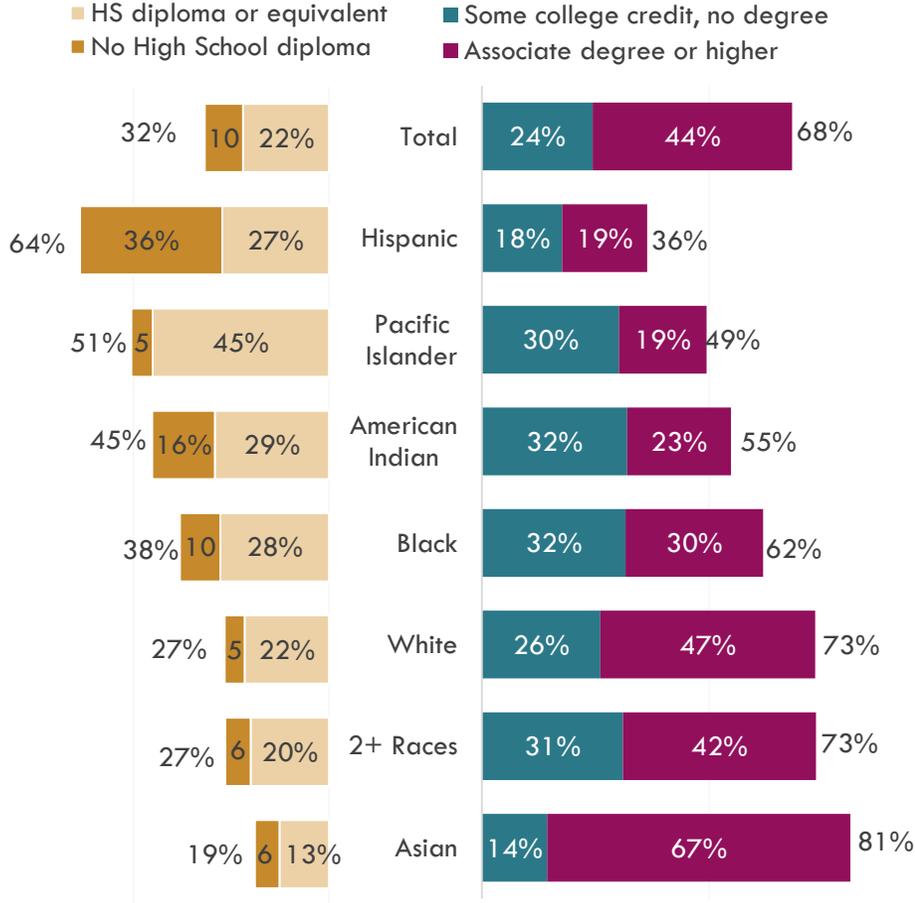

Attainment Varies by Population

Students from racial and ethnic minority populations represent an increasing share of Washington’s high school population.

However, attainment gaps persist for certain populations.

Educational Attainment of Washington Residents Aged 25-44

Source: WSAC staff analysis of ACS year 2011-2013 (September 2016)

Call to Action

Proposes strategies to support the entire education continuum.

Urges investment in an array of programs targeting every level of the education system.

Opportunity gap

- High school completion and postsecondary access and completion for historically underserved populations.

Reengaging adults

- Postsecondary recruitment and completion of a credential for working-age adults.

Affordability

- Improved access and affordability for low-income students.

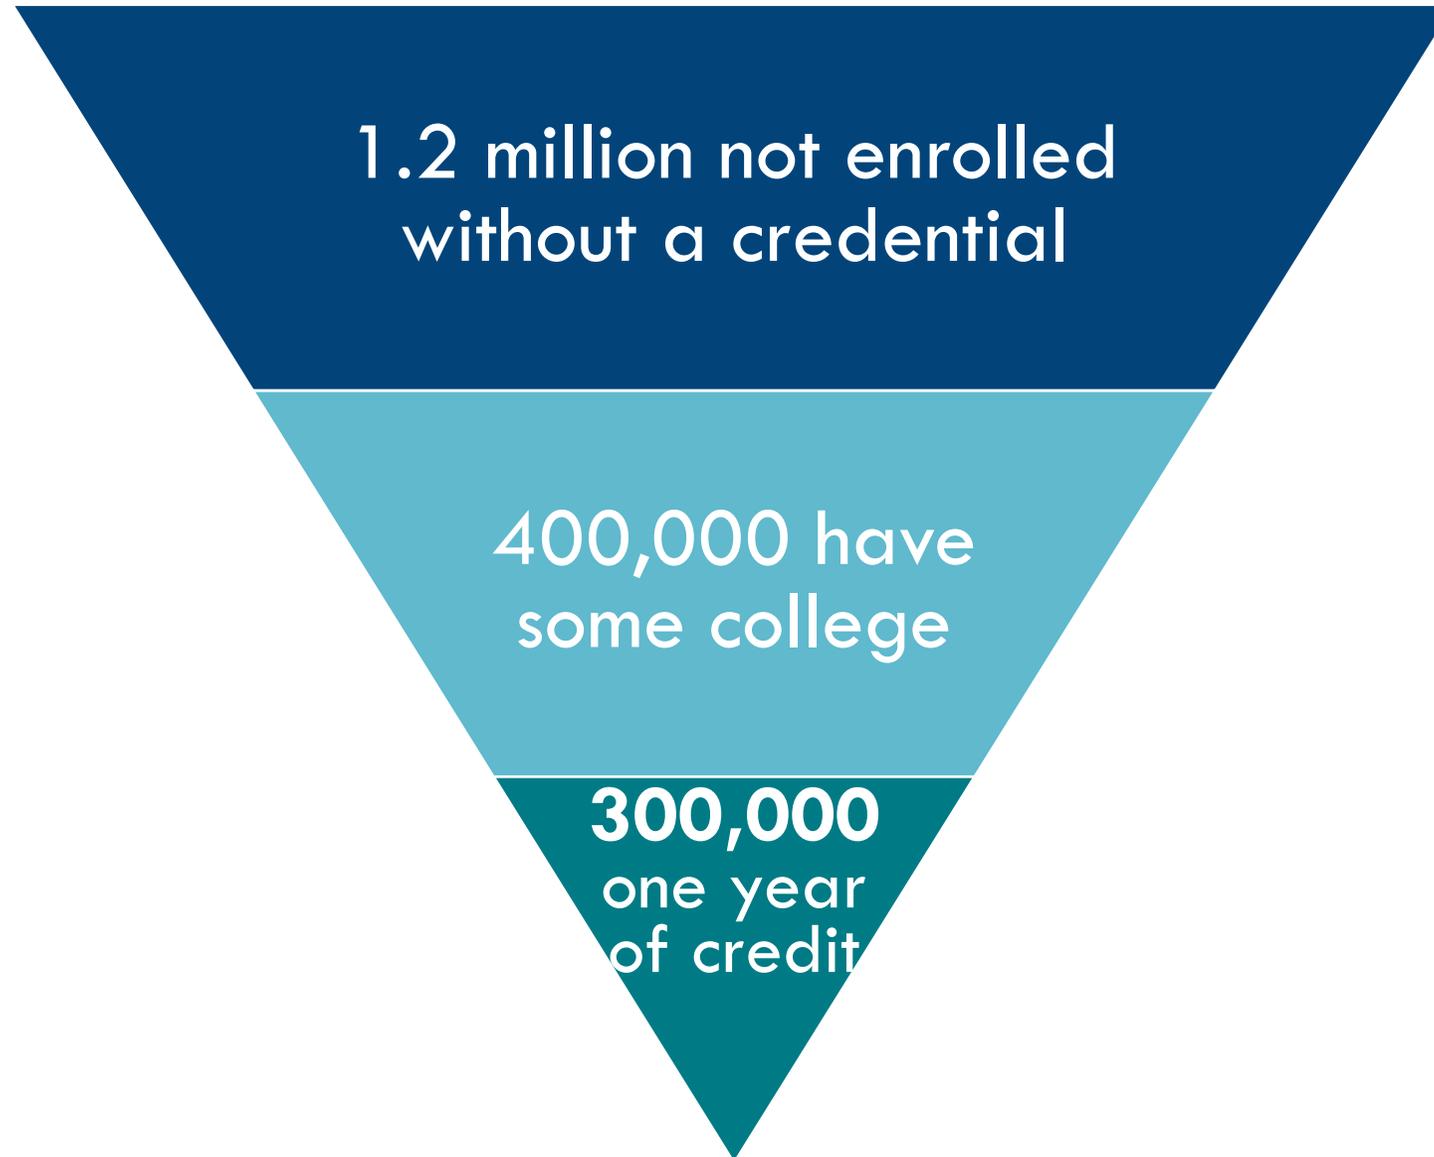

Encourage adults to earn a postsecondary credential.

Provide tailored information regarding continuing education and provide support to adults, especially those with some postsecondary credits but no credential.

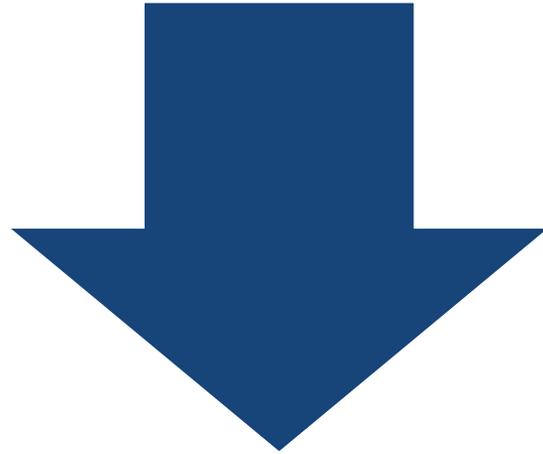

- 2013 Roadmap action item
- 2015 laid the foundation
- 2016 SHEEO technical assistance
- 2017 Strategic Action Plan

Collaborate with partners to develop a statewide framework to recruit and retain adult students, with an emphasis on those with some college credit but no credential.

Many Adults Have Credits Without a Credential

Examples of Unique Challenges Adults Face

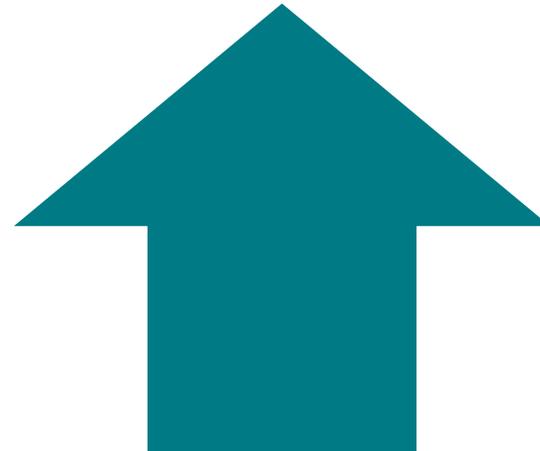

Individual

- Family & work obligations
- Remediation
- Veterans transitions
- Negative experiences

System

- Stale credits
- Credit acceptance
- Aid timeframe limits
- Access to records

Why is our state well positioned?

What are examples of successful policies,
programs, institutional initiatives and
regional efforts?

Washington Initiatives – Highlights

| State Policies | Programmatic | Public Four Year | CTC | Private Four Year |
|--------------------------------------|-----------------------------|---|---|---|
| Credit for Prior Learning | Peer mentoring | Branch campuses CWU 7 centers | Applied BA degrees | SPU online engineering |
| Transfer | Orientation | WWU Destination Graduation (181/229) | BEA/HS Completion | SU extension college |
| State Need Grant for part-time | Degree and career maps | EWU phone-a-thon | Workfirst – training to TANF recipients | Whitworth cohort model, 3x wk, w/ books |
| Veterans (residency, waivers) | Alternative delivery | CWU competency-based online | Short-term stackable certificates | SMU systems academy BS |
| Flexible aid (Worker Retraining) | Year-round offerings | WSU global campus | IBEST basic skills and credential | WGU online & competency-based; flat tuition |
| Enhanced transfer grant (not funded) | Emergency aid | TESC eve/wknd | Online programs | |
| | Expanded support hours | UW online degree | Competency-based pilots | |
| | On-campus child care | UW ROAR | Guided pathways | |
| | Advising and career support | | Math alignment | |
| | | | Assessment redesign | |

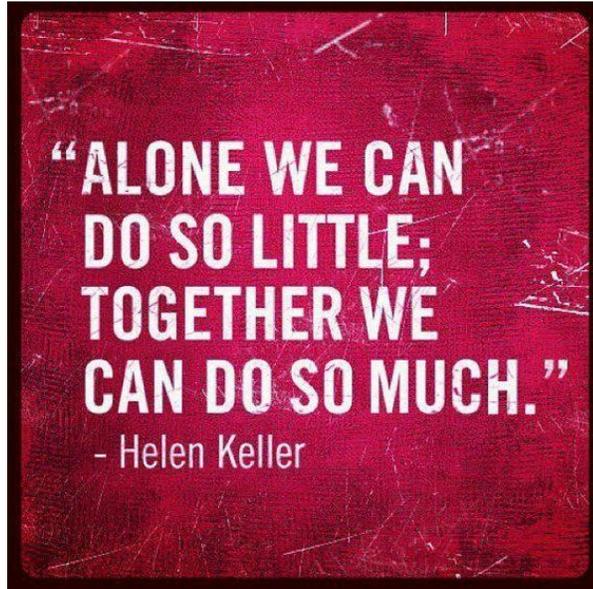

Regional and Community-Based Approaches

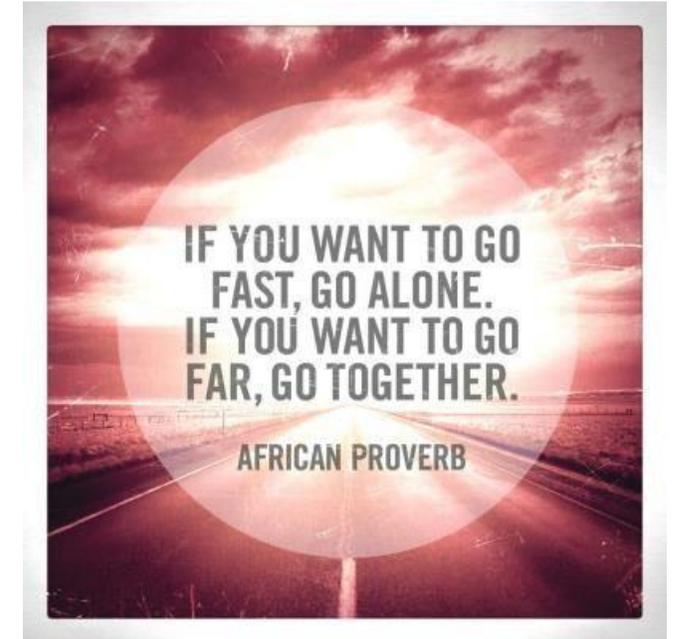

What is the value of a systems approach?

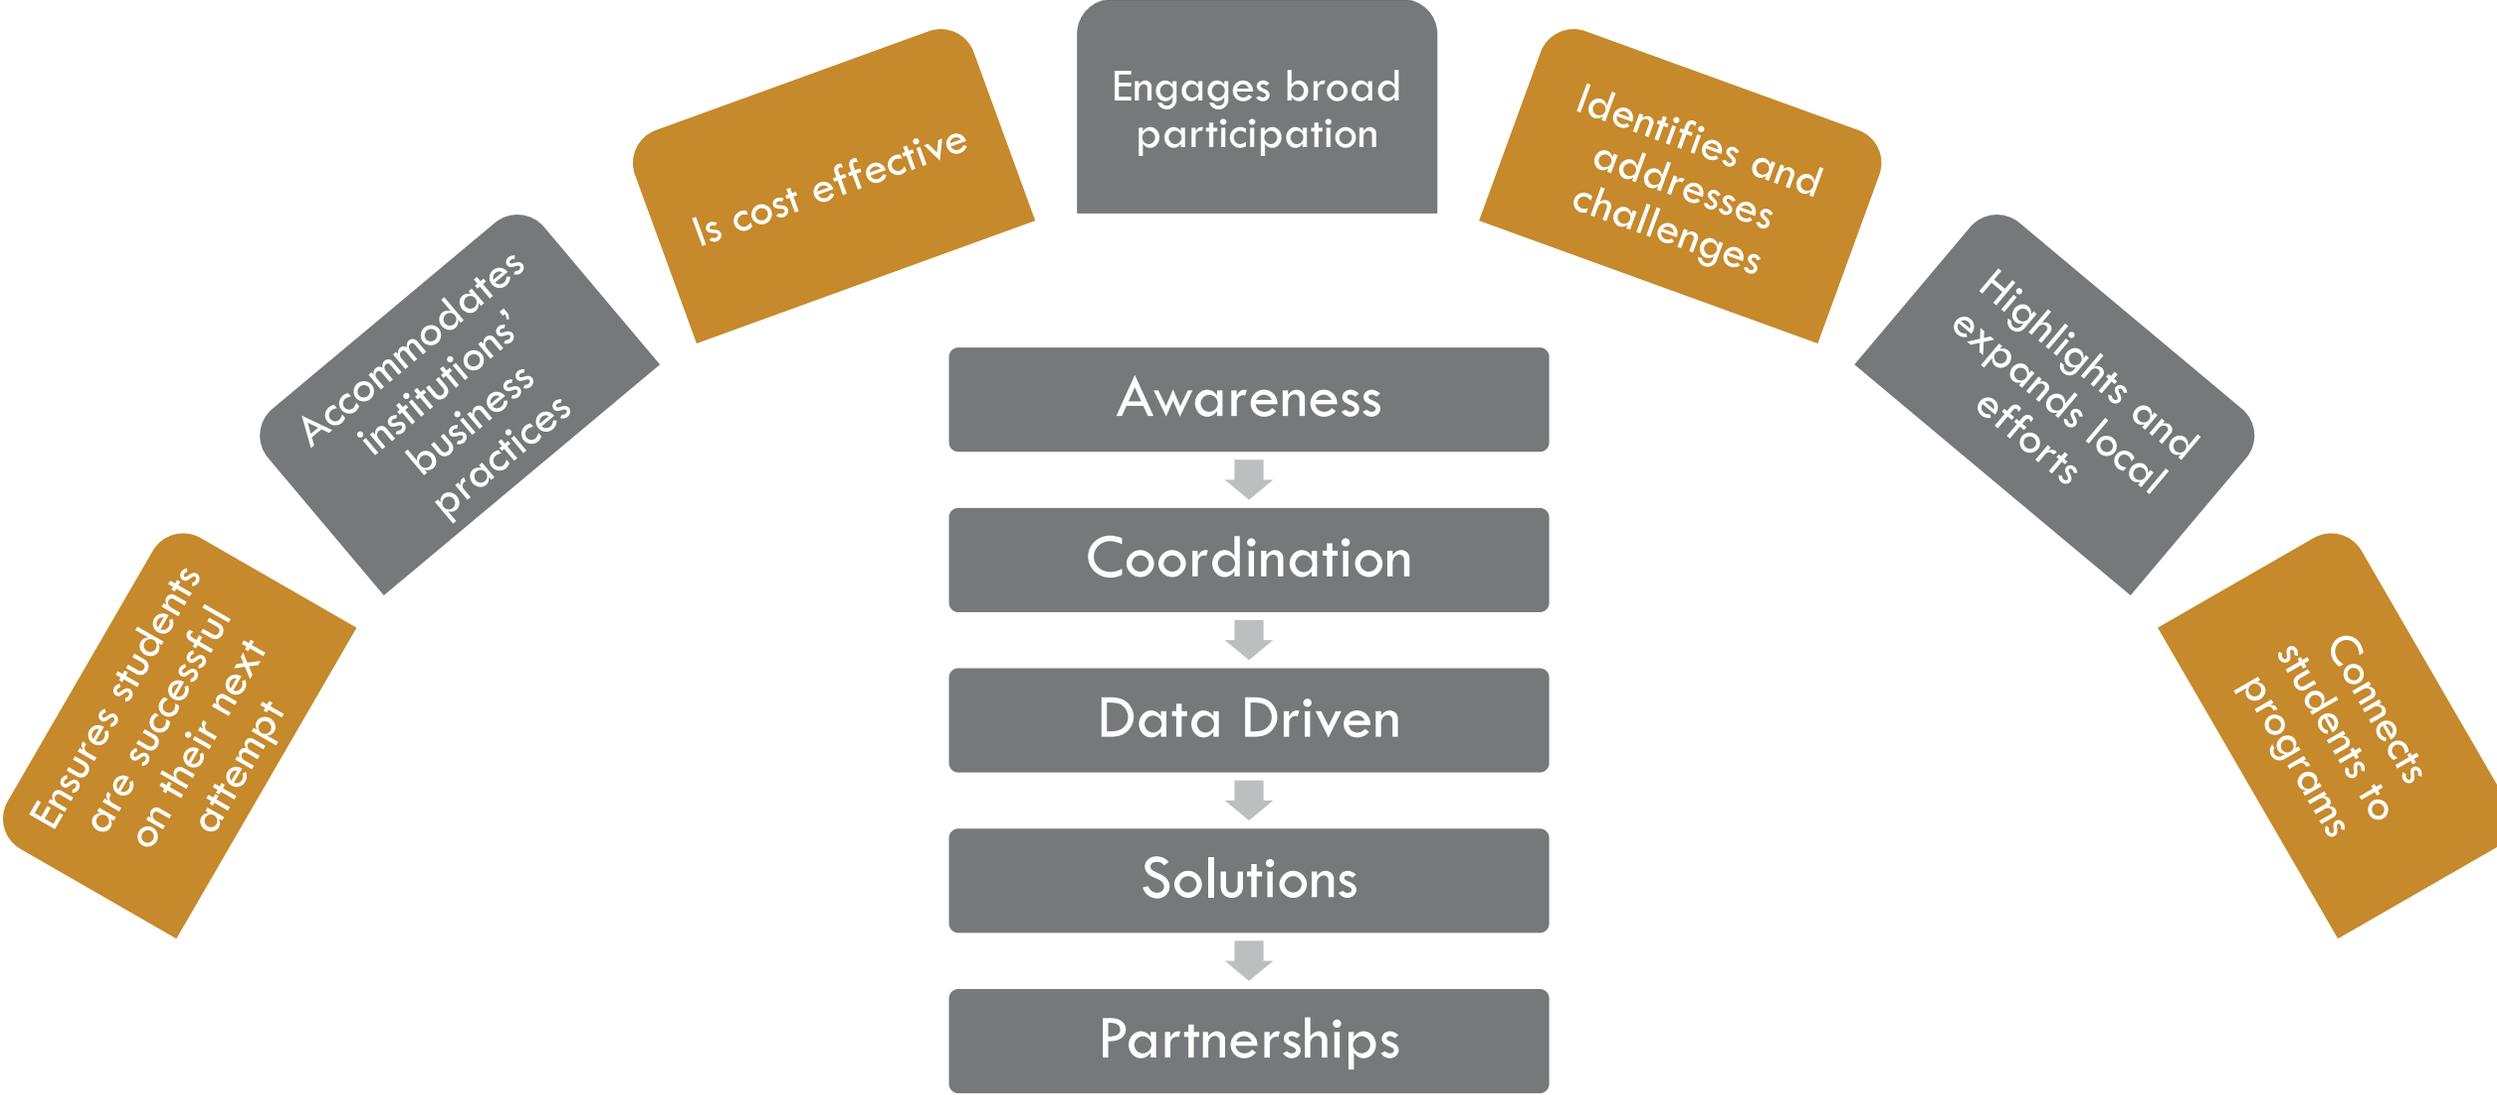

What are positive impacts of coordinated and connected system approaches?

Never doubt that
a **small group**
of thoughtful,
committed citizens
can **change the world.**
Indeed, it is the only
thing that ever has.

READY TO RECONNECT? LET'S GET STARTED!

Whether it's time to get serious about returning to school or you're starting to plan for your undergrad adventure, we've got you covered.

RETURNING TO FINISH A DEGREE

Explore your interests, see what credits you may already have, discover your options and find a school and how to pay for it. There is no better time than now to finish your degree.

LET'S GO!

GOING TO COLLEGE FOR THE FIRST TIME

Do you want to increase your earning power? Prepare for a different career? Learn something new? Explore ways to help you choose the right school so you can enjoy an ROI that will last a lifetime without regret.

LET'S GO!

VETERANS AND SERVICE MEMBERS

Applying to a college is not so different for a veteran compared to any other student. There are just a few extra considerations. And luckily, you should have quite a few resources.

LET'S GO!

Texas GradTX

- *Finish your college degree.*
- Flexible options for bachelor's degree completion.

The screenshot shows the GradTX website header with a green background. The logo 'GRAD TX' is prominent, with the tagline 'Finish Your College Degree' below it. Navigation links include 'About Grad TX', 'Earn a Bachelor's Degree', 'Designed for you', and 'Participating Universities'. A 'FAQs' link is in the top right. Below the header, a photo of a smiling couple is shown. A quote from Limmisia is overlaid on the photo: 'My husband was there for me while I finished my degree, and now I can support us while he finishes his.' Below the quote, it says 'LIMMISSIA | COLLEGE GRAD AT AGE 33'.

Welcome to Grad TX

Finishing your bachelor's degree is more than a personal achievement. It's an accomplishment that opens doors to greater opportunities and earning potential. Grad TX is a new program from the State of Texas that connects you with Texas universities dedicated to helping you return to college, finish your bachelor's degree, and advance your career. Using the

Earn Your Bachelor's Degree

Finish your bachelor's degree and open doors to a new career and a new phase of life. Participating universities include:

Washington Adult Reengagement Framework

What is the proposed work plan for 2017 – 18?

Recommendations and evaluation

- Conduct focus groups in four locations across the state
- Understand needs and decision-making processes regarding postsecondary education
- Focus on Washington citizens between the ages of 25–44

- Partnered with Western Washington University's Center for Economic and Business Research
- **Screening survey** to identify target population for focus groups
- Invite **selected participants** to the focus group

- What are the key barriers to reengagement?
- What are the best means for reengagement?
- Content for platforms?
- Affordability issues
- Family/life balance

The following key questions will be addressed by the workgroup for each of the three areas:

1. Who should be involved?
2. What feedback from the focus groups will shape the work?
3. How will progress be evaluated?
4. What short- and long-term resources are needed?
5. Are policies (modifications) needed?
6. Are programs (scaling) needed?
7. What are recommendations in this area?
8. Other?

The following questions are specific to the area of Communications:

1. What are the most effective methods to identify adults with credits?
2. What information should be available to all inquiring students?
3. What system should be used to connect students with programs?
4. How can community or regional efforts be developed?
5. What outreach and marketing methods would be most effective for this population?

The following questions are specific to the area of Costs:

1. How can predictability and transparency be addressed?
2. How can employers and/or savings be leveraged?
3. Would some institutions pilot a financial commitment to a target group?
4. Which costs could be included?
5. Can “float term” aid be used to support returning adults?
6. How can past fees be addressed?
(fees, default, repayment, exhausted eligibility)
7. What are recommendations for child care?

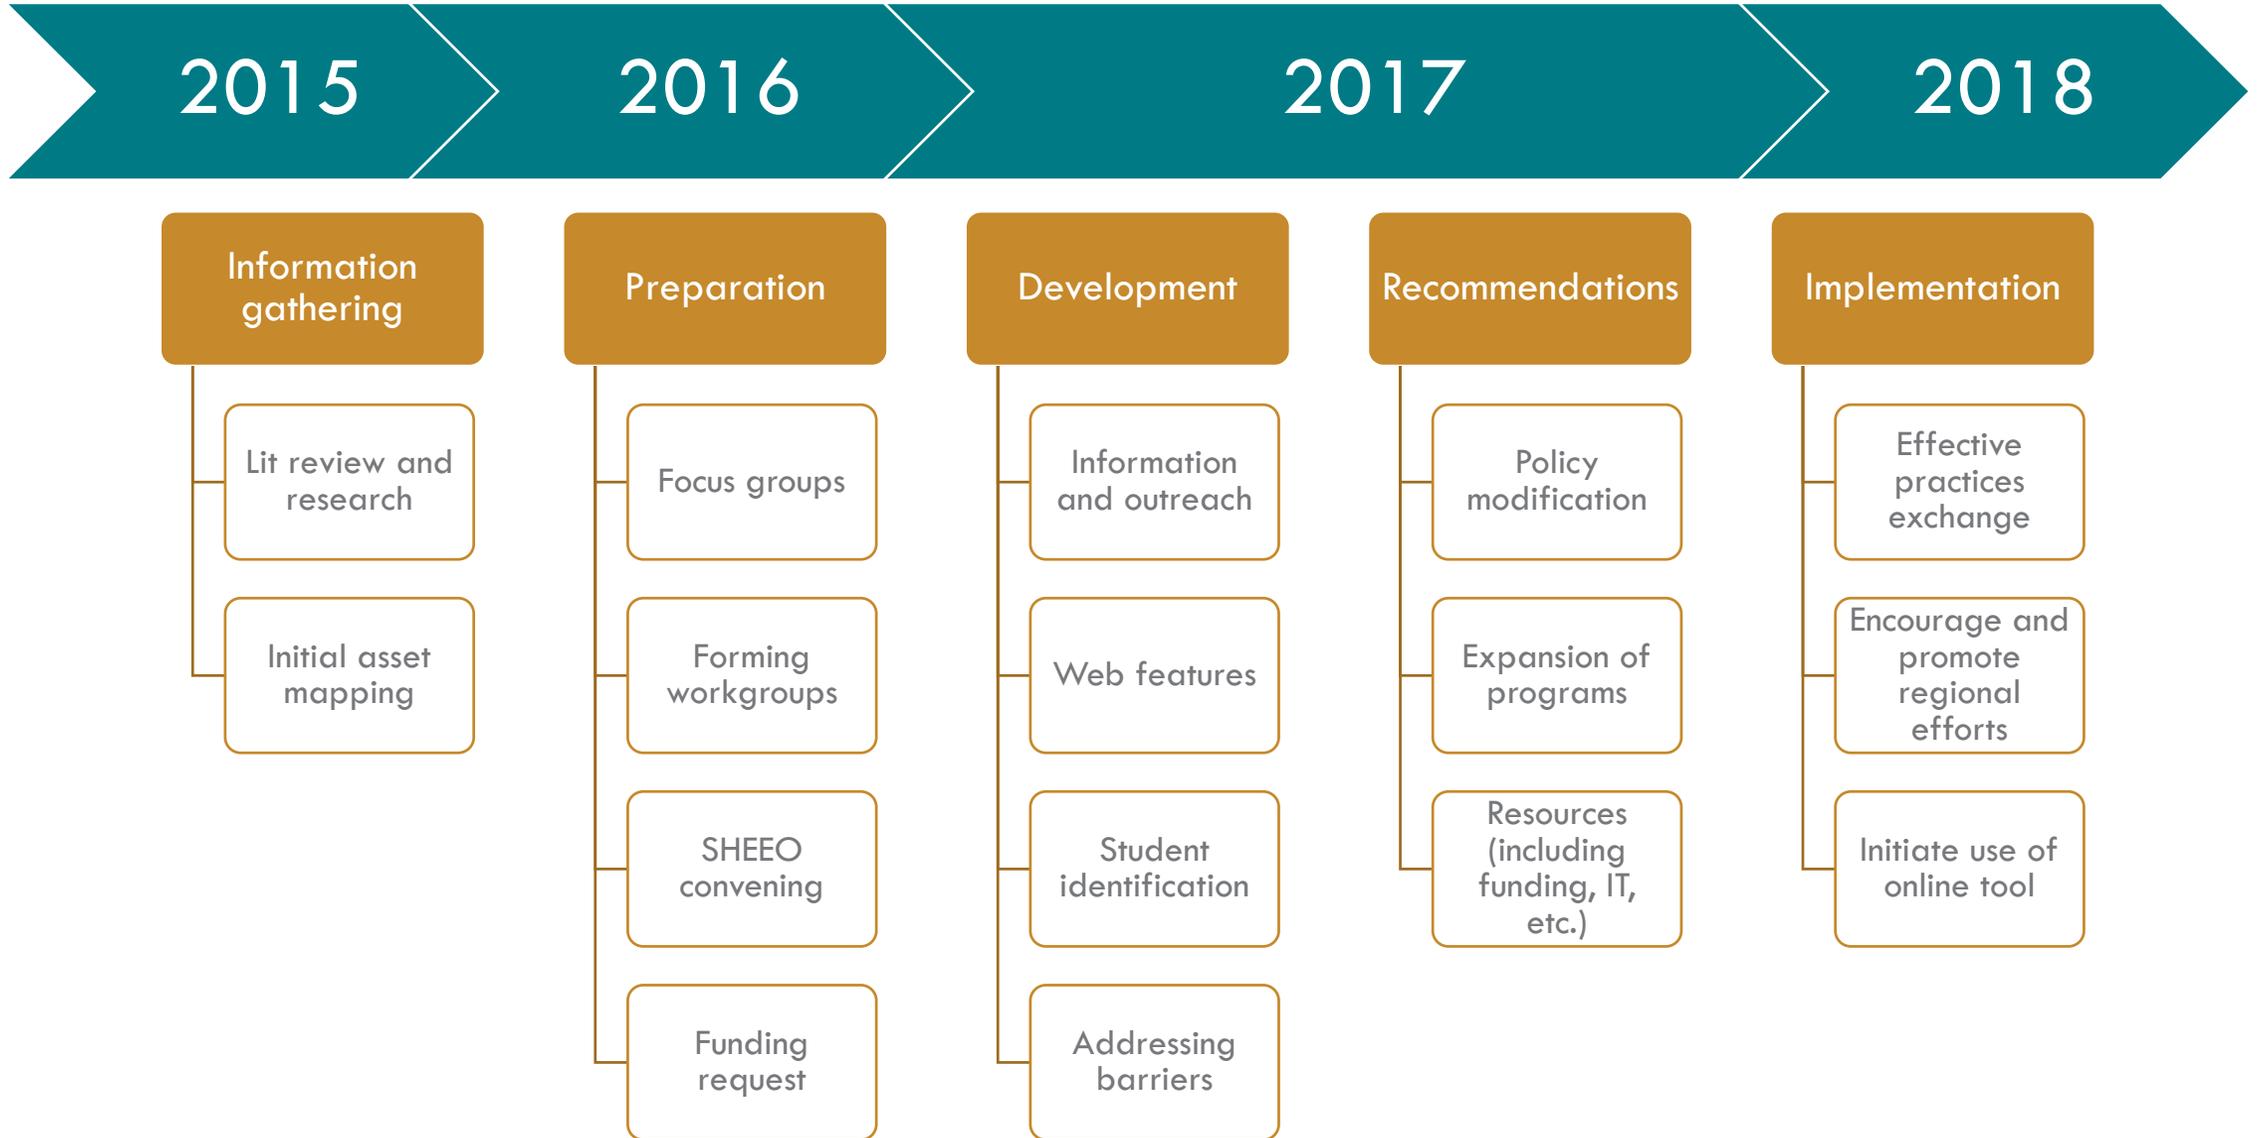

- Review Washington and national research
- Partner with Department of Early Learning and DSHS
- Evaluate accessible, available, and affordable child care

The following questions are specific to the area of Completion:

1. How are institutions serving adults in Washington related to instruction, structure, and support?
2. What are effective practices?
3. What is the best approach to a statewide convening?
4. Is there a role for nonprofit organizations in student support?
