Origin of the College Bound Program

College Bound Commitment

Works together with other state financial aid (usually the WA Grant) to cover the cost of tuition (at public rates), some fees, and a small amount for books = **commitment**.

New info sheet for students & families coming soon: How the WA Grant & CB Funds Work Together

Can be used at about 60 two- and four-year public and private colleges and universities.

Eligibility and Auto-Enrollment: A Two-Step Process

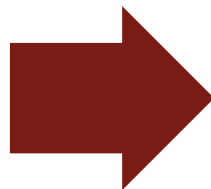

Step One

Sign Up Requirements

- Auto-enrollment for eligible public-school students.
- **Eligible** for FRPL in 7th, 8th, or newly eligible in 9th grade.
- Foster Youth* are auto-enrolled through HS graduation.

Based on USDA Income Guidelines, changes yearly

Eligible Private & Home School students must sign up through our CB office.

Step Two

Receiving College Bound

- Fulfill the College Bound student requirements.
 - Enroll in ANY college within one year of HS graduation.
 - Be accepted to & attend an eligible college.
 - Meet income & residency requirements.

Based on Median Family Income (MFI) Chart, changes yearly

College Bound Student Requirements

Graduate from a WA high school with a cumulative 2.0 GPA or higher if attending a four-year college **directly** after high school, or **complete a GED (NEW)**.

- There is NO College Bound GPA requirement for students attending CTC.

Enroll in ANY college within **one year** of HS graduation to meet the **enrollment deadline**.

Students must attend one of 60+ eligible WA institutions to receive CB funds.

Complete the FAFSA or WASFA starting their senior year (and every year in college) and meet income requirements.

Have no felony convictions.

How the College Bound Auto-Enrollment Process Works

Receiving vs. Being
Eligible for FRPL

FRPL *eligible* students at public schools. Noted by:

- FRPL application & family income survey called CNEEB (started in 24-25)
- School distributes & collects
- Direct certification (SNAP, TANF, and more!)
- Other sources

School reports annual enrollment data to OSPI via CEDARS

- Students noted as FRPL-eligible
- Enrollment data to CEDARS happens periodically starting Sept/Oct, annually
- Monthly reporting

OSPI sends data to WSAC with list of newly FRPL-eligible students

- Monthly auto-enrollment files, starting in **November, annually.**

School staff Portal users to enter/update student & parent contact info via WSAC Portal

- Monthly, recommended

- Some fees
- A small amount for books

This funding is available at over 65 colleges, universities, and technical schools in Washington!

College Bound Eligibility

Once enrolled in college, a student must:

- ✓ Be a resident of Washington state, attending an approved participating institution
- ✓ Have graduated from a Washington high school or earned a high school equivalency*
- ✓ Complete a FAFSA or WASFA
- ✓ Have enrolled no later than the fall term one year after high school graduation

** 6-year time frame is new as of 2025-26

College Bound Eligibility

- What is the maximum time frame to receive CBS?
 - Students can receive the full-time award for up to 18 quarters or 12 semesters. That is 6 years of eligibility and aligns with Pell Grant limits as well!
 - Even though there are 6 years of eligibility, students must use it within 6 years from their first term of receiving CBS and within one year of high school graduation.

65% MFI or Lower

- To be eligible for CBS funding, the student must be at or below 65% MFI.

- Must be awarded WCG and PTC, before awarding CBS.
 - Students must be awarded all aid for which they are eligible at the beginning of each term to ensure students receive the full amount to which they are entitled.

The CBS Eligibility Checker

CBS Eligibility Checker

The CBS Eligibility Checker was created due to 2023 legislation, replacing the Cruncher:

HB 1232 – College Bound Scholarship

- Enrolled for 2023-24, 2.0 GPA only required for direct admission to 4-year public or private institutions.
- 2.0 GPA requirement eliminated for attendance at 2-year institutions or for transfer students.

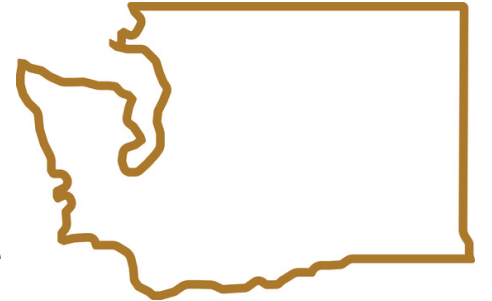

CBS Eligibility Checker

We have and are continuing to make changes due to passed legislation:

2024:

SB 5904 – Extending the terms of eligibility for financial aid programs.

- Increased QERs for CBS from 12 to 18.
- Removed the 5-year eligibility window for CBS, after enrollment but kept the one-year enrollment requirement from high school graduation.

2025:

- **ESSB 5543:** Eligibility for CBS is expanded to students who have received a high school equivalency certificate.
- **SSB 5785:** Limits usage of a College Bound award to within six years of receipt, beginning in AY 2025-26.

Stay tuned –
still a work in
progress
