Washington Application for State Financial Aid (WASFA)

WASHINGTON APPLICATION FOR STATE FINANCIAL AID (WASFA)

The Washington Application for State Financial Aid (WASFA) form is for people who **do not** file a Free Application for Federal Student Aid (FAFSA) form. People who complete a WASFA form are applying for state aid only.

There are various reasons people may choose to complete a WASFA instead of a FAFSA. For example:

- Student or their parent(s) are undocumented or do not qualify for federal financial aid because of their immigration status.
- Student's parent(s) or family member(s) do not wish to file a FAFSA.
- Student or family have privacy concerns about filing a FAFSA.
- Student or their parent(s) do not and will not file federal income taxes.
- Student has Federal loans that are in default.
- Repayment owed on federal grants.

Washington Application for State Financial Aid (WASFA)

Students should
complete only one
application, either
the FAFSA or the
WASFA.

Both applications qualify a student for state financial aid, so a student should only complete the WASFA if that is the right choice for them.

WASFA Questionnaire

- WASFA Questionnaire can be found at: <https://wsac.wa.gov/WASFAelig>

Should you complete a FAFSA or a WASFA?

If you are unsure if you should complete a FAFSA or a WASFA, complete the [WASFA Questionnaire](#) for more information; however, anyone uncomfortable with submitting a federal FAFSA form can use the WASFA to apply only for state aid.

WASFA QUESTIONNAIRE

The Washington Application for State Financial Aid (WASFA) is for people who choose not to file a federal FAFSA application. applying for state aid only. There are various reasons people choose to complete a WASFA instead of a FAFSA. For example:

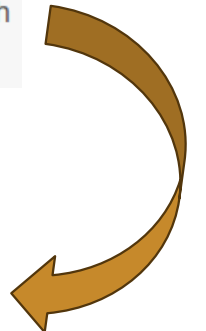

- You or your parent(s) are undocumented or do not qualify for federal financial aid because of your immigration status
- Your parent(s) or family member(s) do not wish to file a FAFSA.
- [You have privacy concerns.](#)
- You or your parent(s) do not and will not file federal income taxes.
- You have federal loans that are in default.
- You owe a repayment on federal grants.

After you complete the WASFA, the college(s) or program(s) you choose will determine whether you meet [state residency requirements](#). State financial aid could include Washington College Grant (WA Grant), College Bound, Passport to Careers, Nation

The following questions will help you decide which application to complete, recognizing that anyone can choose to file a WASFA. If you have filed both a FAFSA and a WASFA for the same year, please notify your financial aid office to avoid any delay

Washington Application for State Financial Aid (WASFA)

- The WASFA may be used to determine residency
 - The residency affidavit is a part of the WASFA

Requirements for students with any immigration or citizenship status:

Maintain a primary residence in Washington for at least 12 consecutive months immediately before their first term at the college determining residency.

- Residency is typically determined at the time of admission.
- All students complete an affidavit as a part of the WASFA application.

Residency

At public colleges,
the residency
officer
determines
residency.

- The financial aid office should work directly with their residency officer if they find conflicting information.
- The financial aid office should share the residency report with their residency office.

At private
colleges, financial
aid administrators
determine
residency.

- The financial aid office will need to resolve any conflicting information.

A student should not be
asked to do a
paper affidavit if they
did the WASFA.

When a student creates a WASFA account, the following question is asked:

Are you eligible to complete a [Free Application for Federal Student Aid \(FAFSA\)](#) or have you already submitted a FAFSA?

☐ Yes ☐ No

- If the student answers “no”, they will be directed to create a WASFA Account.
- If the student answers “yes”, they will see the following:

☒ Yes ☐ No

If you're uncomfortable submitting a FAFSA, you can use the WASFA for state aid but won't qualify for federal aid. If you've already completed a FAFSA, no second application is needed. To file a WASFA, select "No" and continue with the application.

Once the applicant reaches the Washington State Information section, they will answer residency questions, including the residency affidavit:

1. Earn a high school diploma, GED, or diploma equivalent before your first term at the college determining residency,
2. Maintain a primary residence in Washington for at least 12 consecutive months immediately before your first term at the college determining residency. The Washington residence must be for purposes other than college. (Note: If you take any courses at another Washington college during the prior 12 months, you cannot have taken more than six credits in any given term. If you exceed that limit you must prove that you have a Washington residence for non-college reasons), and,
3. Promise that one of the following is true:
 - ✓ You will file an application to become a permanent resident of the United States as soon as you are eligible to apply. And, that you are also willing to engage in activities designed to prepare you for citizenship, including citizenship or civics review courses, or
 - ✓ You are a U.S. citizen, U.S. national, or U.S. permanent resident.

WASFA Application

If the student answers that they will not meet the eligibility requirements of the affidavit, they are presented with an additional question:

Do you have a current or expired DACA status, a current work authorization card, Temporary Protected Status (TPS), or a U visa? *

¿Tiene un estado DACA actual o vencido, una tarjeta de autorización de trabajo actual, un Estado de Protección Temporal (TPS) o una visa U?

☐ Yes

☐ No

This field is required

Students with one of these statuses may be eligible for in-state tuition and state financial aid.

Los estudiantes con uno de estos estados pueden ser elegibles para la matrícula estatal y la ayuda financiera del estado.

WASFA Application

If the applicant answered no/will not meet eligibility to both questions, they receive the following message:

Based on your responses, we are not able to determine your eligibility for state financial aid and in-state tuition. We recommend completing the application and contacting the financial aid office at your college for more information, and to inquire about additional financial aid resources that may be available.

We also encourage you to create a profile on our scholarship-matching website, www.thewashboard.org. Doing so will enable you to view and apply for scholarships that you may be eligible for.

Según sus respuestas, no podemos determinar su elegibilidad para la ayuda financiera estatal y la matrícula estatal. Le recomendamos que complete la solicitud y se ponga en contacto con la oficina de ayuda financiera de su universidad para obtener más información y consultar sobre otros recursos de ayuda financiera que puedan estar disponibles.

También le recomendamos que cree un perfil en nuestro sitio web de búsqueda de becas, www.thewashboard.org. Esto le permitirá ver y solicitar las becas que puede obtener.

This is important to note, because it means that a student can complete a WASFA, even if their eligibility as a resident hasn't been determined.

WASFA Application

Professional Judgement

Professional judgement can be done by editing the WASFA, similar to how professional judgement is processed with the FAFSA.

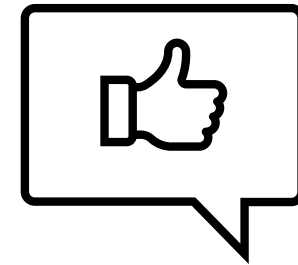

- The process needs to be consistent and documented, just like it would be with a FAFSA filer.
- There is nothing to indicate PJ has been done when editing the WASFA except in the circumstance of a Dependency Override.
 - If approved, you will want to click on the “Approve unusual circumstances” button for Dependency Overrides.
 - If not approved the student would need to add their parent/s information to have a valid WASFA.

Unusual Circumstances	yes
Unusual Circumstances Approved	<input type="button" value="Approve unusual circumstances"/>

Resolving Multiple IDs

When a student creates multiple WASFA accounts, this will create multiple WASFA IDs. If you find a student has multiple IDs in the portal there are couple steps that must be completed to resolve the issue.

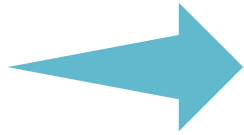

Resolving Multiple IDs

1. If the student has multiple SSN and/or ITIN numbers, confirm what number is correct.
 - If the student has a confirmed SSN they should be awarded on that number.
 - If they do not have an SSN, but have an ITIN, they should be awarded on that number.
 - If the student doesn't have either, they need to be awarded on their WASFA number. WASFA numbers start with 98*****.
2. Once the correct ID has been determined and student is awarded in CSAW on the correct ID, send a secure message to the Washington College Grant inbox via the portal, including the following:
 - Student Name
 - ID that they should be awarded on
3. WSAC will merge the student records.

Known WASFA Application Issues and Workarounds

ISSUE

Student or parent is getting stuck in “Step 2: View My Forms” portion of the electronic signature section.

WORKAROUND

We usually see this happen with mobile devices (cellphones/tablets) & with the Safari browser. The electronic signature process works best with a computer/desktop (versus a mobile device) and Google Chrome or Firefox as the preferred internet browser.

WASFA Known Issues

ISSUE

SAI miscalculations for dependent students (25-26 AY)

RESOLVED

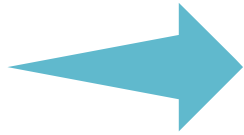

The SAI formula was programmed incorrectly by our application servicer (Regent). A fix was implemented at the end of May.

- SAI calculation formula is now accurate.
- Our application servicer will be running a process to update SAI's for impacted students who submitted a WASFA before the fix was implemented.
 - Timeframe for process TBD

ISSUE

Dependent student stuck in “in-progress” status and not able to send parent invitation signature.

Workaround

Process we must initiate from our end/ in our system. Please have any impacted students reach out to us and we will work with them to resolve the issue and provide further guidance on next steps.

Help for Families

WSAC can provide students and their parent/s with assistance on technical issues and any other questions!

Parents and students can email WSAC at wasfa@wsac.wa.gov, providing WSAC with their WASFA account email address and identifying information.
