

## College and Career Compass Campus Profile Description

### Participating Campus Profile – [Survey 2](#)

Each fully participating campus will be highlighted in the online Compass tool through a unique *campus profile*. Your campus profile will highlight what your campus has to offer, particularly your policies, practices and services that support adult learners. Consider including some of the strengths you identified in the Institutional Self-Assessment.

The Compass online tool has a mobile-first design. The recommended length for each text section is 200 words maximum.

Please submit the following in [Survey 2](#):
