Eastern Washington University Learning Recovery

FAFSA Completion Initiative

Washington has an opportunity to improve equity and degree completion by creating a dedicated FAFSA completion program at EWU.

EAGLE CARE Network

Student success initiatives are at the forefront of Eastern's efforts in partnering with students to achieve degree completion. This innovative network is designed to maximize the collaboration of various student support services to create wrap-around care that helps students navigate and overcome social, financial, and/or health obstacles that can delay or prevent the successful completion of their degree.
