---

Hello FAA Community,

We're excited to share a couple of updates to CSAW in the WSAC Portal!

Based on feedback from our community and the great work of our IT development team, the "All Student Awards" report now offers two formatting options:

- **Legacy** – The original format you're familiar with
- **Incremental** – A new option that mirrors the layout of the incremental upload file

## CSAW - List all Student Awards for Year

---

 [download all to incremental csv](#)

 [download all to legacy csv](#)

To access these options, go to:

**CSAW > Reports > All Student Awards** and click **"Go to report."**

## Reports

All Student Awards

Displays all students at the institution and downloads in upload-csv-file format.

Additionally, there is an update on how to review rejected overrides in CSAW. These messages used to only appear in the student detail record when the edit icon was clicked:

Summer 2

1 edit

⚠ Not eligible for Bridge Grant if CBS Eligible

Overridable

rejected as of Apr 11, 2025

History of edit messages:

🗨 Even if the student is PTC eligible, if they are CBS-eligible, they can never receive Bridge. Please cancel Bridge grant.

Curlee, Carlie CarlieC@wsac.wa.gov on Apr 9, 2025

🗨 Student is a PTC candidate and has been awarded PTC

on Mar 4, 2025

Now, in addition to viewing the reason in the student detail record, when you access the edit again and click the override button, you will see the rejected override reason:

save

override

delete bridge
