### **Repayment**

- The student/borrower has six months from the program completion date to begin repaying the loan. This is considered the “Grace Period” to allow borrowers to seek and obtain employment.
- The student/borrower has up to four years to repay the loan.
- Loan payments are due monthly. The billing company **University Accounting Service, LLC (UAS)** will send monthly statements.
- The maximum interest rate charged to the borrower shall not exceed eight and one-quarter percent (8.25%).
- Interest is not charged during the period of “continuous enrollment” in the Aerospace Training and Research Program or the six-month grace period following completion of the certificate program.
- Late charges (at the rate of \$5.00 or five percent (5%) of the payment, whichever is less), skip-tracing fees, court costs, attorney's fees, returned check fees, and other charges WSAC incurs in collecting any amount owed under the promissory note will be assessed if payment is not received by the billing agency or WSAC within 20 days of its due date.

### **Repayment Cost Examples**

The interest rate is a variable rate, adjusted annually on July 1. The annual interest rate will equal the current rate for new loans in the **Federal Direct Subsidized Loan program** for undergraduate students. The maximum interest rate charged to the Borrower shall not exceed 8.25 percent.

#### **Repayment Options & Sample Costs Examples:**
