

### **Academic Credit for Prior Learning**

February 10, 2023

### 2022 ACPL REPORT 2023 PRIORITIES

## 2022 ACPL Report Findings

- 36,425 ACPL credits awarded
- Approx. 1,891 students
- Biggest increases in students receiving ACPL
  - Portfolio Review (52%)
  - CLEP (32%)
  - Credit by Exam/Course Challenges (5%)
- ACPL credits in most categories increased
  - Portfolio Review by 257%
  - ACE 9%
  - Occupational Crosswalks 24%
  - Individual Industry Certifications 3%
- CTC Sector: Military-related credits increased, yet student enrollment for veterans and active military dropped by 20%
- Baccalaureate Sector: Increased awareness, policy adjustments, and coding resulted in the highest annual ACPL credits awarded

- Students aged 25-44 received majority of the ACPL credits
- Proportion of male-identifying student has decreased over the last three-years
- Veteran status students have decreased as a proportion of all ACPL-receiving students
- Part-time students have steadily decreased as a proportion of ACPL-receiving students
- Hispanic/Latinx and Black/African American and multi-racial identifying students have increased in this last year compared to previous years, but students in other race/ethnicity categories have declined

#### **Resources to support institutions**

- A toolkit that includes examples and highlights on innovations within the state
- Communications outreach and awareness resources
- Training

#### Stakeholder Engagement

- Employers on their training programs that are not in ACE specifically healthcare organizations who are launching "earn and learn" pathways
- Faculty on their role in ACPL and connection to CAEL data
  - Faculty cross-institution groups
- Students on how ACPL is helping to accelerate completion
  - Student surveys to capture student voices

#### Institutional policy on ACPL fees

• What are the fees across CTCs? Should there be a fee structure?

Which items has existing support that we can leverage?

What can be accomplished in 6-months? 12-months?

What is missing from the list?

Who is missing from this discussion?

Champions to move ACPL forward this year in this work?

Liaisons to connect with other commissions / committees?

Work Group follow up this year?

#### WSAC's ACPL webpage:

### Next Steps for 2023 Directions

Decisions	Logistics	Leaders / Liaisons
<ul> <li>Resources         <ul> <li>For the field</li> <li>For learners</li> </ul> </li> <li>Training/Professional</li> </ul>		
Development		

### Planning for 2020-2021 Directions

<u>New federal requirement</u> <u>https://www.law.cornell.edu/cfr/text/34/668.43</u>

https://www.nasfaa.org/uploads/documents/2019\_State\_Aut horization\_Federal\_Regulations.pdf

-Federal law requires schools to 'disclose any written criteria used to evaluate and award credit for prior learning experience. Includes but not limited to: service in the armed forces, paid or unpaid employment, or other demonstrated competency or learning

## 2018 Survey and Report Overview

#### Current data survey

- Process and timeline
- Provides:
  - ACPL credits applied toward certificates or degrees
  - Approximate number of students receiving ACPL (some duplication)
  - Data by type of ACPL
  - Data by institution and by sector

#### Analysis of data:

- Only 2 years of all institutions reporting (Public CTCs/Baccalaureates and Private Non-profit Baccalaureates)
- **3 years** of 42 / 49 institutions
- Report includes ACPL by sector, by type

### What we **don't** know from the survey and report...

- Quality of data
- Context: Enrollment changes, ACPL as a proportion of all credits
- Institutional ACPL policy changes
- Student populations receiving ACPL (ex. Military-affiliated, age, race/ethnicity, etc.)
- Other?

• What is our top priority this year for changing/improving the ACPL data collection and report? (keeping realistic view of resources, time and capacity)

**Prior learning** is the knowledge and skills gained through:

- Work and life experience.
- Military training and experience.
- Formal and informal education and training.

#### **Assessments** are used to determine if the prior learning is at college level:

Category	Examples
Credits by testing	CLEP, DSST
Extra-institutional learning	ACE recommendations, industry certifications, crosswalks
Course challenges	Written, oral or demonstration
Prior Experiential learning (PEL)	Portfolio

• How does your institution define ACPL success?

• What do we think ACPL success statewide looks like?

# Small Group Discussion:

 What elements of ACPL work do you think are most important for the work group <u>this year</u>?

Please brainstorm with attention to these three areas:

- Resource development
- Training
- Communication (with students, among practitioners, etc.)

• What are our top priorities for action this year (keeping realism in mind in resources, time and capacity)?

- Outcomes are assessed and found to be equivalent to specific college course outcomes.
- Awarding credit is consistent with the policies of the institution.

#### Limitations, portability and transparency:

- NWCCU: Prior <u>experiential</u> learning is limited to 25 percent of credits needed for a credential.
- Noted on college transcripts as *PEL*.
- Community and technical colleges ensure transferability of ACPL credits between them.

Applying to College If you've picked an educational program, it's time to apply! Your application process and deadlines can vary, depending...

(1) The council, the state board for community and technical colleges, the council of presidents, the fouryear institutions of higher education, the private independent higher education institutions, and the private career schools shall collaborate to carry out the following goals:

(a) Increase the number of students who receive academic credit for prior learning and the number of students who receive credit for prior learning that counts towards their major or towards earning their degree, certificate, or credential, while ensuring that credit is awarded only for high quality, course-level competencies;

(b) Increase the number and type of academic credits accepted for prior learning in institutions of higher education, while ensuring that credit is awarded only for high quality, course-level competencies;

(c) Develop transparent policies and practices in awarding academic credit for prior learning;

(d) Improve prior learning assessment practices across the institutions of higher education;

(e) Create tools to develop faculty and staff knowledge and expertise in awarding credit for prior learning and to share exemplary policies and practices among institutions of higher education;

(f) Develop articulation agreements when patterns of credit for prior learning are identified for particular programs and pathways; and

(g) Develop outcome measures to track progress on the goals outlined in this section.

## Recent statewide data

#### Figure 1: Comparison of ACPL Credits in all institutions since 2016-2017

### WICHE/CAEL 2020 research: Key findings

- Higher degree completion for PLA students
- Impact of PLA for Latinx, Black, Pell recipients, Community College students
- Reduced time to degree for ACPL students
- Increased residential credit earning
- ...And yet,
- 1 in 10 students earned at least 1 prior learning credit

## WICHE and CAEL: Recommendations

- ACPL options available and well-promoted
- Systems to help students fully understand options
- Workforce and college collaborations
- Adjust financial aid models to cover assessment
- Creative partnerships among colleges to scale PLA for students' and workers' needs

### Recent Work: Tool Kit

- Focus: Institutional needs
- What's included
- Format
- Next steps: Building and promoting as resource

### Logic Model for ACPL development

Assumptions & Expectations for Successful ACPL	What will happen if we accomplish this?	Inputs and Resources: What do we need to do?	Outputs: What will happen immediately as a result?	Outcomes: -Short term -Medium term -Long term	
<ul> <li>Increase communication</li> <li>Increase crosswalks to streamline pathways</li> </ul>					

- Increase **access** for all students
- Increase **transferability** to baccalaureates
- Gather and analyze data to inform quality, equity, and student service
- Ensure **resources** to support institutions
- Pursue consistency and alignment across institutions

### Results: Logic Model for ACPL development

Assumptions & Expectations	What will happen if we accomplish this?	What do we need?	Outputs	Outcomes
Increase awareness and communication about ACPL	<ul> <li>Institutional commitment</li> <li>Transparent institutional policies and processes</li> <li>Students understand and access ACPL</li> </ul>	<ul><li>-Research: Clear messaging</li><li>-Communication exemplars</li><li>-Training</li></ul>	-Toolkit communication -Training – leadership as well as staff -Community of Practice exchanges	<ul> <li>Institutions' policies support develo pment and access</li> <li>Staff communication</li> <li>More students accessing ACPL</li> </ul>

## ACPL Work Group in context...

ACPL exists within a constellation of laws and policies...

- Institutional
- Sector
- State
- NWCCU

...and within a complex constellation of stakeholders

- Higher education institutions
- Commissions and councils
- COP, SBCTC, ICW
- WSAC
- Military, workforce, labor
- Prospective students
- And more....
