

Metrics Committee

Co-Chairs: Jim Schmidt (ERDC) & Angela Jones (Washington STEM)

- Identify and lead the work to develop appropriate metrics for the STEM Alliance.

This work includes:

- Reviewing the indicators that have already been generated through thought partnership with Washington STEM partners and networks
- Gathering any additional feedback from stakeholders to identify any gaps
- Providing a proposed overall new set of metrics for the dashboard based
- Distributing an annual statewide STEM report card based on the updated metrics

STEM Talent Supply and Demand Dashboards

Dashboard Developed and Maintained by ERDC

- <https://erdc.wa.gov/data-dashboards/STEM>

Previous Dashboard Hosted by WSAC

- <https://stem.wa.gov/>

STEM by the Numbers

- https://washingtonstem.org/focus_area/stembythenumbers/

Next Steps

- Identify Metrics Committee members – Join the group of talented staff who have already stepped up to participate!

FIRST	LAST	ORGANIZATION	TITLE
Ellen	Ebert	OSPI	Director, Learning and Teaching Science and Environmental and Sustainability Education
Kathe	Taylor	OSPI	Assistant Superintendent Learning and Teaching
