STEM EDUCATION INNOVATION ALLIANCE

Meeting Agenda | December 3, 2026

Meeting Date: December 3, 2026

Meeting Time: 2:15 to 3:45 PM

Meeting Location: Microsoft Visitor Center, Building 92, 15010 NE 36th St, Redmond, Washington 98052

Meeting Purpose: Establish a focused, data-informed 2027 action agenda to strengthen STEM education, equity, and pathways to Washington's economic future.

Meeting Format: In-person gathering, no virtual option available

DRAFT AGENDA

Time	Topic
2:15–2:20	**Welcome & Meeting Purpose** – STEM Alliance Co-Chairs Jenee Myers Twitchell & Sezi Fleming
2:20–2:55	**The STEM Alliance's Next Chapter** – Reflecting on a decade of progress and defining our role in advancing data-informed policy and action
2:55–3:10	**What Are the Data Telling Us?** – Key findings from the 2026 STEM Education Report Card and highlights of emerging 2027 data
3:10–3:35	**From Data to Action: 2027 Priorities** – Identify two to four high-impact opportunities for state policy, investment, coordination, and accountability
3:35–3:45	**Commitments & Next Steps** – Agree on priorities, responsibilities, and a timeline for recommendations to the Governor's Office and Washington State legislators

Preparation: Pre-read materials and documents will be shared in advance to inform discussion and help members identify strategic, high-leverage legislative recommendations for 2027.
