**Background:**

Embry-Riddle Aeronautical University is a non-profit institution based out of Daytona Beach, FL. It has been authorized to offer degree programs in Washington State since 1981.

**Nature of the review:**

Prior to granting authorization to offer new degree programs in Washington State, the Washington Student Achievement Council/Degree Authorization reviews elements such as program outcomes, course requirements, method of course delivery, faculty credentials, and student services.

Information on the additional programs can be found on the university's website at:

[Bachelor of Science in Safety Management](#)

[Bachelor of Science in Engineering Technology](#)

[Bachelor of Science in Leadership](#)

[Bachelor of Science in Technical Management](#)

[Master of Business Administration in Aviation](#)

[Master of Entrepreneurship in Technology](#)

[Master of Science in Aeronautics](#)

[Master of Science in Information Security and Assurance](#)

[Master of Science in Management](#)

[Master of Science in Unmanned and Autonomous System Engineering](#)

**Timeline:**

The WSAC will accept comments on this application until August 8, 2019.

Any individuals with knowledge that may indicate the institution and/or the program does not meet the authorization requirements of WAC 250-61 are requested to submit comments to: [Degree Authorization](#). Please note that comments may be shared with the institution requesting authorization and may be available to the public under Washington State law.

If you would like to know more about the current law and regulations that govern the program, they can be found at [Chapter 28B.85 RCW](#) and [WAC 250-61](#).
