

## Campus Visit Checklist

*When you visit a campus, it is important that you ask the right types of questions:*

### Look at Equipment and School Facilities

- Is the library good for studying and research?
- Are the dorm rooms quiet enough for studying?
- How large are the dorm rooms? What type of furniture is provided/allowed?
- What is the cafeteria like?
- Are there plenty of computer labs?
- Do students get free email and internet access?
- Are the facilities and equipment up-to-date and operating?
- Is the equipment similar to what you will be using on the job?

### Talk with an Admissions Counselor

- Has the institution and its programs been accredited by a recognized accrediting association?
- What are the admissions requirements for the college or for a specific program?
- How do you apply, and which forms do you fill out?
- When are the important deadlines for admissions?
- Will your family's ability to pay for college be a factor in the admissions process?
- What are the housing requirements and parking rules?
- What types of extracurricular activities are available?
- Can credits be earned online or transferred from other colleges?
- What percentage of first-year students return the following year?
- What percentage of graduates is employed within one year?

### Sit In on a Class or Two

- Do the instructors seem knowledgeable?
- Are the students participating in classroom activities?
- What kinds of work are the students doing?
- How large/small are the classes?

### Talk with Current Students in the Program

- What do they like most/least about the school/program?
- How do they spend their free time?
- What are the other students like?
- Have they had any problems with the school, the instructors or the classes?
- What is their opinion of the instructors? Are instructors available outside of class?
- Do the instructors spend time with them to be sure they understand the material?
- How long have they been in school?
- Are they learning what they need to know to get a job?
- How much time is needed for studying and other work outside class?

### Talk with Instructors in the Program

- What are the academic requirements in the program?
- What kinds of courses are offered? How often are they offered?
- How many students are in the program? How many are accepted into the program each year?
- How long does it take most students to complete the program?
- How long have they taught at the school? Do they teach full time or part time?
- What background do they have in the field? How does it relate to the courses they teach?
- What types of activities are they involved in that relate to the field of study?

### Talk with a Financial Aid Counselor

- How much does it cost to attend the college (including tuition, room and board, fees, etc.)?
- What financial aid options are available?
- Does the school participate in federal and state aid programs? (Not all schools are eligible.)
- What percentage of undergraduates receives aid?
- How much do they receive on average?
- Which financial aid forms do you need to fill out and what are the deadlines?
- Does the college offer scholarships? Who is most likely to receive them? How do you apply?
- Will private/non-government scholarships reduce the amount of need-based aid you receive?
- How is financial aid paid out? When will you receive it?
- Where do most graduates find work?
- How much do graduates typically owe?
