Unit Record Report Manual

Overview and Updates

OVERVIEW

The Unit Record Report (URR) is a student-specific report of financial aid awarded to resident and nonresident students attending the Washington institutions that participate in the Washington College Grant (WCG, formerly known as the State Need Grant) program. It provides comprehensive information on federal, state, private, and institutional financial aid distributed to need-based financial aid recipients. The report also includes information about federal borrowing for non-need-based loan recipients.

Unit Record Report History

The Unit Record Report (URR) was developed in response to 1969 legislation, which created the State Need Grant program (now known as Washington College Grant, or WCG) and called for ongoing analysis of student financial aid. The first URR was collected in 1972. Every institution that participates in the WCG program is required to complete the URR at the conclusion of each fiscal year.

The office of student financial assistance within the Washington Student Achievement Council (WSAC) has authority to collect the URR according to the following statute:

RCW 28B.92.040. "... (1) The office shall be research oriented, not only at its inception, but continually through its existence. ... (3) The office shall take the initiative and responsibility...to ensure that the state recognizes the maximum potential effect of these programs, and shall design state programs that complement existing federal, state, and institutional programs..."

Compliance with the Family Educational Rights and Privacy Act (FERPA)

Federal regulations (34 CFR 99.31(a)(3)(iv)) authorize institutions to disclose personally identifiable information on the URR without the student's consent. This authority is based on WSAC's statutory charge, as cited above, and the need for student-specific information to carry out WSAC's administrative and research responsibilities.

As required by 34 CFR 99.35(a)(1), WSAC ensures that use of the URR data will not permit identification of students to individuals other than authorized representatives of WSAC.

Unit Record Report Uses

Student-level data with term-by-term program-specific financial aid information is needed by WSAC to conduct research; design state financial aid programs that complement other existing federal, state, and institutional programs; describe recipient populations; and administer and evaluate state financial aid programs as required by state law.

The URR is the primary data source used by WSAC to comply with these statutory requirements.

Data from the URR are used to:

- Provide financial aid data to the Education Research and Data Center (ERDC). These data, in combination with academic and workforce records, may be used by WSAC staff and other researchers to conduct longitudinal research on the educational and occupational achievements of financial aid recipients.
- Analyze the adequacy of financial aid resources available to financially needy Washington students.
- Describe funding trends and the characteristics of students receiving various types of financial assistance.
- Estimate funding needs and support budget requests for state-funded financial aid programs.
- Estimate the impact of new financial aid programs, changes in program policies, and altered funding levels.
- Contribute to student financial aid policy analysis and program evaluation.
- Respond to legislative requests for information about student financial aid programs available to Washington students.

The URR significantly reduces the number of ad hoc data requests institutions receive.

Use of Unit Record Report for Research Purposes

WSAC has expanded the scope of data uses for the URR. Data-sharing requirements were established with House Bill 2261 (Chapter 548, Laws of 2009), which added new sections to RCW 43.41.400, to answer “critical questions” from various stakeholders and policymakers and non-critical questions developed by the general public.

This action requires the ERDC at Office of Financial Management (OFM) to gather P-20 data for public colleges and universities in order to conduct longitudinal data analysis.

Data-sharing agreements have been developed to permit sharing of URR data to the P-20W warehouse at OFM on behalf of the public institutions. URR data for private institutions will not be disclosed to OFM without consent.

CHAPTER 1 – GENERAL INSTRUCTIONS

Students to be Included

Need-Based Recipients

Submit one record for each student at your institution who received any need-based financial aid, regardless of source. This includes Washington residents and nonresidents. Report all aid, including non-need-based aid sources, for any student who received at least one form of need-based aid. All data for need-based recipients will go through a series of edits to help ensure accuracy of reported data.

Appendix A identifies the financial aid programs and aid types WSAC considers as need-based for the URR. Further, the programs are differentiated by whether 2019-20 Free Application for Federal Student Aid (FAFSA) or Washington Application for State Financial Aid (WASFA) data are required to be submitted:

- **Need-Based Recipients (FAFSA or WASFA required):** All 2019-20 FAFSA or WASFA data must be reported for all students receiving any aid shown in Appendix A as “Need-Based (FAFSA or WASFA data required).”
- **Need-Based Recipients (FAFSA or WASFA optional):** If available, all 2019-20 FAFSA or WASFA data must be reported for all students receiving any aid shown in Appendix A as “Need-Based (FAFSA or WASFA data optional).”

FAFSA or WASFA data submission requirements are described in more detail in Chapter 2.

Non-Need Based Federal Loan Recipients

Also, submit one record for each student at your institution who received non-need based federal loans from these programs: Federal Direct Unsubsidized Loans, Federal Parent PLUS Loans, and Federal Grad PLUS Loans.

Reporting Period

Report financial aid disbursed during the 2019-20 academic year. For need-based recipients this will include all academic and summer terms for which 2019-20 FAFSA or WASFA data are used. Aid reported may include summer 2019 funding and/or summer 2020 funding. You will find included in Chapter 2 specific information regarding which summer aid term(s) to report.

Information To Be Reported

Please ensure you are reporting the data from the transaction the student’s award was based on.

Reporting Application

URR data collection takes place through the WSAC Secure Portal. This tool allows each institution to enter and edit data before submitting the final report to WSAC.

The Portal is available at <https://portal.wsac.wa.gov/>. Chapter 3 contains detailed instructions for using the URR application.

Entering and editing data are an institutional responsibility. WSAC staff will provide technical assistance as needed to any institution experiencing problems with the application.

WSAC staff make every effort to ensure the accuracy of URR data. Notify WSAC staff to initiate any necessary data correction if your institution anticipates or identifies any errors after submitting the final report.

General File and Data Formats

Data files must be in CSV format. A sample CSV file with required header labels is available on the WSAC website at: www.wsac.wa.gov/unit-record.

Report all financial aid fields as integers. Round decimals to the nearest whole number. Round down for decimals from .1–.49999 and round up for decimals from .5–.99999.

Refer to Chapter 2 and Appendix B for valid field values.

All numbers provided must be positive numbers or zero '0' with the exception of the Family Income field only. Negative numbers are acceptable in the Family Income field, as necessary.

Uploading the CSV File

When uploading your CSV file, do not include spaces in the header row descriptions (e.g., Last Name will need to appear in the header row as LastName).

The upload will fail if the CSV file format is incorrect or does not contain all expected data elements. In that case, the system will provide information to assist in identifying any errors or omission for correction in the upload process.

Refer to Appendix C for a list of system edits that prevent file upload and import.

Once a file uploads correctly, the system will review all records for valid values.

Testing the Upload File

Institutions may test their upload file in the Portal training environment prior to uploading to the live URR Portal.

The data uploaded or manually entered into the training site is temporary and clears if left overnight. By using the training environment, institutions may identify data edits and make corrections to the upload file before attempting to make a final URR Portal submission in the live site. The training website is located here:

<https://portaltraining.wsac.wa.gov/>

Profile Reports

After the URR team has reviewed and finalized data from each institution, WSAC will release the 2019-20 profile reports to each institution via the URR application. Profile reports provide descriptive and summary statistics by state, sector, and institution for students who received need-based aid.

CHAPTER 2 – DATA DEFINITIONS

Before You Begin

Please review the contents of this chapter and Appendix B (File Format) to minimize errors during the submission process. Field names in this chapter are hyperlinked to the corresponding field names in Appendix B.

The order of presentation in this chapter generally follows the order of the File Format. The File Format also specifies which fields are required for each type of aid recipient. The following list shows items required for all recipients reported:

Required Fields for All Recipients:

- SSN (Social Security Number) or see below for alternatives
- Last Name
- First Name
- Gender
- Is State Resident
- Year In School
- Enrollment Status (for all five terms)
- Financial Aid Received (for all five terms for all programs)

General and Demographic Information

SSN

The student's nine-digit Social Security Number. Do not use spaces. Hyphens may be used. No duplicate Social Security Numbers allowed.

- **Students Reported in CSAW** – This should be the same SSN or identification number as reported in the WCG and CBS College Bound/WCG Award Warehouse (CSAW) record. The order of preference is as follows:
 - Social Security Number
 - Nine-digit tax identification number
 - WASFA applicant identification number (check WASFA Portal page; begins with '980')

Institutions will receive an error edit at upload for those SSNs whose data do not match previously reported CSAW data. SSNs that are reported in CSAW but do not appear in the Unit Record Report will be shown as differences in the WCG/CBS/Passport Differences Report.

- **Students Not Reported in CSAW** – When reporting data for a student that does not appear in the WCG and CBS CSAW record, populate the SSN field by entering the nine-digit number used in your institutional reporting.

Institution Student ID

Public baccalaureate institutions: Use the nine-character PCHEES Student ID (element number PCH-E0310) as the first nine characters. Use leading zeros if the number is fewer than nine characters. You may add additional characters up to 50 characters. This field is required for public institutions but is overrideable.

Community and Technical Colleges (CTCs): Use the nine-character, college-assigned student identification number (SID) as the first nine characters (include leading zeroes). You may add additional characters up to 50 characters. This field is required for public institutions but is over-rideable.

Private institutions: You may use the identification number assigned to the student by the institution. The field is optional and may remain blank.

Last Name

Student's last name. If a student only has a first name, report that name as first name and last name.

First Name

Student's first name. If a student only has a last name, report that name as first name and last name.

Middle Name

Student's middle name or initial.

Date of Birth

Report date of birth using standard numerical U.S. date format: mm/dd/yyyy. The date should be in the range of 01/01/1945 to 12/31/2005. **NOTE:** 01/01/1982 (leading zeroes for month and day) and 1/1/1982 (no leading zeroes for month and day) are both acceptable formats. This is a required field when reporting FAFSA-based (and WASFA) aid types.

Gender

Report one of the following codes:

‘1’ or ‘Male’ ‘2’ or ‘Female’ ‘3’ or ‘Unknown’ (not permissible for FAFSA filers)

Is State Resident

Public Institutions: A “Washington resident” is defined as any student classified by the institution as a Washington resident for fee-paying purposes ([RCW 28B.15.011-013](#) and [Chapter 250-18 WAC](#)).

Private Institutions: “Washington resident” is defined as a student who meets the residency requirements for the purposes of the WCG program. If residency has not been determined

for state-funded financial aid programs, and the student is not receiving state financial aid, you may use the student's permanent mailing address for reporting residency on the URR.

Report one of the following codes:

Washington Resident: 'y' or 'true' Nonresident: 'n' or 'false'

Year in School [\(Return to Contents\)](#)

Report the student's status as of the beginning of the term for which the last financial aid disbursement was made for the 2019-20 URR year. This is from the institution's official records. Do not use FAFSA or WASFA to populate this field.

Example 1: Student was classified as a sophomore in the fall term and received a disbursement. After the fall term, the student's classification changed to that of a junior. The student was classified as a junior at the final disbursement. Report this student as a '3' or 'junior/3rd year'.

Example 2: Student was classified as a freshman at the beginning of the last term for which a 2019-20 disbursement was made. After this term was completed, the student had earned enough credits to enroll as a sophomore for the next term. Report this student as a '1' or 'freshman/1st year'.

Report one of the following codes:

'1' or 'Freshman/1st Year' – Matriculated students with 0–44 quarter, or 0–29 semester, credit hours enrolled in two-year or four-year degree programs; or first-year students at vocational-technical or proprietary institutions. Do not include below 100-level remedial courses in determining credit hours.

'2' or 'Sophomore/2nd Year' – Matriculated students with 45–89 quarter, or 30–59 semester, credit hours enrolled in four-year degree programs; or 45 or more quarter hours for students at CTCs enrolled in two-year degree programs; or second-year students at vocational-technical or proprietary institutions.

'3' or 'Junior/3rd Year' – Matriculated students with 90–134 quarter, or 60–89 semester, credit hours enrolled in four-year degree programs. Include students who are in the first year of an applied bachelor's program if they have completed an associate degree program.

4' or 'Senior/4th Year' – Matriculated students with 135 or more quarter, or 90 or more semester, hours enrolled in four-year degree programs. Include students who have not completed their degree program after the fourth year of a four-year program. Also, include students in the fifth year of a five-year bachelor's program. Include students who are in the second year of an applied bachelor's program if they have completed an associate degree program.

'5' or 'Unclassified/5th Year' – Students who hold a bachelor's degree and were not enrolled in a program leading to a graduate degree (master's or doctoral) or a graduate-level certificate. Include students who are working on a second bachelor's

degree. Also, include students with a bachelor's degree who are getting an associate degree. Use code '8' to count non-matriculated students without a bachelor's degree.

'6' or 'Graduate' – Students who hold a bachelor's degree and are enrolled in a program leading to a graduate degree (master's or doctoral).

'7' or 'Professional' – A student enrolled in any of the following degree programs: Chiropractic (D.C. or D.C.M.), Dentistry (D.D.S. or D.M.D.), Law (L.L.B. or J.D.), Medicine (M.D.), Optometry (O.D.), Osteopathic Medicine (D.O.), Pharmacy (Pharm.D.), Podiatry (D.P.M., D.P., or Pod.D.), Theology (M.Div., M.H.L., B.D., or Ordination), or Veterinary Medicine (D.V.M.).

'8' or 'Other' – Non-degree, non-matriculated, high school completion, or other students who cannot be classified as any of the above. This category includes Running Start and other students for whom need-based aid is reported but who have not yet graduated from high school.

Race/Ethnicity

The race and ethnicity categories in the URR reflect the U.S. Census Bureau data format adopted by the state's Office of Financial Management (OFM).

Hispanic origin is the only ethnicity category reported in the URR. The race categories in URR include: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Pacific Islander, White, and Other. You may report two or more races.

Report all race and ethnicity data, if available, to eliminate reporting gaps. Leave blank only if race or ethnicity information is not available or unknown. NOTE: The Portal will interpret all blank race or ethnicity fields as 'n' or 'false.'

Is of Hispanic Origin

A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. Report one of the following codes:

Yes: 'y' or 'true'

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

Is Race American Indian or Alaska Native

A person having origins in any of the original peoples of North and South America (including Central America) who maintains cultural identification through tribal affiliation or community attachment. Report one of the following codes:

Yes: 'y' or 'true'

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

Is Race Asian

A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. Report one of the following codes:

Yes: 'y' or 'true'

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

Is Race Black or African American

A person having origins in any of the black racial groups of Africa. Report one of the following codes:

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

Is Race Native Hawaiian or Pacific Islander

A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands. Report one of the following codes:

Yes: 'y' or 'true'

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

Is Race White

A person having origins in any of the original peoples of Europe, the Middle East, or North Africa. Report one of the following codes:

Yes: 'y' or 'true'

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

Is Race Other

Report students in this category only if students have explicitly identified with a **race** not listed above. Do not report Hispanic **ethnicity** in this category. Report one of the following codes:

Yes: 'y' or 'true'

No: 'n' or 'false'

Leave blank only if race or ethnicity information is not available or unknown.

FAFSA, WASFA, and Need-Related Fields

The following additional fields are required for need-based aid recipients with a 2019-20 FAFSA or WASFA on file.

- ISIR or WASFA Transaction Number
- Marital Status
- Is Dependent
- Family Size
- Number in College
- Family Income
- Expected Family Contribution (EFC)
- Cost of Attendance (COA)
- Need Duration
- Need Amount

If the financial aid administrator made any adjustments (e.g., due to verification, updates from the student, or professional judgment decisions), the revised information should be reported based on the corrected/reprocessed application.

Example 1: The student filed the FAFSA or WASFA as a dependent student. The financial aid administrator later documented a professional judgment decision that changed the student's dependency status to independent. In this case, report the student as "independent."

Example 2: The student's family income for 2017 reported on the FAFSA or WASFA was \$82,000. The student and parents petitioned to the financial aid office that the family income would be \$55,000 for 2019 due to a lengthy period of unemployment. The income adjustment was approved and was used to determine eligibility. In this case, report \$55,000 as the family income.

These data are optional for non-need based federal loan recipients who did not receive need-based financial aid. After finalizing the URR, WSAC will delete unnecessary FAFSA or WASFA non-aid related data from all non-need-based loan recipient records.

ISIR WASFA Transaction Number

Report the most recent ISIR or WASFA records transaction number was used to award aid to the student for the year. Generally, this data should match student data entered in CSAW.

Marital Status

Report one of the following codes:

- '1' or 'Unmarried' (including single, divorced, or widowed)
- '2' or 'Married'
- '3' or 'Separated'

Is Dependent

Report one the following codes:

Dependent: 'y' or 'true'

Independent: 'n' or 'false'

Family Size

The number of members in the student's household, including the student. Generally, this figure should match the number reported for this student in CSAW.

For Dependent Student: Include the student, parents, siblings, and other dependents used in the need analysis calculation. This number must be at least 2.

For Independent Student: Include the student, the student's spouse if applicable, any dependent children, and any other persons used in the need analysis calculation. This number must be at least 1.

Number in College

The number of family members, including the student, expected to be enrolled in an institution at least half-time between July 1, 2019, and June 30, 2020, in programs of study leading to college degrees or certificates. For dependent student filers, this should not include the student's parents unless a professional judgment decision was made to count them. Generally, this figure should match the number reported for this student in CSAW. This number must be at least 1.

Family Income

The family income used in computing the student's financial need. For most students, the family income will be for the 2017 calendar year as reported on the 2019-20 FAFSA or WASFA. This is a required field if reporting any of the following other items for a student: Expected Family Contribution, Need Amount, or Need Duration.

Only include integers (no decimals) and do not include dollar (\$) signs. Include a negative sign (-) for any negative amounts. For example, a negative family income of \$9,875 would be reported as '-9875'.

Report the family income levels from your system even if they are higher or lower than the system edit amounts. We prefer that you report the actual amounts and, if an edit occurs, indicate something like "actual income reported on FAFSA (or WASFA)." Reporting of actual income allows for more accurate reporting of average family income levels. Generally, this figure should match the number reported for this student in CSAW.

For Dependent Student: Taxable and non-taxable income of parent(s). Do not include the student's income.

For Independent Student: Sum of student and spouse taxable and non-taxable income.

Reporting Items in the Need Equation

Information reported in the four fields that follow may be reported based on the information available at the time of the recipient's first financial aid disbursement during the 2019-20 year. This applies to full year awards made at the beginning of the academic year when students opt not to attend all terms.

- Cost of Attendance
- Expected Family Contribution
- Need Duration
- Need Amount

Many students will receive financial aid throughout the year with no changes made to the institution's record for these fields. However, it is important for the data to be consistent if changes are made in an institution's data record. The following examples may be of assistance:

Example 1: Student enrolled is expected to enroll for a nine-month academic year. Report all four fields on that basis.

Example 2: Student originally was expected to enroll for a nine-month academic year. The student, however, did not return to school after the fall term. In this case, the institution may decide either to:

- A. Not make any changes to these four fields. However, report enrollment status and financial aid disbursement amounts accurately for all terms.
- or
- B. Adjust all four fields in order to align with the actual term-by-term enrollment status.

Cost of Attendance

The estimated student budget upon which the Need Amount was calculated. Include tuition, fees, books and supplies, and living, personal, and transportation expenses. The Cost of Attendance should be consistent with the number of months reported in the Need Duration.

NOTE: Include the full-assessed tuition amount to calculate and report in the URR the true Cost of Attendance (COA) for recipients of WCG, CBS, and other need-based assistance. The full-assessed tuition amount is what the student is, or would be, assessed before any tuition waiver(s) have been applied. This formula is required for the 2019-20 URR. See the 2019-20 Washington College Grant/College Bound Scholarship program manual, Chapter 2, page 28, Cost of Attendance (COA) and Tuition Waivers.

Expected Family Contribution

The Expected Family Contribution (EFC) usually will be the Federal Methodology (FM) calculation produced by the U.S. Department of Education based on the 2019-20 FAFSA or WASFA (uses a FAFSA-like computation but is not processed through the US Department of Education). If a financial aid administrator has made a professional judgment decision to adjust the FM EFC, they must submit those corrections through either the federal processor or through the WASFA and then report the adjusted EFC amount as calculated on the

FAFSA or WASFA. This should be consistent with the number of months reported in the Need Duration. This is a required field if reporting any of the following other items for a student: Family Income, Need Amount, or Need Duration.

NOTE: If an institution also calculates an Institutional Methodology (IM) expected family contribution that differs from the FM EFC, report the FM rather than the IM amount as the EFC.

For Dependent Students: Base the expected family contribution on the information reported by the student and the student's parent(s) on the FAFSA or WASFA.

For Independent Students: Base the expected family contribution on the information reported by the student, and the student's spouse if applicable, on the FAFSA or WASFA.

Need Duration

The number of months for which the Need Amount was calculated and the Cost of Attendance was determined. For example, if a student's need amount and cost of attendance were based on nine months, the figure '9' would be reported. This is a required field if reporting any of the following other items for a student: Family Income, Expected Family Contribution, or Need Amount.

Report the Need Duration as an integer from 1-12.

Need Amount

The amount of need used to determine the student's eligibility. This should equal the Cost of Attendance minus the Expected Family Contribution (EFC). This is a required field if reporting any of the following other items for a student: Family Income, Expected Family Contribution, or Need Duration.

$$\begin{array}{r} \text{Cost of Attendance} \\ - \text{Expected Family Contribution} \\ = \text{Need Amount} \end{array}$$

If the above calculation results in a negative number, report the Need Amount as zero ('0'). WSAC will adjust the URR to reflect a zero ('0') for any Need Amount reported as a negative number.

Reporting Term Enrollment and Financial Aid for Five Terms

Report enrollment and financial aid received on a term-by-term basis. When preparing the CSV file, follow the sample file format, which replaces the word 'Term' with 'Summer 1,' 'Fall,' etc. for all fields for all five terms.

- Summer 1
- Fall
- Winter
- Spring
- Summer 2

For students for whom data is required on the URR, report term enrollment statuses and financial aid received for all five terms. For any terms that students did not enroll, be sure to report the TermEnrollmentStatus as '0' or 'Not enrolled.' For any terms that students did not receive aid, be sure to report '0' for each aid program.

For some institutions, the academic year may cover the July 2019–June 2020 timeframe. For others, it may more closely represent the dates of August 2019–July 2020. In most cases, it will not exceed 12 months. If you are reporting assistance for students who did not submit a FAFSA or WASFA, use the same timeframe for these students as you use for FAFSA or WASFA filers.

NOTE: The URR checks to ensure that a positive enrollment status (any status except for '0' or 'Not enrolled') is reported for each term that aid was reported on a student record, excepting certain work programs (e.g., State and Federal Work Study, and work force training funds, which allow for payment during a non-enrolled term, such as Summer). This edit is overrideable.

Quarter and Semester Term Institutions

Most institutions will use either the Summer 1 term or the Summer 2 term, but not both. For the term that is not used, either '0' or 'Not enrolled' should be input for the term enrollment status.

Quarter institutions will use fall, winter, spring, and appropriate summer terms for the reporting of financial aid recipients.

Semester institutions normally will use fall, spring, and appropriate summer terms for the reporting of financial aid recipients. If the student received disbursement of specific grant, scholarship, or loan assistance for the short period between the fall and spring semester, report as fall, winter, or spring term financial aid based on institution reporting preferences. If there was specific Federal Work Study, State Work Study, or Institutional Employment awarded for the time between fall and spring terms, you may report it as winter term.

Each institution with a **summer enrollment** period (typically between May and August) should report summer aid disbursements as a "leader" institution or as a "trailer" institution based on federal program rules. Institutions should report financial aid disbursed under "leader" rules as 'Summer 1' assistance. Institutions should report financial aid disbursed under "trailer" rules as 'Summer 2' assistance. If an institution has more than one summer term during the same summer, combine and report the financial aid and term enrollment status as a single summer term.

Example 1: A student at a "trailer" institution received financial aid for two short summer sessions in 2020, based on the 2019-20 FAFSA or WASFA. The student received financial aid for 6 credits the first summer session (mid-May to late June) and received financial aid for another 6 credits the second summer session (early July to mid-August). Report all aid as 'Summer 2' with the student's enrollment status as full-time. 'Summer 1' enrollment and all financial aid fields will be '0'.

Example 2: A student at a "header" institution received financial aid for the summer 2019 term based on the 2019-20 FAFSA or WASFA. At the time of the URR submission, the student also received financial aid for the summer 2020

term (based on a 2020-21 FAFSA or WASFA). Report aid received during the summer of 2019 as 'Summer 1'. Report 'Summer 2' enrollment status and corresponding financial aid fields as '0'. (Note: In this case, report the 2020 summer enrollment and aid received on the 2020-21 URR.)

Combination of leader and trailer awards: If your institution awarded some programs under leader rules and other programs under trailer rules, report leader awards in Summer 1 and report trailer awards in Summer 2.

Continuous Enrollment Credit Hour Institutions and Clock-Hour Institutions

Some clock-hour institutions do not divide their school year into academic terms. These institutions should report each student's enrollment status and financial aid received in each of the five time periods. Each term should represent approximately 10 weeks. Base the reporting periods on when the majority of enrollment occurred.

The terms and dates reported should be consistent with the information reported for WCG in the CSAW portal application for the 2019-20 year.

Term Date Ranges for Clock-Hour Institutions

These reflect the same date ranges that appeared in the 2019-20 WCB/CBS manual.

Term	From	To
Summer 1	July 1, 2019	September 11, 2019
Fall	September 12, 2019	November 22, 2019
Winter	November 23, 2019	February 5, 2020
Spring	February 6, 2020	April 18, 2020
Summer 2	April 19, 2020	June 30, 2020

Term Enrollment Status

Report enrollment based upon the student's status or scheduled clock hours at the time of financial aid disbursement or a fixed date such as the tenth day of enrollment.

Undergraduate Enrollment Status: Use the following codes for reporting enrollment status by number of undergraduate credits or scheduled clock hours per term.

Undergraduate Enrollment Status	Credits	Scheduled Clock Hours	URR Codes
Not Enrolled	n/a	n/a	'0' or 'Not enrolled'
Full-Time	12 or more	300 or more	'1' or 'Full time'
Half-Time	6–8	150–224	'2' or 'Half time'
Three-Quarter Time	9–11	225–299	'3' or '3/4 time'
Less Than Half-Time	Less than 6	Less than 150	'5' or '< Half time'

Graduate Student Enrollment Status: Use the following table for reporting enrollment status based on the institution's definition of enrollment status for graduate students.

Graduate Enrollment Status	URR Codes
Not Enrolled	'0' or 'Not enrolled'
Full-Time	'1' or 'Full time'
Half-Time	'2' or 'Half time'
Three-Quarter Time	'3' or '3/4 time'
Less Than Half-Time	'5' or '< Half time'

Reporting of Financial Aid Received

Use whole dollar amounts—no decimals and no dollar signs (\$)—when reporting financial aid disbursements or funds received.

Do not report aid from one program in multiple URR fields. If there are two or more possible fields to report in, choose one or contact unitrecord@wsac.wa.gov for assistance.

For each aid program listed below, report for the five terms. Indicate '0' for all terms that a student did not receive specified aid. Do not leave any fields blank.

Consistency with other WSAC Reporting: WSAC will compare information provided in the URR for programs such as WCG, CBS, and Passport to College on a recipient basis with information submitted in CSAW and other WSAC reports.

Generally, the total funds reported for each recipient should be the same for all of the reports. For any difference of greater than \$10 per student, institutions will need to either reconcile the reports or provide an edit override explanation.

Federal Aid Programs

Federal Pell Grant

The amount of Federal Pell Grant funds received by the student.

Federal SEOG

The total amount of Federal SEOG funds received by the student. Include federal and institutional match awards.

Federal TEACH Grant

The amount of Federal TEACH Grant funds received by the student.

Federal Nursing Scholarships

The amount of federal scholarships and grants received by the student for nursing and other health professional training.

Federal Work Study

The student's gross Federal Work Study compensation. Include federal, employer, and institutional shares, and include all employers, both on- and off-campus earnings.

For institutions reporting fall and spring semesters, include any earnings received between the terms as either fall or spring term. Do not report this aid type as winter term aid unless there was a specific award made for the winter term.

There are two options for reporting work study earnings:

Actual Term Earnings: Institutions may report actual gross term earnings based upon monthly cutoff dates or institutional payroll dates. For example, a semester institution may report all September–December earnings as fall term aid and January–May earnings as spring term aid (with '0' reported for winter aid). Quarter institutions may report September–December earnings for fall term, January–March earnings for winter term, and April–June earnings for spring term.

Average Term Earnings: Institutions may report average gross term earnings over the academic year for all terms for which the student had an Enrollment Status of half-time or higher. For example, if a student received \$3,261 in earnings at a semester institution over the course of an academic year, you may report \$1,631 as fall term earnings and \$1,630 as spring term earnings.

Federal Nursing Health Loans

The amount of any Federal Nursing Student Loan or federal health professions student loan funds received by the student.

Federal Direct Subsidized Loans

The total gross amount borrowed by the student, including fees, from the Federal Direct Subsidized Loan program. Note: This amount may not be the amount requested on the application form. Another name for this program is the Federal Stafford Subsidized Loan.

Federal Direct Unsubsidized Loans

The total gross amount borrowed by the student, including fees, from the Federal Direct Unsubsidized Loan program. Note: This amount may not be the amount requested on the application form. An alternate name for this program is the Federal Stafford Unsubsidized Loan.

Federal Parent PLUS Loans

The total gross amount borrowed by the student's parent(s), including fees, from the Federal Parent PLUS Loan program. Note: This amount may not be the amount requested on the application form.

Federal Grad PLUS Loans

The total gross amount borrowed by the student, including fees, from the Federal Grad PLUS Loan program. Note: This amount may not be the amount requested on the application form.

State Aid Programs

WA College Grant (WCG)

The amount of WCG funds received by the student. The amount reported normally should be the same amount reported in CSAW.

WCG Apprenticeship

There should be no amount reported in this category for 2019-20. Funds received by the student for WCG Apprenticeship should be reported in WA College Grant field for 2019-20.

College Bound Scholarship (CBS)

The amount of College Bound Scholarship funds received by the student. The amount reported normally should be the same amount reported in CSAW.

Passport to College Scholarship

The amount of Passport to College Scholarship funds received by the student. In the unusual circumstance that an incentive grant was used to enhance a student's financial aid award, the incentive grant portion must be reported separately as financial aid received by the student in the Passport to College Incentive Grant field of the URR (see below).

For example, if the student received a \$5,000 Passport to College Scholarship and a \$500 incentive grant payment, the institution should report on the URR that the student received a \$5,000 Passport to College Scholarship and a \$500 Passport to College Incentive Grant. The amount reported as Passport to College Scholarship normally should be the same amount reported in CSAW for PTC.

Passport to College Incentive Grant

The amount of Passport to College Incentive Grant funds disbursed to the institution that is received by the student as a direct financial aid.

For example, if the student received a \$5,000 Passport to College Scholarship and a \$500 incentive grant payment, the institution should report the \$500 incentive grant portion as Passport to College Incentive Grant.

Teacher Conditional Scholarship Programs

The amount of state-funded teacher scholarships and loans received by the student that have the potential for loan repayment if required conditions are unmet. Examples include state-funded conditional scholarship programs such as [Alternative Routes to Teacher Certification](#), [Pipeline for Paraeducators Conditional Scholarship](#), [Educator Retooling](#), [Career and Technical Education Conditional Scholarship](#), and [Teacher Shortage Conditional Scholarship](#).

Teacher Grant Programs

The amount of state-funded teacher grants received by the student. Grants do not include terms of potential for repayment for receipt of funds. Examples include the [Student Teaching Grant](#) and the [Teacher Endorsement and Certification Help](#) program (Teacher Endorsement, or state TEACH program; this is not the federal TEACH Grant).

WSOS BA Scholarship (formerly Opportunity Scholarship)

The amount of WSOS BA Scholarship funds received by the student. This program also used to be known as the Washington State Opportunity Scholarship. Washington STEM administers the program.

WSOS Career Technical Scholarship

The amount of WSOS Career and Technical Scholarship funds received by the student. This is a new program reportable in 2019-20. Washington STEM administers the program.

SBCTC Opportunity Grant

The amount of State Board for Community and Technical Colleges (SBCTC) Opportunity Grant funds received by the student. Note: This grant is available only to students attending community and technical colleges, and select private career institutions.

Other State Funded Gift Assistance

The amount of other state scholarships and grants received by the student (e.g., Global Opportunity Grants [applies to UW only], Early Achievers Opportunity Grants, Washington Scholars, and the American Indian Endowed Scholarship), that are not included in another state aid category.

Do not report family-purchased [Guaranteed Education Tuition](#) (GET) fund distributions in the Unit Record Report.

On-Campus State Work Study

The student's gross on-campus State Work Study compensation. Include state and institutional share.

For institutions reporting fall and spring semesters, include any earnings received between the terms as either fall or spring term. Do not report this aid type as winter term aid unless there was a specific award made for the winter term.

There are two options for reporting work study earnings:

Actual Term Earnings: Institutions may report actual gross term earnings based upon monthly cutoff dates or institutional payroll dates. For example, a semester institution may report all September–December earnings as fall term aid and January–May earnings as spring term aid (with '0' reported for winter aid). Quarter institutions may report September–December earnings for fall term, January–March earnings for winter term, and April–June earnings for spring term.

Average Term Earnings: Institutions may report average gross term earnings over the academic year for all terms for which the student had an Enrollment Status of half-time or higher. For example, if a student received \$3,261 in earnings at a semester institution over the course of an academic year, that could be reported as \$1,631 fall term earnings and \$1,630 spring term earnings.

Off-Campus State Work Study

The student's gross off-campus State Work Study compensation. Include state and off-campus employer share.

For institutions reporting fall and spring semesters, include any earnings received between the terms as either fall or spring term. Do not report this aid type as winter term aid unless there was a specific award made for the winter term.

NOTE: The same two options for reporting earnings are available (see On-Campus section above).

If the institution acts as the employer of record and the student works off campus, it is preferable to report earnings as off-campus State Work Study. If accounting constraints do not permit recording of earnings as off-campus, report the earnings as on-campus State Work Study.

WorkForce Training Funds

The amount of Worker Retraining Program funds received by the student. Also include Work-Based Learning Tuition Assistance Funds and Basic Food Employment & Training (BFE&T) dollars in this category.

Institutional Aid Programs

Need-Based Institutional Gift Aid

The amount of all institutional grants, scholarships, and/or waivers awarded solely or partially based on need.

Report institutional scholarships, grants, and waivers awarded only based on merit or other non-need-based criteria as Non-Need Based Institutional Gift Aid.

- For WCG and CBS recipients, report all need-based tuition waivers in this category of the URR. The institution must ensure that student COAs reported include the true cost of tuition (that is, the full assessed tuition amount before the waiver is applied). This data is required for the 2019-20 URR.
- For recipients of other need-based aid who did not receive WCG or CBS, report any need-based tuition waiver(s) in this category of the URR and, whenever possible, the full-assessed tuition amount is to be included in the COA.

Non-Need Based Institutional Gift Aid

The amount of institutional scholarships, grants, and/or waivers received by the student not based on a review of the 2019-20 FAFSA, WASFA, or other need determination.

Report institutional grants, scholarships, and waivers awarded solely or partially based on need as Need-Based Institutional Gift Aid.

- For WCG and CBS recipients, report all non-need-based tuition waivers in this category of the URR. The institution must ensure that the student's reported COA includes the true cost of tuition (that is, the full assessed tuition amount before the waiver is applied). This data is required for the 2019-20 URR.
- For recipients of other need-based aid who did not receive WCG or CBS, report any non-need-based tuition waiver(s) in this category and, whenever possible, the full-assessed tuition amount is to be included in the COA.
- Do not report in the URR a student who received non-need-based tuition waiver(s) but did not receive any need-based financial assistance.

Institutional Employment

The student's gross non-work study institutional employment earnings (on- or off-campus) if the employment was included as part of the financial aid package.

Also, include WorkFirst work study funds and any amounts from the institutional aid fund distributed as institutional employment.

Do not include earnings reported as Federal Work Study or State Work Study.

For institutions reporting fall and spring semesters, include any earnings between the terms as either fall or spring term. Do not report this aid type as winter term aid unless there was a specific award made for the winter term.

Institutional Loans

The amount of all institutional loans disbursed to the student. Do not include “short term” or “emergency” loans generally repaid within a few months. Report only those students who have also received other need-based assistance.

Other Financial Aid Programs

For any additional conditional, private, or other loans not reported elsewhere, report the loan amount received by the student in one of the next three categories. Choose the category that fits best.

Conditional Loans

The amount of scholarships, grants, and loans received by the student and not reported elsewhere that have the potential for loan repayment if required conditions are unmet.

Private Loans

The amount of PREP loans, community foundation loans, and all other private loans received by the student and not reported elsewhere.

Other Loans

The amount of Canadian, Micronesian, Alaska Student Loans, and other agency or government loans received by the student and not reported elsewhere, such as the Aerospace Loan Program (ALP).

Outside Scholarships

The amount of known outside or private scholarship funds received by the student.

Include National Merit, employer-funded tuition assistance, company, service club, and any other private scholarships or grants not reported elsewhere.

Scholarships funded by the institution’s foundation or endowment should be reported as either Need-Based Institutional Gift Aid or Non-Need Based Institutional Gift Aid.

Other Agency Assistance

The amount of scholarships and grants received by the student from other agencies or government sources not reported elsewhere.

Include Department of Labor and Industries, Services for the Blind, Workforce Investment Act, Vocational Rehabilitation, AmeriCorps Education Award, Bureau of Indian Affairs (BIA), Reserve Officers’ Training Corps (ROTC), Chapter 31 and 33 Veterans Benefits or other Veterans Benefits, federal scholarships for TRIO students, federal Education and Training Vouchers (ETV), federal Child Care Access Means Parents In School (CCAMPIS) funds awarded to student, and other agency assistance.

CHAPTER 3 – REPORTING APPLICATION USER’S GUIDE

This section provides instructions for the Portal-based URR application used to create and submit your institution’s URR to WSAC.

This section starts with an overview of the application and continues with step by step instructions.

Accessing the Portal Application

The URR application is located on WSAC’s Portal website: <https://portal.wsac.wa.gov/>.

Enter your email address and password in the top right corner to log in, or click “Unit Record Report” under the Financial Aid Administrators heading and log in when prompted at the secondary login screen. If you do not have access to the Portal, contact WSAC staff at unitrecord@wsac.wa.gov.

NOTE: Your menu may have different menu options depending on the programs you have permission to access. If “Unit Record” does not show in your menu, contact WSAC staff at unitrecord@wsac.wa.gov.

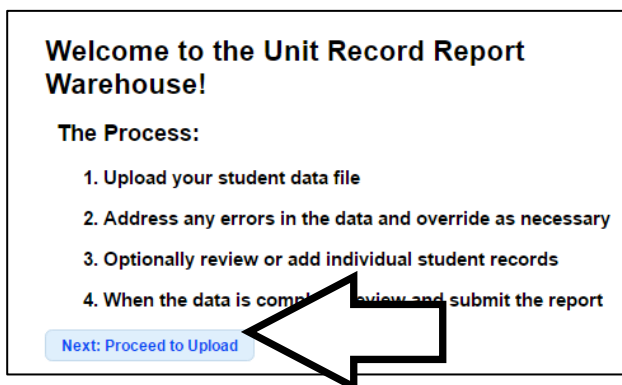

You will encounter the following “Welcome” screen upon your first URR login for the year. If the URR file was uploaded during an earlier Portal session, you will be taken directly to the appropriate status screen upon login instead of the “Welcome” screen; that is, “Ready to Begin,” “In Progress,” or “Submitted.”

Uploading Data from a File

From the “Welcome” screen, click on the “Next: Proceed to Upload” button.

Click the “browse” button to find the file on your PC that you want to upload. Be sure to select a file saved in CSV format; then, click the “upload” button. **CAUTION:** Upload of a new file will delete all prior data and any overridden errors from the system.

PLEASE NOTE: Each upload attempt represents a FRESH start. All existing data for the year will be deleted.

Large CSV files (over 10MB) should be zipped before uploading.

This screenshot shows the file upload interface. A yellow box at the top contains a note: "PLEASE NOTE: Each upload attempt represents a FRESH start. All existing data for the year will be deleted." Below this, another yellow box states: "Large CSV files (over 10MB) should be zipped before uploading." The main interface has a text field showing "No file selected...", a "browse" button, an "upload" button, and a link for "upload manually". Two large black arrows point to the "browse" and "upload" buttons respectively.

The upload process may take a while, depending on file size. The “Processing” progress bar shows the ratio of records processed to the total records contained in the file download (shown below) and can be used to determine how much of the file upload has been completed.

[Deleting a File Upload in Process](#)

The “Discard Upload” button appears immediately upon initiating a URR file upload. Clicking the “Discard Upload” button interrupts and deletes the file upload mid-process, allowing you to select and upload a different file. This functionality permits users to cut short any potentially long wait times if you discover a critical error(s) in a high-volume file during upload. The “Discard File” button also remains available after upload has completed.

This screenshot shows the "Processing file..." screen. It has a title "Upload Unit Record Data" and a status "Processing file...". Below this, it says "initializing...". At the bottom, there is a "discard upload" button. A large black arrow points to the "discard upload" button.

If a fully uploaded file contains errors, you will see a message like the one below, indicating that file correction is necessary and then resubmitted. From here, you can either click on

the “discard file” button to return to the upload page or click on the “download errors to csv” button to see a complete list of errors in the file.

Download the .csv file and review for accuracy as described here, then return the annotated .csv file to WSAC URR team as a secure Portal email attachment, using the "Send an Email" button in the upper half of this screen.

For any students who received need-based aid or federal loan assistance, click "Return to the Edit List" and manually add unit records for those students; then run an updated .csv, to remove them from the Missing Unserved list.

For students whose term enrollment statuses ALL are accurate as shown AND no need-based aid or federal loan assistance was received, enter "Yes" in the "Indicate Yes If All Terms OK" column. For remaining students, enter the actual enrollment status (i.e., Full time; 3/4 time; Half time; LTHT; or, Not enrolled) in the "Verify" column corresponding only to the positive enrollment terms shown. Leave blank the "Verify" column corresponding to a term shown as "Not enrolled." Do not overwrite or edit the original download text. Additional notes can be placed in the "Comments" column.

The WCG/CBS/PTC difference report includes a tab titled “Missing WCG Unserved Students.” This tab shows a list of unserved WCG students reported by your institution in the 2019-20 CSAW, but for whom a corresponding 2019-20 URR record is missing. Download the CSV and review for accuracy. Follow the instructions below to complete and return an annotated CSV file to the WSAC URR team as a secure Portal email attachment, using the “Send an Email” button in the upper half of the Discrepancy Report screen.

1. Identify those students appearing on the Missing WCG Unserved list who did receive need-based aid or federal loan assistance during the year, and manually add a unit record for them. To do so, click “Return to the Edit List” and follow directions in the section, “Manually Adding Student Records.” Then run an updated CSV file to remove those students from the report that you will annotate and return to the URR team.
2. For students who did not receive need-based aid or federal loan assistance:
 - a. IF the student’s enrollment statuses are accurate as shown on the download report for ALL positive terms of enrollment, enter “Yes” in the “Indicate Yes If All Terms OK” column. Leave blank any “Verify” columns for that student.
 - b. For all remaining students, enter the actual enrollment status (full time; 3/4 time; half time; or LTHT) in the “Verify” column for each term in which a positive enrollment status is reported for that student. You may leave blank those “Verify” fields associated with terms shown as a “Not enrolled” status, however, you may update if there was a status change.
3. For ALL students: Do not overwrite or edit text within the columns containing pre-filled content. Enter appropriate responses in the “Verify” or “Yes if All Terms OK” columns only. Or, place additional notes in the “Comments” section.

Here is an example of a completed, annotated, CSV file that is ready for return to the WSAC URR team. This example does address status changes to entries originally shown as “Not enrolled.”

You will have one more opportunity here to review any differences between your URR data and Portal records for Washington College Grant, College Bound Scholarship, and Passport to College. If you find additional differences, you can edit the records by clicking “Return to the Edit List.” If you submit the URR with significant differences, WSAC staff will contact you to explain those differences before WSAC finalizes the report.

You cannot correct any SSN mismatch that originated in the WCG/CBS/PTC CSAW record from the institution side of the URR Portal. Click the “Send an Email” button and create a secure email to the Unit Record Report team, which will initiate the SSN correction for you from the WSAC side of the Portal.

After you have addressed all edits and differences on these tabs, press the “Click to Continue” button.

Reports Available After Submission

We recommend that you retain copies of the Program Totals Report and Demographic Distribution Reports after submitting your final URR. You may also review previous-year Profile Reports at this time.

PLEASE NOTE: WSAC will remove any non-essential, non-need-based data from your institution's records after WSAC has finalized all URRs. This means that, prior to final closure of all URR submissions for the year, your preliminary Institutional Totals Report column for 2019-20 may include some non-need-based aid that WSAC will remove later. Until WSAC removes all non-essential non-need-based aid from the 2019-20 column, your Program Totals Report could reflect a greater percentage change between 2018-29 and 2019-20 than will appear after WSAC releases the final reports for 2019-20 in January 2021.
