1. INTRODUCTION

1.1. PURPOSE AND BACKGROUND

The Washington Student Achievement Council, hereafter called "AGENCY," is initiating this Request for Proposals (RFP) to solicit proposals from firms or individuals interested in providing, in collaboration with WSAC staff, reporting and evaluation services for the Washington State GEAR UP program (WAGU). The external evaluator will assist with the completion of the evaluation plan, conduct quantitative and qualitative analysis, provide assistance in the completion of the U.S. Department of Education Annual Performance Report, provide annual reports on student outcomes to participating schools, participate in the College and Career Readiness Evaluation Consortium (CCREC) activities and support related data reporting and evaluation activities, and produce formative and summative evaluation reports.

In 2017, WSAC received a seven-year, \$24.5 million Gaining Early Awareness and Readiness for Undergraduate Programs (Washington State GEAR UP – WAGU) grant, a federal discretionary grant project of the U.S. Department of Education. The primary goal is to increase the number of low-income students who are prepared to enter and succeed in postsecondary education. WAGU serves twenty-six high poverty school districts, reaching approximately 5,500 students and their families per year. The primary goals of WAGU activities support the following three objectives: 1) increase the academic performance and preparation for postsecondary education for GEAR UP students; 2) increase the rate of high school graduation and participation in postsecondary education for GEAR UP students; and 3) increase GEAR UP students' and their families' knowledge of postsecondary education options, preparation, and financing. Services include academic counseling and advising, comprehensive mentoring, college visits, career exploration, and financial aid and college application completion support. The Project Abstract is included in Exhibit C.

The majority of the WAGU students will be in 11th grade in 2021-22 (approximately 4,100 cohort students). An additional 1,200 students are served in priority model schools in grades 7 through 12 each year. The primary evaluation will be the impact of the program on defined student outcomes, which are included in Exhibit D.

WAGU is a member of the National Council for Community and Education Partnerships' (NCCEP) College and Career Readiness Evaluation Consortium (CCREC 2.0), a longitudinal evaluation project. The external evaluator will participate fully in all CCREC 2.0 activities including participation on the research committee, a sub-group of CCREC, to ensure WAGU meets all data reporting requirements for the project.

WAGU data is housed in an internal, WSAC managed data system, the "Portal". Student level information is uploaded weekly under a data share agreement with the Office of Superintendent of Public Instruction. School-based GEAR UP staff to report student and family participation in the Portal. See Appendix E for additional information related to the Portal and data availability.

WAGU services are aligned with the framework of the What Works Clearinghouse Practice Guide, “Helping Students Navigate the Path to College: What High Schools Can Do,” (Tierney, et.al., 2009) Services are aligned with the five recommendations:

1. Offer courses and curricula that prepare students for postsecondary level work and ensure that students understand what constitutes a postsecondary-ready curriculum by 9th grade.
2. Utilize assessment measures throughout high school so that students are aware of how prepared they are for college and assist them in overcoming deficiencies as they are identified.
3. Surround students with adults and peers who build and support their postsecondary education aspirations.
4. Engage and assist students in completing critical steps for college entry.
5. Increase families’ financial awareness, and help students apply for financial aid.

In the description, address each of the required and, if applicable, the preferred qualifications detailed in Section 1.3 and the evidence that they are met.

A. Include other relevant experience that indicates the qualifications of the Bidder for the performance of the potential contract.

B. Include a list of contracts the Bidder has had during the last five years that relate to the Bidder's ability to perform the services needed under this RFP. List contract reference numbers, contract period of performance, contact persons, telephone numbers, and fax numbers/e-mail addresses.

C. Related Information (MANDATORY)

If the Bidder contracted with the state of Washington during the past 24 months, indicate the name of the agency, the contract number(s) and project description, and/or other information available to identify the contract(s).

If the Bidder's staff was an employee of the state of Washington during the past 24 months, or is currently a Washington State employee, identify the individual(s) by name, the agency previously or currently employed by, job title or position held, and separation date.

If the Bidder has had a contract terminated for default in the last five years, describe such incident. Termination for default is defined as notice to stop performance due to the Bidder's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the Proposer, or (b) litigated, and such litigation determined that the Proposer was in default. Submit full details of the terms for default including the other party's name, address, and phone number. Present the Bidder's position on the matter. The AGENCY will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience. If no such termination for default has been experienced by the Bidder in the past five years, so indicate.

D. References (MANDATORY)

List names, addresses, telephone numbers, and e-mail addresses of three (3) business references for the Bidder and three (3) business references for the lead

staff person, for whom work has been accomplished, and briefly describe the type of service provided. Do not include current AGENCY staff as references. The Bidder and the lead staff person must grant permission to the AGENCY to contact the references and others who may have pertinent information regarding the Bidder's and the lead staff person's qualifications and experience to perform the services required by this RFP. The AGENCY may evaluate references at the AGENCY'S discretion.

F. OMWBE Certification (OPTIONAL AND NOT SCORED)

Include proof of certification issued by the Washington State Office of Minority and Women's Business Enterprises (OMWBE) if certified minority-owned firm or women-owned firm(s) will be participating on this project. For information: <http://www.omwbe.wa.gov>.

3.4. COST PROPOSAL

However, Bidders are encouraged to submit proposals which are consistent with state government efforts to conserve state resources.

A. Identification of Costs (SCORED)

Identify all costs in U.S. dollars, including expenses to be charged for performing the services necessary to accomplish the objectives of the contract. 4.4. NOTIFICATION TO BIDDERS

The AGENCY will notify the Apparently Successful Bidder of their selection in writing upon completion of the evaluation process. Individuals or firms whose proposals were not selected for further negotiation or award will be notified separately by e-mail.

4.5. COMPLAINT PROCEDURE

Complaints may be made by any vendor who is a prospective bidder. The complaint process occurs early in the solicitation to catch mistakes and errors before vendors must submit a bid. A vendor may file a complaint based on one or more of the following reasons:

- The solicitation unnecessarily restricts competition.
- The evaluation/scoring process is unfair or flawed.
- The requirements are inadequate or insufficient so that a response is difficult to prepare.

Complaints must be in writing, describe the reason(s) for the complaint, and provide sufficient basis for the complaint. The complaint must state the RFP number, the reason(s) for the complaint with specific facts and complete statements of the basis for the complaint. A description of the corrective action or remedy being requested must also be included. Complaints must be signed by the vendor or an authorized Agent.

Complaints must be received by the RFP coordinator by email no later than 5:00 PM, Pacific Time on the fifth (5th) business days prior to when the bids are due. Complaints received less than five (5) business days prior to when the bids are due will be reviewed and considered only as time permits.

The RFP coordinator will respond in writing to all complaints within three (3) business days of receipt of the complaint, and a copy of the response will be posted on WEBS. The response will include the decision, how the review was conducted, and the basis upon which a decision was made. The AGENCY decision regarding the complaint is not appealable or repeatable.

4.6. DEBRIEFING OF UNSUCCESSFUL BIDDERS AND PROTEST PROCEDURE

Any Bidder who has submitted a proposal and been notified that they were not selected for contract award may request a debriefing. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after either the Unsuccessful Bidder Notification is e-mailed to the Bidder or the Notice of Successful Bidder is posted on WEBS, whichever is sooner. Debriefing requests must be received by the RFP Coordinator by email no later than 5:00 PM, local time, in Olympia, Washington on the third business day following the transmittal of the Unsuccessful Bidder Notification or posting of the Notice of Successful Bidder on WEBS, whichever is sooner. The debriefing must be held within three (3) business days of the request.

Requests for a debriefing conference must be in writing describe the reason(s) the debriefing conference is being requested and provide sufficient basis for the request. The request for a debriefing conference must state the RFP number, the reason(s) for the request with specific facts and complete statements of the basis for the request. A description of the corrective or remedial action being requested must also be included. Requests for a debriefing conference must be signed by the vendor or an authorized Agent.

Discussion at the debriefing conference will be limited to the following:

- The AGENCY'S failure to follow the process articulated in the RFP.
- Evaluation and scoring of the Bidder's proposal.
- Critique of the Bidder's proposal based on the evaluation.
- Review of Bidder's final score in comparison with other final scores without identifying the other firms.

The RFP coordinator will schedule the debriefing conference for a maximum of one hour which must be held within three (3) business days of the request, and will promptly notify the Bidder of the debriefing conference date and time. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

Protests may be made only by Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Bidder is allowed five (5) business days to file a protest of the acquisition with the RFP Coordinator. Protests must be in writing and received by the RFP Coordinator no later than 5:00 PM, local time, in Olympia, Washington on the fifth business day following the debriefing. Protests may be submitted by e-mail but must then be followed by the document with an original signature.

Bidders protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

All protests must be in writing, addressed to the RFP Coordinator, and signed by the protesting party or an authorized Agent. The protest must state the RFP number, the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, or conflict of interest on the part of an evaluator.
- Errors or flaws in the scoring process.
- Non-compliance with procedures described in the procurement document or AGENCY policy.

Protests not based on one or more of the three issues immediately above will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) AGENCY'S assessment of its own or other agencies' needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY Director, or an employee delegated by the Director who was not involved in the procurement, will consider the record and all available facts, and issue a decision within ten (10) business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Bidder that also submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action; or
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all proposals; and/or
 - Reissue the solicitation document and begin a new process; or
 - Make other findings and determine other courses of action as appropriate.

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the Apparent Successful Bidder. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken. The RFP coordinator will post a copy of the protest and determination on WEBS.

This includes access to all information that supports the findings, conclusions, and recommendations of the CONTRACTOR'S reports, including computer models and methodology for those models.

ADVANCE PAYMENTS PROHIBITED

No payments in advance of or in anticipation of goods or services to be provided under this contract shall be made by the AGENCY.

AMENDMENTS

This contract may be amended by mutual agreement of the parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties.

AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336, also referred to as the "ADA" 28 CFR Part 35

The CONTRACTOR must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunications.

ASSIGNMENT

Neither this contract, nor any claim arising under this contract, shall be transferred or assigned by the CONTRACTOR without prior written consent of the AGENCY.

ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

CONFIDENTIALITY/SAFEGUARDING OF INFORMATION

The CONTRACTOR shall not use or disclose any information concerning the AGENCY, or information that may be classified as confidential, for any purpose not directly connected with the administration of this contract, except with prior written consent of the AGENCY, or as may be required by law.

CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, the AGENCY may, in its sole discretion, by written notice to the CONTRACTOR terminate this contract if it is found after due notice and examination by the AGENT that there is a violation of the Ethics in Public Service Act, Chapter 42.52 RCW; or any similar statute involving the CONTRACTOR in the procurement of, or performance under this contract.

In the event this contract is terminated as provided above, the AGENCY shall be entitled to pursue the same remedies against the CONTRACTOR as it could pursue in the event of a breach of the contract by the CONTRACTOR. The rights and remedies of the AGENCY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law. The existence of facts upon which the AGENT makes any determination under this clause shall be an issue and may be reviewed as provided in the "Disputes" clause of this contract.

COPYRIGHT PROVISIONS

Unless otherwise provided, all materials produced under this contract shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by the AGENCY. The AGENCY shall be considered the author of such materials. In the event the materials are not considered "works for hire" under the U.S. Copyright laws, CONTRACTOR hereby irrevocably assigns all right, title, and interest in materials, including all intellectual property rights, to the AGENCY effective from the moment of creation of such materials.

Materials means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Ownership includes the right to copyright, patent, register and the ability to transfer these rights.

For materials that are delivered under the contract, but that incorporate pre-existing materials not produced under the contract, CONTRACTOR hereby grants to the AGENCY a nonexclusive, royalty-free, irrevocable license (with rights to sublicense others) in such materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The CONTRACTOR warrants and represents that CONTRACTOR has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to the AGENCY.

The CONTRACTOR shall exert all reasonable effort to advise the AGENCY, at the time of delivery of materials furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document that was not produced in the performance of this contract.

The AGENCY shall receive prompt written notice of each notice or claim of infringement received by the CONTRACTOR with respect to any data delivered under this contract. The AGENCY shall have the right to modify or remove any restrictive markings placed upon the data by the CONTRACTOR.

COVENANT AGAINST CONTINGENT FEES

The CONTRACTOR warrants that no person or selling agent has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established agents maintained by the CONTRACTOR for securing business.

The AGENCY shall have the right, in the event of breach of this clause by the CONTRACTOR, to annul this contract without liability or, in its discretion, to deduct from the contract price or consideration or recover by other means the full amount of such commission, percentage, brokerage or contingent fee.

DISALLOWED COSTS

The Contractor is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its Subcontractors.

DISPUTES

Except as otherwise provided in this contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with AGENT.

1. The request for a dispute hearing must:

- Be in writing;
- State the disputed issue(s);
- State the relative positions of the parties;
- State the CONTRACTOR'S name, address, and contract number; and
- Be mailed to the AGENT and the other party's (respondent's) contract manager within 3 working calendar days after the parties agree that they cannot resolve the dispute.

2. The respondent shall send a written answer to the requester's statement to both the agent and the requester within 5 working calendar days.
3. The AGENT shall review the written statements and reply in writing to both parties within 10 working days. The AGENT may extend this period if necessary by notifying the parties.
4. The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this contract shall be construed to limit the parties' choice of a mutually acceptable ADR method in addition to the dispute resolution procedure outlined above.

DUPLICATE PAYMENT

The AGENCY shall not pay the CONTRACTOR, if the CONTRACTOR has charged or will charge the State of Washington or any other party under any other contract or agreement, for the same services or expenses.

GOVERNING LAW

This contract shall be construed and interpreted in accordance with the laws of the State of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

INDEMNIFICATION

To the fullest extent permitted by law, CONTRACTOR shall indemnify, defend, and hold harmless State, agencies of State and all officials, agents and employees of State, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim," as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom.

CONTRACTOR'S obligations to indemnify, defend, and hold harmless includes any claim by CONTRACTORS' agents, employees, representatives, or any subcontractor or its employees.

CONTRACTOR expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to CONTRACTOR'S or any subcontractor's performance or failure to perform the contract. CONTRACTOR'S obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials.

CONTRACTOR waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless State and its agencies, officials, agents or employees.

INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this contract. The CONTRACTOR and his or her employees or agents performing under this contract are not employees or agents of the AGENCY. The CONTRACTOR will not hold himself/herself out as or claim to be an officer or employee of the AGENCY or of the State of Washington by reason hereof, nor will the CONTRACTOR make any claim of right, privilege or benefit that would accrue to such employee under law. Conduct and control of the work will be solely with the CONTRACTOR.

INDUSTRIAL INSURANCE COVERAGE

The CONTRACTOR shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the CONTRACTOR fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, AGENCY may collect from the CONTRACTOR the full amount payable to the Industrial Insurance accident fund. The AGENCY may deduct the amount owed by the CONTRACTOR to the accident fund from the amount payable to the CONTRACTOR by the AGENCY under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the CONTRACTOR.

LICENSING, ACCREDITATION AND REGISTRATION

The CONTRACTOR shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary for the performance of this contract.

LIMITATION OF AUTHORITY

Only the AGENT or AGENT'S delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this contract is not effective or binding unless made in writing and signed by the AGENT.

NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

In the event of the CONTRACTOR'S non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled or terminated in whole or in part, and the CONTRACTOR may be declared ineligible for further contracts with the AGENCY. The CONTRACTOR shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

NONDISCRIMINATION

During the performance of this contract, the CONTRACTOR shall comply with all federal and state nondiscrimination laws, regulations and policies.

PRIVACY

Personal information including, but not limited to, "Protected Health Information," collected, used, or acquired in connection with this contract shall be protected against unauthorized use, disclosure, modification or loss. CONTRACTOR shall ensure its directors, officers, employees, subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth herein. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the AGENCY or as otherwise required by law.

Any breach of this provision may result in termination of the contract and the demand for return of all personal information. The CONTRACTOR agrees to indemnify and hold harmless the AGENCY for any damages related to the CONTRACTOR'S unauthorized use of personal information.

PUBLICITY

The CONTRACTOR agrees to submit to the AGENCY all advertising and publicity matters relating to this contract wherein the AGENCY'S name is mentioned or language used from which the connection of the AGENCY'S name may, in the AGENCY'S judgment, be inferred or implied. The CONTRACTOR agrees not to publish or use such advertising and publicity matters without the prior written consent of the AGENCY.

RECORDS MAINTENANCE

The CONTRACTOR shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

CONTRACTOR shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by the AGENCY, personnel duly authorized by the AGENCY, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

REGISTRATION WITH DEPARTMENT OF REVENUE

The CONTRACTOR shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this contract.

RIGHT OF INSPECTION

The CONTRACTOR shall provide right of access to its facilities to the AGENCY, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, the AGENCY may terminate the contract under the "Termination for Convenience" clause, without the ten-day notice requirement, subject to renegotiation at the AGENCY'S discretion under those new funding limitations and conditions.

SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

SITE SECURITY

While on AGENCY premises, CONTRACTOR, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

SUBCONTRACTING

Neither the CONTRACTOR nor any SUBCONTRACTOR shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the AGENCY. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to the Department for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the CONTRACTOR is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. CONTRACTOR and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the AGENCY or as provided by law.

TAXES

All payments accrued because of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the CONTRACTOR or its staff shall be the sole responsibility of the CONTRACTOR.

TERMINATION FOR CAUSE

In the event the AGENCY determines the CONTRACTOR has failed to comply with the conditions of this contract in a timely manner, the AGENCY has the right to suspend or terminate this contract. Before suspending or terminating the contract, the AGENCY shall notify the CONTRACTOR in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the contract may be terminated or suspended.

In the event of termination or suspension, the CONTRACTOR shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

The AGENCY reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the CONTRACTOR from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the CONTRACTOR or a decision by the AGENCY to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the CONTRACTOR: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of the AGENCY provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

TERMINATION FOR CONVENIENCE

Except as otherwise provided in this contract, the AGENCY may, by 10 calendar days written notice, beginning on the second day after the mailing, terminate this contract, in whole or in part. If this contract is so terminated, the AGENCY shall be liable only for payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.

TERMINATION PROCEDURES

Upon termination of this contract, the AGENCY, in addition to any other rights provided in this contract, may require the CONTRACTOR to deliver to the AGENCY any property specifically

produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The AGENCY shall pay to the CONTRACTOR the agreed upon price, if separately stated, for completed work and services accepted by the AGENCY, and the amount agreed upon by the CONTRACTOR and the AGENCY for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by the AGENCY, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AGENT shall determine the extent of the liability of the AGENCY. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The AGENCY may withhold from any amounts due the CONTRACTOR such sum as the AGENT determines to be necessary to protect the AGENCY against potential loss or liability.

The rights and remedies of the AGENCY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the AGENT, the CONTRACTOR shall:

1. Stop work under the contract on the date, and to the extent specified, in the notice;
2. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
3. Assign to the AGENCY, in the manner, at the times, and to the extent directed by the AGENT, all of the rights, title, and interest of the CONTRACTOR under the orders and subcontracts so terminated, in which case the AGENCY has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the AGENT to the extent AGENT may require, which approval or ratification shall be final for all the purposes of this clause;
5. Transfer title to the AGENCY and deliver in the manner, at the times, and to the extent directed by the AGENT any property which, if the contract had been completed, would have been required to be furnished to the AGENCY;
6. Complete performance of such part of the work as shall not have been terminated by the AGENT; and
7. Take such action as may be necessary, or as the AGENT may direct, for the protection and preservation of the property related to this contract, which is in the possession of the CONTRACTOR and in which the AGENCY has or may acquire an interest.

TREATMENT OF ASSETS

- A. Title to all property furnished by the AGENCY shall remain in the AGENCY. Title to all property furnished by the CONTRACTOR, for the cost of which the CONTRACTOR is entitled to be reimbursed as a direct item of cost under this contract, shall pass to and vest in the AGENCY upon delivery of such property by the CONTRACTOR. Title to other property, the cost of which is reimbursable to the CONTRACTOR under this contract, shall pass to and vest in the AGENCY upon (i) issuance for use of such property in the performance of this contract, or (ii) commencement of use of such property in the performance of this contract, or (iii) reimbursement of the cost thereof by the AGENCY in whole or in part, whichever first occurs.

- B. Any property of the AGENCY furnished to the CONTRACTOR shall, unless otherwise provided herein or approved by the AGENCY, be used only for the performance of this contract.
- C. The CONTRACTOR shall be responsible for any loss or damage to property of the AGENCY that results from the negligence of the CONTRACTOR or which results from the failure on the part of the CONTRACTOR to maintain and administer that property in accordance with sound management practices.
- D. If any AGENCY property is lost, destroyed or damaged, the CONTRACTOR shall immediately notify the AGENCY and shall take all reasonable steps to protect the property from further damage.
- E. The CONTRACTOR shall surrender to the AGENCY all property of the AGENCY prior to settlement upon completion, termination or cancellation of this contract
- F. All reference to the CONTRACTOR under this clause shall also include CONTRACTOR'S employees, agents or SUBCONTRACTORS.

WAIVER

Waiver of any default or breach shall not be deemed a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this contract unless stated to be such in writing and signed by authorized representative of the AGENCY.

Exhibit D Project Abstract

Washington State GEAR UP (WAGU), administered by the Washington Student Achievement Council (WSAC), brings 18 years of successful past grantee experience. WAGU facilitates strategic partnerships to leverage resources to provide direct, early intervention services to students in 26 high-poverty schools to help them prepare for, and succeed in, postsecondary education. WAGU supports schools in building personalized relationships with students to ensure that they are academically, socially, and financially prepared.

WAGU's 7-year project activities support the following three objectives: 1) increase the academic performance and preparation for postsecondary education for GEAR UP students; 2) increase the rate of high school graduation and participation in postsecondary education for GEAR UP students; and 3) increase GEAR UP students' and their families' knowledge of postsecondary education options, preparation, and financing.

WAGU contracts with 48 schools serving 5,500 students from all geographic regions of the state. The 12 smallest schools, configured as 7-12 or K-12 buildings, operate a priority model, providing services to 7th through 12th grade students based on the GEAR UP priority eligibility criteria. The remaining schools operate a cohort model, serving the Class of 2023 starting in 7th grade. All GEAR UP schools will offer tutoring, mentoring, academic enhancement opportunities, and college campus and career exploration experiences. All students will continue to receive services through the first year of postsecondary enrollment, including summer melt prevention activities, ongoing texting and social media campaign outreach, and summer bridge, orientation, as well as First Year experience programs provided in collaboration with institutions of higher education. School-based GEAR UP staff will receive ongoing training and technical assistance throughout the project to ensure fidelity of implementation and build the capacity of schools to provide career and college readiness programming, including comprehensive counseling and advising curriculum to all students.

WSAC brings additional supports through the work of the College Access and Support Division, which focuses on support services for low-income and first-generation students, including, state financial aid access and information, student and family communication tools, and resources to provide student level data to schools to increase FAFSA completion.

WAGU collaborates with institutions of higher education, financial institutions, nonprofits, and others to implement the project. Partners include Washington College Access Network, Office of Superintendent of Public Instruction, Washington State Employees Credit Union, Focus Training, SEEDS, Challenge Applications, Washington STEM, Mentoring Works Washington, the State Board for Community and Technical Colleges, and the public 2- and 4-year colleges.

Washington has strong need-based financial aid programs, with the nation's highest dollar amount per student as compared to Pell. The state invests over \$700 million in the State Need Grant and nearly \$50 million in the College Bound Scholarship (CBS) program each biennium. CBS is a program for students who are similar to the population and age group of GEAR UP target population. Therefore, Washington has requested the scholarship waiver so that all resources, including those from cost share funding, support direct student services.
