LIVE UNITED

United Way of King County

#UWKC

Together, we're building a community where people have homes, students graduate and families are financially stable.

Together, we're building a community where people have homes, students graduate and families are financially stable.

50,000 people rise out of

people rise out of poverty

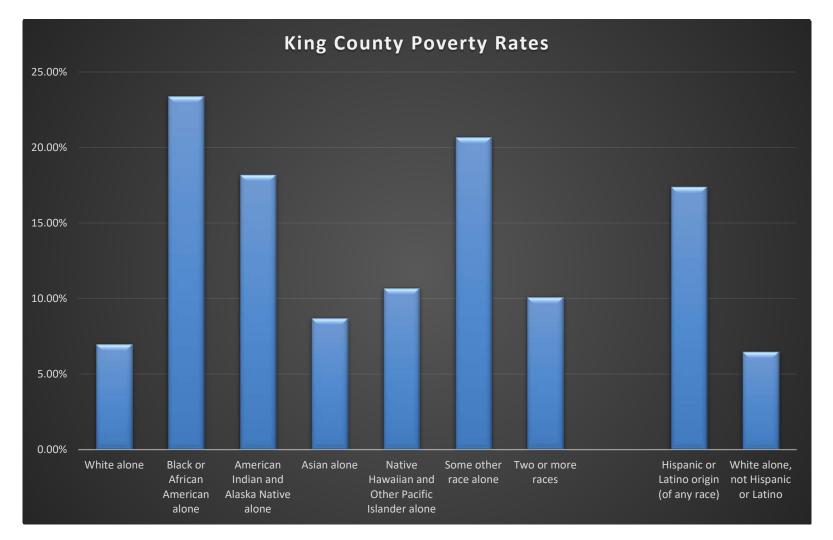

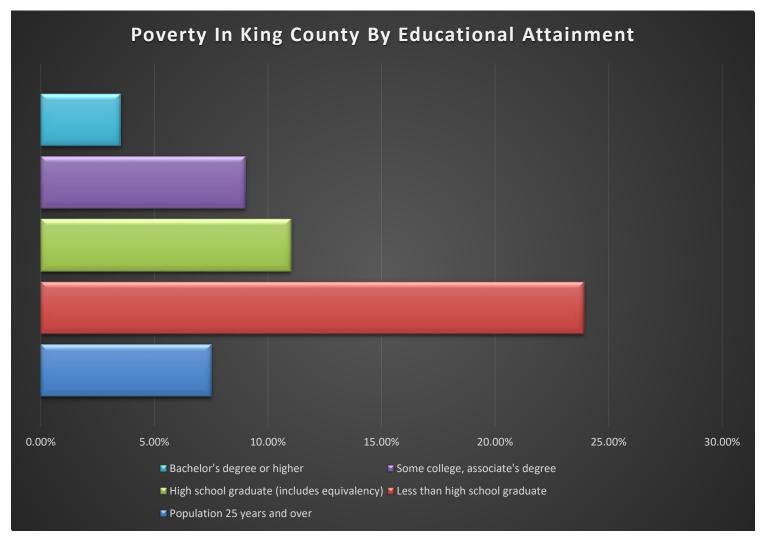

Poverty and Food Insecurity Data

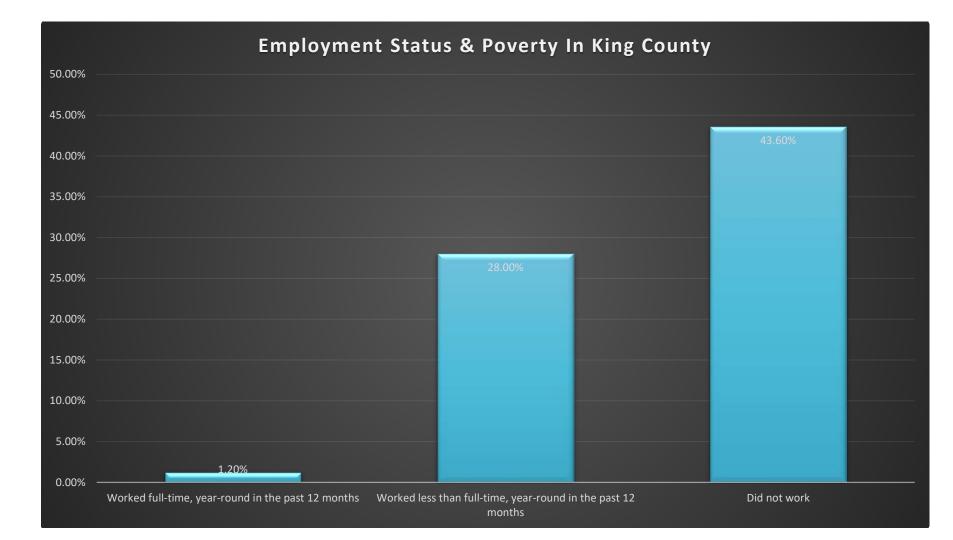

- Nationally 12.3 percent of people live below the poverty level.
- 9.3% of King County families live below the poverty level earning less than \$24,858 for a family of four.
- King County median household income rose from \$75,416 in 2013 to \$89,675 in 2017
- People of color are disproportionately impacted by poverty in King County

 more than 18.2 % American Indians and Alaska Natives, 23.4% of Black people, and more than 17.4% of Hispanic people live below the poverty line.

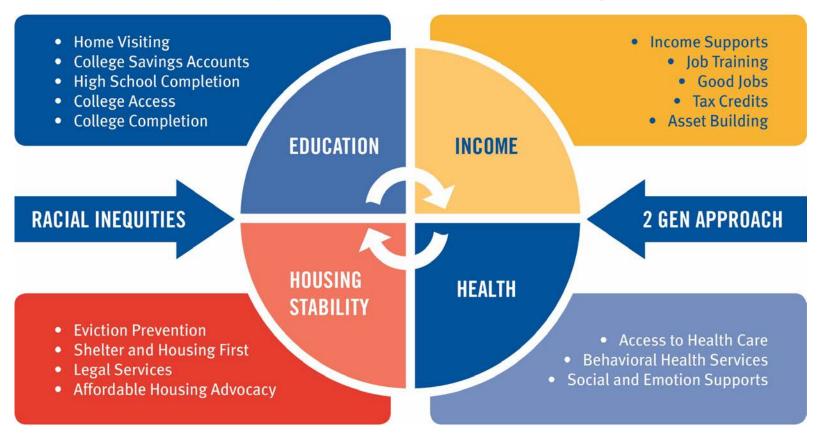

Poverty Reduction Strategies

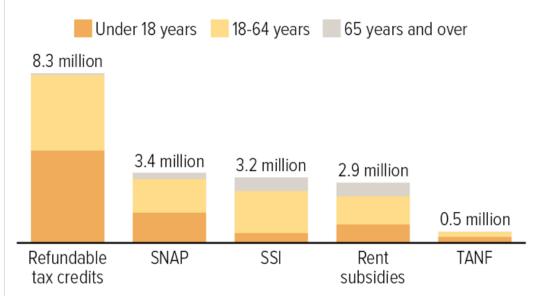

Federal Low-Income Programs Lift Millions Out of Poverty

People lifted above poverty line in 2017

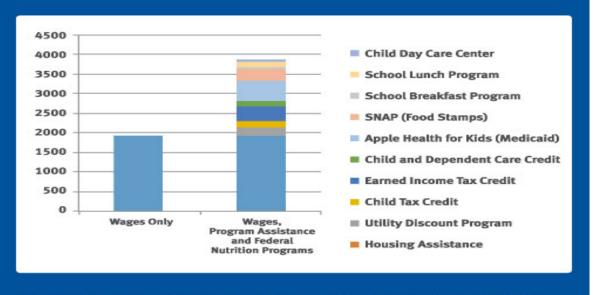

Refundable tax credits = Earned Income Tax Credit and refundable portion of Child Tax Credit (CTC); Census will release data in October showing impact of entire CTC, including non-refundable portion; SSI = Supplemental Security Income; TANF = Temporary Assistance for Needy Families

Note: Reflects the Supplemental Poverty Measure, which counts major non-cash and tax-based assistance as well as cash assistance. Figures would be even higher if they included corrections for underreporting of government benefits in survey data.
