Washington Application for State Financial Aid

Overview

WASFA Privacy Statement

The Washington Student Achievement Council (WSAC) administers state financial aid including the State Need Grant, College Bound Scholarship and the Washington Application for State Financial Aid, or WASFA, for undocumented individuals. The Council is committed to providing opportunities and support to ensure every Washington student is able to pursue education beyond high school.

Regarding concerns that students, parents, and other partners may have about the confidentiality of information submitted on the WASFA, the purpose of the application is to provide eligibility information to colleges and universities in Washington that offer State Need Grant and College Bound Scholarship. WSAC shares application information with campuses listed by the student so those schools may determine eligibility for resident tuition and financial aid. Campuses are not permitted to use the information for other purposes or share the data with other parties.

WSAC is committed to protecting the confidentiality of the information and privacy of students and families. Washington is a state committed to providing opportunities to students and protecting the rights of families.

Example: If a student is unmarried with no children of their own, and is not financially responsible for anyone else, the student's household number is 1, and the student's number in college is 1. Other family members, such as parents and siblings, will be captured in the Parent's section.

School Selection

Select the schools you are considering attending, even if you haven't applied or been accepted. You may **choose up to 10 schools**. This will allow you to get your financial aid application submitted to assist in meeting any financial aid priority deadlines schools might have in place.

If you don't know what your housing plan will be, select "On Campus". If you change your mind later, let the financial aid office know.

The screenshot shows the 'SCHOOL LIST' section of a financial aid application. On the left is a sidebar with a list of sections: Student Demographics, Washington State Information, Educational Plans, Dependency Determination, Student Income & Tax Data, Parent Information, and School List. The 'School List' section is highlighted with a red circle and a red arrow. Below the sidebar is a legend: a dashed box for 'Not Started', a circle with a refresh icon for 'In Progress', and a checkmark for 'Completed'. The main area is titled 'SCHOOL LIST' and contains instructions: 'Select the schools to receive a copy of your WASFA, along with your housing plans for that school. Select at least one school and up to ten schools to receive your information.' Below this are four school entries. Each entry has a school name dropdown and a 'Housing Plan' dropdown. A red arrow points to the 'On Campus' option for School 1. A text box next to the arrow says: 'If you want to live on campus, or don't know what your housing plan will be yet, select "On Campus"'. The bottom of the page has navigation buttons: 'Back', 'Save and Exit', 'Exit', and 'Save and Continue'.
