Council Commitment to Equity

We hold ourselves accountable as Council members and as individual leaders to eliminate institutional and structural racism in Washington. Both the Council and the agency are committed to using an equity lens in all our work to serve current and future students. Equity is an outcome in which justice is realized within our society through a continuous, intentional process of identifying and abolishing racism and all forms of oppression designed to marginalize students, communities, and families who are Black, Indigenous, Latinx, Native Hawaiian and Pacific Islander, regardless of immigration status, and all oppressed groups.
