If Contractor performs Services on WSAC’S behalf in the State of Washington, and only to the extent of claims against Contractor by WSAC under the Indemnity obligations in this Contract, Contractor expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Contractor’s indemnification obligation will not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers’ compensation acts, disability benefit acts, or other employee benefit acts. The parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.

The parties agree that if there are any limitations of Contractor’s liability, including a limitation of liability clause for anyone for whom the Contractor is responsible, such limitations of liability shall not apply to injuries to persons, including death, or to damages to property. Contractor shall take all steps needed to keep WSAC’s property free of liens arising from Contractor’s activities, and promptly obtain or bond the release of any such liens that may be filed.

replace or modify the Services with substantially similar and functionally equivalent non-infringing Services.

13 DISPUTE RESOLUTION.

- 13.1. The parties shall cooperate to resolve any dispute pertaining to this Contract efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

14. SUSPENSION; EXPIRATION; TERMINATION; REMEDIES.

- 14.1. **TERMINATION.** This Contract may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this Contract; and (c) as otherwise expressly provided for in this Contract. This Contract shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this Contract as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.
- 14.2. **TERMINATION FOR NONAPPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW.** WSAC may suspend or terminate this Contract, at the sole discretion of WSAC or, as applicable, if WSAC reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract; or (b) that a change in available funds affects WSACS' ability to pay Contractor. A change of available funds as used in this section includes, but is not limited to, a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this provision, WSAC will reimburse Contractor for Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, WSAC will have no obligation or liability to Contractor.
- 14.3. **TERMINATION FOR PUBLIC CONVENIENCE.** WSAC, for public convenience, may terminate this Contract; *Provided*, however, that such termination for public convenience must, in WSACS' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve WSAC from payment for Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, WSAC shall not have any obligation or liability to Contractor.

- 14.4. EXPIRATION – WSACS’ OBLIGATIONS. Upon expiration of this Contract, WSAC shall accept and take delivery of all outstanding and not yet fulfilled orders and pay Contractor the price as set out in the Contract.
- 14.5. EXPIRATION OR TERMINATION – CONTRACTOR’S OBLIGATIONS. Upon expiration or termination of this Contract, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Services sold hereunder and all provisions of the Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of the Contract shall so continue and survive; and (b) promptly return to WSAC all keys, badges, and other materials supplied by WSAC pursuant to this Contract.

- (a) Contractor fails to perform or comply with any of the terms or conditions of this Contract;
 - (b) Contractor breaches any representation or warranty provided herein; or
 - (c) Contractor fails to maintain the insurance coverages specified herein or timely provide to WSAC the Certificate of Insurance and updates thereto specified herein, or
 - (d) Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary.
- 14.7. SUSPENSION & TERMINATION FOR DEFAULT. WSAC may suspend Contractor’s operations under this Contract immediately by written cure notice of any default. Suspension shall continue until the default is remedied to WSACS’ reasonable satisfaction; *Provided*, however, that, if after twenty (20) days from such a suspension notice, Contractor remains in default, WSAC may terminate Contractor’s rights under this Contract. All of Contractor’s obligations to WSAC survive termination of Contractor’s rights under this Contract, until such obligations have been fulfilled.
- 14.8. REMEDIES FOR DEFAULT.
- (a) WSAC’s rights to suspend and terminate Contractor’s rights under this Contract are in addition to all other available remedies.
 - (b) In the event of termination for default, WSAC may exercise any remedy provided by law including, without limitation, the right to procure replacement services. In such event, Contractor shall be liable to WSAC for damages as authorized by law including, but not limited to, any price difference between the Contract price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement.
- 14.9. LIMITATION ON DAMAGES. Notwithstanding any provision to the contrary, the parties agree that in no event shall any party be liable to the other for exemplary or punitive damages; *Provided*, however, that nothing contained in this Section will in any way exclude or limit: (a) a party’s liability for all damages arising out of that party’s intentional acts or omissions; (b) the operation of any Services warranty provided in this Contract; or (c) damages subject to the Intellectual Property Indemnity section of this Contract. Any limitation of either party’s obligations under this Contract, by delivery slips or other documentation is void.
- 14.10. SUSPENSION/TERMINATION PROCEDURE. Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall deliver to WSAC all Services that are complete (or with

approval from WSAC, substantially complete) and WSAC shall inspect, accept, and pay for the same in accordance with this Contract. Unless directed by WSAC to the contrary, Contractor shall not process any orders after notice of suspension or termination inconsistent therewith.

15. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.

- 15.1. WASHINGTON'S PUBLIC RECORDS ACT. Unless statutorily exempt from public disclosure, this Contract and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 15.2. CONTRACTOR OBLIGATION. Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to WSAC that Contractor believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in Contractor's judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of Contractor's records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that Contractor protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.
- 15.3. WSACS' OBLIGATION. In the event that WSAC receives a public records disclosure request pertaining to records that Contractor has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive WSAC, prior to disclosure, will do the following: WSACS' Public Records Officer will review any records marked by Contractor as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, WSAC will redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where WSAC determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, WSAC will notify Contractor, at the address provided in the Contract, of the public records disclosure request and identify the date that WSAC intends to release the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining WSAC from such disclosure. In the event Contractor fails to timely file a motion for a court order enjoining such disclosure, WSAC will release the requested record(s) on the date specified. Contractor's failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such records are exempt or protected from public disclosure.

- 17.3. NONDISCRIMINATION.
- (a) Nondiscrimination Requirement. During the term of this Contract, Contractor, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, Contractor, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which Contractor, or subcontractor, has a collective bargaining or other agreement.
 - (b) Obligation to Cooperate. Contractor, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that Contractor, including any subcontractor, has engaged in discrimination prohibited by this Contract pursuant to RCW 49.60.530(3).

Notwithstanding any provision to the contrary, Agency may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until Agency receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), Agency may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.
 - (d) Remedies for Breach. Notwithstanding any provision to the contrary, in the event of Contract termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. Agency shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe Agency for default under this provision.
- 17.4. ENTIRE AGREEMENT. This Contract constitutes the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior negotiations, representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.
- 17.5. AMENDMENT OR MODIFICATION. Except as set forth herein, this Contract may not be amended or modified except in writing and signed by a duly authorized representative of each party.
- 17.6. AUTHORITY. Each party to this Contract, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Contract

and that its execution, delivery, and performance of this Contract has been fully authorized and approved, and that no further approvals or consents are required to bind such party.

- 17.7. NO AGENCY. The parties agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this Contract. Neither party is an agent of the other party nor authorized to obligate it.
- 17.8. INDEPENDENT CONTRACTOR. The parties intend that an independent contractor relationship is created by this Contract. Contractor and its employees or agents performing under this Contract are not employees or agents of WSAC. Contractor shall not have authorization, express or implied, to bind WSAC to any agreement, liability, or understanding, except as expressly set forth herein. Contractor and its employees and agents are not entitled to unemployment insurance or worker's compensation benefits through WSAC or the State of Washington and WSAC and the State of Washington will not pay for or otherwise provide such coverage for Contractor and its employees and agents.
- 17.9. ASSIGNMENTS. Contractor may not assign its rights under this Contract without WSAC's prior written consent and WSAC may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor provides written notice to WSAC within thirty (30) days, Contractor may assign its rights under this Contract in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. Unless otherwise agreed, Contractor guarantees prompt performance of all obligations under this Contract notwithstanding any prior assignment of its rights.
- 17.10. BINDING EFFECT; SUCCESSORS & ASSIGNS. This Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- 17.11. ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED SERVICES. Contractor irrevocably assigns to WSAC, on behalf of the State of Washington, any claim for relief or cause of action which Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws in connection with any services provided in Washington for the purpose of carrying out the Contractor's obligations under this Contract, including, at WSAC's option, the right to control any such litigation on such claim for relief or cause of action.
- 17.12. FORCE MAJEURE. Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that causes a delay that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, strikes, fire, floods, epidemics, or other similar occurrences. If either party is delayed by force majeure, said party shall provide written notification within forty-eight (48) hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the rights reserved below, the time of completion shall be extended by Contract amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract. Notwithstanding any provision to the contrary, in the event that a Contractor-declared force majeure event lasts for more than thirty (30) days, WSAC shall have the right to terminate the Contract and/or purchase the services set forth in this Contract; *Provided*, however, that in such event, Contractor shall not be liable to WSAC for any price difference for such services.

- 17.13. **FEDERAL FUNDS.** To the extent that WSAC uses federal funds to purchase services pursuant to this Contract, WSAC shall specify any applicable requirement or certification that must be satisfied by Contractor as a condition of payment and Contractor shall adhere to such applicable federal requirements and/or certifications.
- 17.14. **SEVERABILITY.** If any provision of this Contract is held to be invalid or unenforceable, such provision shall not affect or invalidate the remainder of this Contract, and to this end the provisions of this Contract are declared to be severable. If such invalidity becomes known or apparent to the parties, the parties agree to negotiate promptly in good faith in an attempt to amend such provision as nearly as possible to be consistent with the intent of this Contract.
- 17.15. **WAIVER.** Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its obligations under this Contract, nor shall any purported oral modification or rescission of this Contract by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.
- 17.16. **SURVIVAL.** All representations, warranties, covenants, agreements, and indemnities set forth in or otherwise made pursuant to this Contract shall survive and remain in effect following the expiration or termination of this Contract, *Provided*, however, that nothing herein is intended to extend the survival beyond any applicable statute of limitations periods.
- 17.17. **GOVERNING LAW.** The validity, construction, performance, and enforcement of this Contract shall be governed by and construed in accordance with the laws of the State of Washington, without regard to any choice of law principles that would provide for the application of the laws of another jurisdiction.

- 17.20. **FAIR CONSTRUCTION & INTERPRETATION.** The provisions of this Contract shall be construed as a whole according to their common meaning and not strictly for or against any party and consistent with the provisions contained herein in order to achieve the objectives and purposes of this Contract. Each party hereto and its counsel has reviewed and revised this Contract and agrees that the normal rules of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be construed in the interpretation of this Contract. Each term and provision of this Contract to be performed by either party shall be construed to be both a covenant and a condition.
- 17.21. **FURTHER ASSURANCES.** In addition to the actions specifically mentioned in this Contract, the parties shall each do whatever may reasonably be necessary to accomplish the transactions contemplated in this Contract including, without limitation, executing any additional documents reasonably necessary to effectuate the provisions and purposes of this Contract.
