Discussion:
• On a state level, what information is most useful to you?

• When you need ACPL information, what’s the best way for you to get it?

• What is your interest level in ACPL learning opportunities?
  • Webinar training? (topics?)

Recent Research

WICHE and CAEL 2020: Recognizing Prior Learning in the COVID-19 era

Initiative on Recognizing Learning

• Landscape analysis: issues in practice, policies and research needs
• Research on academic outcomes: 25k Students, >25 years, 72 institutions
• Briefs, reports, toolkits
WICHE/CAEL: Key findings

- Higher degree completion for PLA students
- Impact of PLA for Latinx, Black, Pell recipients, Community College students
- Reduced time to degree for ACPL students
- Increased residential credit learning

...And yet,
- 1 in 10 students earned at least 1 prior learning credit
ACPL options available and well-promoted; workforce and college collaborations

Systems to help students fully understand options

Adjust financial aid models to cover assessment

Creative partnerships among colleges to scale PLA for students’ and workers’ needs
Planning for 2021

- **New federal requirement**
  - [https://www.law.cornell.edu/cfr/text/34/668.43](https://www.law.cornell.edu/cfr/text/34/668.43)

1. What data or information would help you examine ACPL success -
   • in your institution?
   • In our state?

2. Is current survey and report meeting our needs? In what ways would you like this survey and report to add value to ACPL work -
   • In your institution?
   • In our state?

3. Specifically, are there changes in current ACPL data collection, analysis and reporting that could help us get the information we would like?
• What is our top priority this year for changing/improving the ACPL data collection and report? (keeping realistic view of resources, time and capacity)
Small Group Discussion:

• How does your institution define ACPL success?

• What do we think ACPL success statewide looks like?
Small Group Discussion:

- What elements of ACPL work do you think are most important for the work group this year?

Please brainstorm with attention to these three areas:

- Resource development
- Training
- Communication (with students, among practitioners, etc.)
• What are our top priorities for action this year (keeping realism in mind in resources, time and capacity)?
Awarding Credit

- Outcomes are assessed and found to be equivalent to specific college course outcomes.
- Awarding credit is consistent with the policies of the institution.

Limitations, portability and transparency:
- NWCCU: Prior *experiential* learning is limited to 25 percent of credits needed for a credential.
- Noted on college transcripts as *PEL*.
- Community and technical colleges ensure transferability of ACPL credits between them.
